HOBBS HESS

The portable commentary. The holy Bible. With marginal references, and explanatory notes, selected from the most distinguished biblical writers, by I. Cobbin Ignatius Press

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1878 edition. Excerpt: ... "And it came to pass, when the Loss would take up Elijah into heaven by a whirlwind, that Elijah went with Elisha from GilgaL . . . And it came to pass, as they still went on, and talked, that, behold, there appeared a chariot of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven." --2 Kings li. I, I I. XII. THE ASCENSION. i K1ngs ii. WE have a false idea of the work of Elijah if we suppose that it was restricted to such public appearances as that which he made on Carmel, or such denunciations of iniquity in high places as those which he uttered in the vineyard of Naboth and the palace of

Samaria. In the history of a nation it has often been noted that the periods of its highest prosperity are those which furnish fewest materials for the public annalist; and similarly in the life of a minister of God, the years of his most potent influence and most enduring work are frequently those concerning which his biographer can find least to say. Controversy, like war, is noisy and demonstrative, and forces itself on the attention of the chronicler; but growth is a thing of quietness, and is withal so gradually manifested that it eludes the observation of the historian. I say not this by way of undervaluing controversy, for it has its own place and importance; and he who shrinks from it when the honour of Christ's name, or the purity of Christ's church is concerned, is as much to be condemned as is the man who is an ecclesiastical Ishmaelite, with his hands against every one, and every one's hands against him. After all, however, the benefit of controversy is only temporary. It is an exposure and defeat of error for the time; but unless it be followed up by the adoption of some measures for the...

Days of Elijah Thomas Nelson

Bestselling Author and Theologian Explores the Life and Ministry of Elijah Known for his in-depth

yet accessible teaching, beloved author R. T. Kendall delves into the life of one of the most famous and most relatable persons in the Old Testament: Elijah. Drawn from a popular sermon series Dr. Kendall preached at Westminster Chapel in London, this discussion taken from 1 and 2 Kings traces the prophet's life and ministry from his first appearance and his confrontation with King Ahab until the time he is taken up to heaven. Kendall shows how even this revered prophet--an ordinary man with many imperfections--was used tremendously by God. A great study for both individuals and groups.

The Days of Elijah Hayes Press

F. B. Meyer's examination of the Prophet Elijah is counted among the most spiritually intensive and detailed ever to be written. The author commences by placing the subject in its historical context: Elijah lived at a time when Israel was divided. Formerly a cohesive society under the able guidance of King Solomon, the Kingdom of Israel and Judah were at odds. The Book of Kings recounts Elijah's

ascendance, wherein he became one of the greatest holy men ever seen. Meyer examines the life of the great prophet with a close examination of the scriptures. The various interactions between Elijah and Ahab for example are closely narrated, with their rivalry and conflict over the worship of other Gods analyzed. Meyer discusses the emotional states of Elijah and others, how life's trials presented challenge after challenge, with the gradual, transforming effect of making Elijah one of God's greatest prophets. The various prophesies of Elijah, and the miraculous deeds which he carried out across the lands of Israel, are related. F. B. Meyer imbues his discussion of nature of Elijah's spirit, and how he put his devotion to God into action with beneficent deeds, with a human essence. We are encouraged to visualize the ancient landscape, to vividly imagine the episodes of the prophet's life. In authoring biographies of several of the Bible's most important figures, Meyer took care to be evocative while shining light upon their essential humanity. That Elijah was able to go from shepherding to national prominence is an inspiring story in itself; his power to inspire and call upon God for guidance and wisdom all the more so. F. B. Meyer's books have lost none of their vital essence, their contents being for all-time.

Elijah and the Secret of His Power Xulon Press

Elijah and Elisha are two of the most significant people in the Old Testament. Alan Toms recounts the major events from their lives and brings out some important lessons today for any Christian who wants to serve God like they did - lessons about faith, trust, obedience, knowing God's will in the ups and downs of life. CHAPTER ONE: AN INTRODUCTION TO ELIJAH; CHAPTER TWO: AT CHERITH

Testimony to Otherwise: the Witness of Elijah Writers Club Press

Whenever a notable religious movement was stirring through the land, the people were accustomed to think that the prophet of Carmel had again returned to earth; and thus the deputation asked John the Baptist, saying, "Art thou Elijah?" and when a mightier than John had set all men musing in their hearts, as the disciples told our Lord, many of the common people believed that the long expectation of centuries was realized, and that Elijah was risen again. It was commonly believed that no other born of a woman was great enough to precede the Messiah, and that he would anticipate His advent by an interval of three days, during which he should proclaim, in a voice heard over all the earth, peace, happiness, and salvation. All these things are evidences of the towering greatness of Elijah's character and work. With all the failures and mistakes to which such natures are prone, he was a great man and did a noble work. And the secret of all was to be found not in any intrinsic qualities, but in the fact that he was filled with the Holy Ghost. Let us pause here and ask ourselves if we can give our thoughtful assent to this statement. If we cannot, we must count much of our time and labor in these chapters wasted, for our one aim has been to establish this point. But if we can, then, as we close these chapters of stirring sacred biography, we may resolve that we will never rest until we too are filled with the Holy Ghost. We will not rest satisfied in being imitators merely, but we will seek to be filled with the same Spirit, that He may work again through us the marvels of the past. -F.B. Elijah and the Secret of His Power Harlequin

Why a Book on Elijah and Elisha? Because Christians today confront the same issues Elijah and Elisha did: strong spiritual attacks from evil powers operating in the world, the temptation to sacrifice faith through compromise, and the tendency to concentrate on form rather than essence in spiritual life. Because Elijah and Elisha dealt with the key issues of the faith: Christian formation through listening and obeying God, true solitude, prayer, living by faith, compassion, justice, single-minded and wholehearted devotion to God, and evangelism and mission. Pneuma Springs Bible Resources is a ministry of Youth With A Mission's Antioch Institute for International Ministries (www.ywam-aiim.org) designed to produce Bible study materials that equip disciples of Jesus Christ to know the truth in which they stand and to enable them to be God's instruments to extend the Kingdom of God throughout the world. Other available resources include the following books by David E. Ross: *A Table Before Me* (Xulon Press 2007), *Out of the House of Fear, Into the House of Love* (Korea YWAM Publishing, www.ywam.co.kr, 2002), and *God Loves North Korea* (Korea YWAM Publishing, 1999). David E. Ross is a Presbyterian (PCUSA) pastor who together with his wife, Ellen, have more than fifty years of missionary experience and founded Youth With A Mission Korea and the Antioch Institute for International Ministries in Monroe, Washington. Their multi-cultural ministry includes teaching and writing, mentoring long-term missionaries, mobilizing and training Koreans living outside Korea in the diaspora, and working for reconciliation between North and South Korea for the sake of world evangelization.

The Life of Elijah Wipf and Stock Publishers

The Bible and its preaching are for every generation urgent and indispensable, but they are especially urgent today. Within the preaching of Elijah and Elisha lie the possibilities and inspiration for the church to recover its voice in a way that is unfettered and unencumbered by old habits. It is the chance, and the responsibility, of this new voice to replicate in the present life of the church alternatives underway in the biblical text itself, to show that life "could be otherwise, " and to make it so. Considering these narratives canonically, Walter Brueggemann shows how the memories of Elijah and Elisha took on a quality and authority of lasting testimony. They exhibit a world profoundly open to the gifts, energies, and visions given by God. Brueggemann shows how such prophetic narratives summon listening Israel to a radical either/or decision, endlessly insisting that there are choices to be made that hold options for the world as otherwise.

Claiming Their Future For the Thornton brothers, the Oklahoma Land Rush is the perfect opportunity to finally put down some roots. A new start, a new community?what more could preacher Elijah Thornton need? Not a wife?not after the pain of losing his fiancée. But something draws him to the pretty nurse whose eyes are clouded by trouble. Only by claiming her own homestead can Alice Hawthorne avoid an unwanted marriage. Even Oklahoma may not be far enough away from New York to escape her past. Yet with courage?and the handsome reverend's support?can she forge a loving future? Bridegroom Brothers: True love awaits three siblings in the Oklahoma Land Rush

The Backstabbers Messianic Jewish Resources & Publishers

Learning through experience definitely makes an impression, but isn't it better sometimes to learn from the successes and failures of others? Scripture tells us that those who came before us are examples for us (1 Cor. 10:6 and 11), given that we could learn what to do-and what not to do. Few offer us the lessons that Elijah does. Looking for God's provision? Elijah dealt with that. Trying to believe God when everything in the natural is against you? Elijah dealt with that too. Battling with self-pity? Elijah faced that as well. Elijah's ministry wasn't very long, but it was packed full of life lessons that we can use today. You may not think an Old Testament prophet has anything to teach you, but you'll want to think again-a man translated to heaven by a whirlwind must have something to share. Explore the right-and wrong-ways to serve God, and learn more about how God honors His servants. This book offers the life experience without the hard knocks!

These Are the Days of Elijah Pinnacle Books

Think of it as a political gambit-holding forth for an office that has lain vacant for millennia-a title once well defined, and recognized, but now, long since, abandoned, mystified and mythologized to absurdity because, for so long, it was just too dangerous even to imagine. And then, one day, the Children of the Covenant-the ones for whom, and by whom this office was ever created, reconstituted their sovereign nation, and elected a leader from their midst who gave state sanction of that title to someone here, in the Land of the Free. Maybe it was just a fluke gesture. Maybe the Angels conspired. One way, or the other, one day this one holding that title, published it on the cover of a book and said, "Dare you not pay attention when I speak, oh Israel." Dare you not, indeed. Look what happened when the descendants of Isaac let the last Anointed be taken and murdered. And now, here is another so brazen. Look on the cover of the book, my fellow Jews. Yeah. You heard me. The time has come at last. One other thing: Just like George Gershwin (bless his soul) had us to know: "The things that you're liable to read in the Bible, they ain't necessarily so." Sometimes, not even close.

FIRST RULE OF JOHNSTONE COUNTRY: TRUST NO ONE No one knows the dangers of driving a stagecoach better than Red Ryan. Especially when the passenger's a dead man, the payoff's a gold mine, and the last stop is death . . . SECOND RULE: WATCH YOUR BACK Red Ryan should've known this job would be trouble. The first stop is a ghost town—in a thunder storm—and the cargo is a coffin. But things start to look a little brighter when Red and his stage guard Buttons Muldoon deliver the corpse to a ranch run by the beautiful Luna Talbot—and her gorgeous crew of former saloon girls. Luna asks the boys to help them find the Lucky Cuss Gold Mine, using a map tucked inside the dead man's pocket. Buttons can't refuse a pretty lady—or the lure of gold. But Red has a feeling they're playing with fire. Especially when the map leads them straight into crossfire of a ferocious range war, a 400-pound load of pure evil known as Papa Mace Rathmore—and his backwoods clan of sadistic, kill-crazy hillbillies . . . Live Free. Read Hard.

Elijah in Jerusalem WestBowPress

"The Elijah Moment is for the intercessory prayer warrior's daily meditation to give you peace in the midst of the storm. The Elijah Moment is your moment with God in devotion. It's a personal walk with the Lord! It's journal time between you, God, and other warriors walking and praying with you. The Elijah Moment truly takes a moment in your life to return to God for specific requirements for daily living. The devotion is written as if you are studying the Word and praying with me. It only takes a moment. That moment is life-changing! It's a life-changing moment with God, prayer, coffee, other warriors, and myself. You are encouraged to invite others with you during the walk, and include me in your walk as well. Now let's go out and be a blessing! theelijahmoment@gmail.com All scriptures are from the New International Version or King James Version Bible."

These Are the Days of Elijah Createspace Independent Publishing Platform

A spiritual revolution, an upheaval of the traditional norm. Just as the Apostles turned their world upside down these Warring Worshipers that are identified as the (Remnant) will turn the church world upside down. They will move beyond the four walls of their church facilities, plunging right into this chaotic and unstable world of darkness. They won't carry a torch into this darkness because they will be the torch. Carrying the Light of Jesus Christ into the darkest recesses, searching every nook and cranny of this world and world system to rescue those who are in bondage and feel hopeless because they know they would never be accepted or fit into the church of today. How sad it is that most of these souls have seen the spots and blemishes of the apostate church of today and have for too long felt helpless to say or do anything, because they had no voice that would be heard. God has heard their cry's and heard their prayers and is getting ready to move on their behalf. These Warring Worshipers that are being activated will be anointed with the Spirit of Elijah, a strong, powerful anointing that will create an insatiable hunger to please our Heavenly Father. They will have a compelling zeal to expand the Kingdom of God and make the Bride ready as they bring in the End Time Harvest. . As Elijah left in a whirlwind, we will see his Mantel, (Anointing - His Spirit) will come as a Whirlwind upon the Remnant. These Warring Worshipers will be carried by this whirlwind wherever the Spirit of the Lord determines and directs. Empowering them with Elijah's Prophetic Mantle, saturated and infused with Holy Ghost Boldness that will astound the world. They will declare without fear and trepidation, the word of God. Taking on heavenly assignments that local pastors have turned down for years. This Remnant will refuse to use watered down methods and messages the church has used for years to reach the masses. Their message will be delivered with an authentic love that offers and displays hope and not fear. We will see the gospel delivered, souls set free, with tangible evidence and boldness of the Holy Spirit as this Spirit of Elijah (this anointing from on high) comes during this season. The remnant is being activated and called out of the lukewarm Church of Laodicea the final church age. The Bride is being made ready, she will be watching and waiting clothed and adorned in her wedding gown. She will have oil in her lamp as the five wise virgins who were listening for the call, "Behold the Bridegroom Cometh". The Remnant is the Harvesters that labor for the King of Kings, anointed and appointed for such a time as this...

Elijah Scripture Truth

Elijah's friends are dead, and without a miracle, he's next. The year is 875 BC and Ahab is King of Israel. His marriage to Princess Jezebel of Tyre has secured him a wealthy and powerful ally. Jezebel seeks to stamp out the old religion in Israel, the worship of the Hebrew God. As the purges begin, Elijah finds himself alone, hunted, and on the run; the last prophet of the Lord. With the queen's guards close behind, the desperate Elijah discovers a little known promise and prays for something impossible - that God would turn the skies to bronze and stop the rain on the kingdom that has abandoned Him. And God says yes. As drought and famine grip the cloudless land of Israel, God tells Elijah to hide and sends him to the land of Tyre, to a widow and her son who are on the edge of starvation. In Tyre Elijah finds a darkness at the heart of the city, a darkness that threatens to consume Israel next. But even if he survives, will Israel listen to his warning? This is an adaptation of the story of Elijah from the Bible

Provides an exhaustive and organized overview of Jewish life and knowledge from the Second Temple period to the contemporary State of Israel, from Rabbinic to modern Yiddish literature, from Kabbalah to "Americana" and from Zionism to the contribution of Jews to world cultures.

The Vision of Elijah Berl Independently Published

This is a series of expositions of most of the passages in the first and second books of Kings which give the history of the two prophets, Elijah and Elisha. Some of these stories are among the most vivid and memorable in the Old Testament, and have never failed to prove themselves relevant and challenging in the preaching of the church. Others of them present what to many are the most difficult moral and intellectual problems both for the preacher and the listener.

Elijah Theclassics.us

Elijah in Jerusalem, the long-awaited sequel to the acclaimed, best-selling novel *Father Elijah: An Apocalypse*, is the continuing story of the Catholic priest called to confront a powerful politician who could be the Antichrist foretold in the Bible. A convert from Judaism, a survivor of the Holocaust, and a participant in the founding of Israel, Father Elijah was for decades a monk on Mount Carmel, the mountain made famous by his Old Testament prophet-namesake. In the events of the preceding novel, the Pope commissioned Father Elijah to meet the President of the European Union, a man rising toward global control as President of the soon-to-be realized World Government. Recognizing in the President a resemblance to the anticipated Antichrist, the Pope

asked Father Elijah to call the President to repentance, a mission that ended in failure. In this sequel, now-Bishop Elijah, wanted for a murder he did not commit, tries again to meet the President. Accompanied by his fellow monk Brother Enoch, he enters Jerusalem just as the President arrives in the holy city to inaugurate a new stage of his rise to world power. This time Elijah hopes to unmask him as a spiritual danger to mankind. As the story unfolds, people of various backgrounds meet the fugitive priest, and in the encounter their souls are revealed and tested. Elijah perseveres in his mission even when all seems lost. The dramatic climax is surprising, yet it underlines that God works all things to the good for those who love him.

The Lives of Elijah Brooks Shaw Books

From one generation to another, the servants of the Lord have sought to edify their fellow-believers by commenting on the Old Testament narrative. In such ministries expositions of the life of Elijah have always been prominent. His sudden appearance out of complete obscurity, his dramatic interventions in the national history of Israel, his miracles, his departure from earth in a chariot of fire, all serve to captivate the thought of preacher and writer alike. The New Testament

sustains this interest. If Christ Jesus is the Prophet "like unto Moses," Elijah, too, has his New Testament counterpart in John-the-greatest-of-the-prophets. And even more remarkably, Elijah himself in living person reappears to view when, with Moses, he stands on the mount of "the excellent glory," "to speak of the strife that won our life with the incarnate Son of God." What a superb honor was this! As Moses and Elijah are the names which shine in dual grandeur in the closing chapters of the Old Testament, they likewise appear as living representatives of the Lord's redeemed host-the-resurrected-and-the-translated-on "the holy mount," their theme the exodus which their Savior and Lord was to accomplish at the time appointed by the Father. Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death,' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
