"Our people prefer boys, because a girl's life is difficult. It's difficult in every sore of family and among all nationalities. A girl's life is not like a man's life. She has no assurance of being happy in her marriage. And her main purpose in life is to marry and to have children. A girl's and a woman's lives are a trial whatever happens. I don't know why."—Om Gad Their stories are fresh and vivid, recording the various roles of being co-wife in a polygamous marriage, the complications of divorce, the rituals of female circumcision and marriage, the loss of children, life-long hate and its source, the position of witchcraft and superstition in their daily lives, primitive health practices, and managing a family's meager resources, including the gold or silver khul-khaal anklets worn by married women. These self-portraits are fascinating reading and a mine of information for anyone interested in understanding contemporary Egyptian life. A foreword by anthropologist Andrea Rugh and photographs by Asma el-Bakry are included.

Engaging, Colorful, and Fun Islamic book for kids This book is not like other Islamic books for children under 3! It is filled with good Islamic morals, manners, and stories that introduce your Toddler to essential Islamic Foundations. "My First Islamic Book for Children under 3" has been created in recognition of the need for books that tell the stories of Islam for small children. Most of the Islamic educational and storybooks for children available today are either lacking in authenticity or are written in a language that is difficult for young children to understand. "My First Islamic Book for Children under 3" is written in a way that toddlers and pre-school age children can easily understand. The author made these stories as authentic as possible by taking stories and information from the Quran, Tafseer Ibn Katheer, Bukhari, Muslim, and other authentic Hadith books and simplifying the language and adding context that children can understand, without changing the intended meaning. This simple language results from an interactive reading process between the author and her then three-year-old son. The author kept editing and simplifying the text until her son was able to understand it easily. About the Author Julia Hanke was born and raised in Germany. She converted to Islam at the age of 17 and took the name Hafsa to have a Muslim identity. Hafsa studied Education and Islamic Sciences at a famous German University. At the moment, she is homeschooling her three children. Well suited for Babies, Toddlers, Preschoolers, and even very beneficial for children up to 10 years of age! Teach your children who Allah is, His authentic Names and Attributes, and what they mean for every Muslim. Which morals and lessons can we draw from Allah's Names and Attributes? Which name should we use in which dua in which situation? Find out in this book. A must-read for every Muslim.

Goethe was a master of the short prose form. His two narrative cycles, *Conversations of German Refugees* and *Wilhelm Meister's Journeyman Years*, both written during a high point of his career, address various social issues and reveal his experimentation with narrative and perspective. A traditional cycle of novellas, *Conversations of German Refugees* deals with the impact and significance of the French Revolution and suggests Goethe's ideas on the social function of his art. Goethe's last novel, *Wilhelm Meister's Journeyman Years*, is a sequel to *Wilhelm Meister's*

Apprenticeship and to Conversations of German Refugees and is considered to be his most remarkable novel in form.

Since Yesterday is Frederick Lewis Allen's sequel to Only Yesterday. Only Yesterday is an informative and popular tell-all history book about American life in the 1920s. Since Yesterday turns this same witty and empathetic energy towards the Great Depression and 1930s America. Excerpt: "Ever since, in Only Yesterday, I tried to tell the story of life in the United States during the nineteen-twenties I have had it in the back of my mind that someday I might make a similar attempt for the nineteen-thirties. I began work on the project late in 1938 and had it three-quarters done by the latter part of the summer of 1939, though I did not yet know how the story would end."

First published in 1989. This volume includes twelve of the main papers given at the Joint Meeting of the XXII Spring Symposium of Byzantine Studies and of the Society for the Study of the Crusades and the Latin East held at the University of Nottingham from 26-29 March 1988. The Conference brought together a wide range of scholars and dealt with four main themes: relations between native Greeks and western settlers in the states founded by the Latin conquerors in former Byzantine lands in the wake of the Fourth Crusade; the Byzantine successor states at Nicaea, Epirus, and Thessalonica; the influence of the Italian maritime communes on the eastern Mediterranean in the later Middle Ages and the Renaissance; and the impact on Christian societies there of the Mongols and the Ottoman Turks, as well as the perception of Greeks and Latins by other groups in the eastern Mediterranean.

Dante put Muhammad in one of the lowest circles of Hell. At the same time, the medieval Christian poet placed several Islamic philosophers much more honorably in Limbo. Furthermore, it has long been suggested that for much of the basic framework of the Divine Comedy Dante was indebted to apocryphal traditions about a "night journey" taken by Muhammad. Dante scholars have increasingly returned to the question of Islam to explore the often surprising encounters among religious traditions that the Middle Ages afforded. This collection of essays works through what was known of the Qur'an and of Islamic philosophy and science in Dante's day and explores the bases for Dante's images of Muhammad and Ali. It further compels us to look at key instances of engagement among Muslims, Jews, and Christians.

Jitterbug Perfume Entangled: Teen

Im Sommer 2016 erschien der abschließende Band der ersten deutschsprachigen Kindertora nach mehr als fünfzig Jahren: "Erzähl es deinen Kindern". Wenige Jahre zuvor waren zwei Bücher

erschienen, die als weltweit erstmals versuchte kindgerechte Versionen des Koran gelten: "Der Koran für Kinder und Erwachsene" (2008), gefolgt von "Was der Koran uns sagt" (2010). Zusammen mit den über 1.000 allein in deutscher Sprache erschienenen christlichen Kinderbibeln bieten sie einzigartige religionspädagogische Chancen. Die Beiträge des Bandes loten erstmals diese neuen (inter-)religiösen Lernfelder aus. Dabei werden jüdische, christliche und muslimische Perspektiven einander gegenübergestellt.

Jitterbug Perfume is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn't conclude until nine o'clock tonight (Paris time). It is a saga, as well. A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. If the liquid in the bottle actually is the secret essence of the universe, as some folks seem to think, it had better be discovered soon because it is leaking and there is only a drop or two left.

After centuries of oppressive Ottoman rule, the Arab world began to find new vitality and freedom in the twentieth century. The accompanying resurgence of creative expression is splendidly reflected in this definitive anthology of contemporary Arabic poetry, which spans the modern Arab world from the turn of the century to the present, from the Arab Gulf to Morocco. The editor, Salma Khadra Jayyusi, a renowned expert on modern Arabic literature, presents a through introduction to the works of more than ninety Arab poets. To create the best possible English translation, each selection has been translated first by a bilingual expert and then by an English-language poet, who creatively renders it into idiomatic English.

"No more romance," said the renowned erotic photographer Stefan Soell, after enjoying great success with his two lavish photographic volumes entitled "Alpenglow" and "Volcanic Girls." A completely new, modern style of portraying the nude was required, and Stefan has once more succeeded convincingly. He searched for the right type of woman to match his vision for three long years, finally settling on something between the young, successful, cool businesswoman and

glamorous movie star. Oozing beauty, of course, fantastically built, with a confident, cheeky appearance, and unashamedly flaunting their sex appeal. Soell has discovered more than 16 completely new, never-seen-before faces, and managed to fit all their glorious nudity into the unprecedented environment of finest, ultra-modern, minimalist architecture. The contrast between the wonderful, warm skin tones, sensual body shapes and the cool, modern architecture could not be greater, and the very unusual combination of hot eroticism and cool design increases the attraction of this volume of photos immensely."

In this text, the author explores what she argues is an indissoluble link between war and sexuality. She explores the connections among sexuality, war, nationalism, pacifism, violence, love and power as they relate to the body, the partner, the family, political ideologies and religion.
