This book integrates the analysis of sanctity with that of pilgrimage, offering important new insights into society, cross-cultural interaction and faith.

The Memory of the Eyes Thames & Hudson

Rome was one of the major pilgrim destinations in the middle ages. The belief that certain objects and places were a focus of holiness where pilgrims could come closer to God had a long history in Christian tradition; in the case of Rome, the tradition developed around two of the city's most important martyrs, Christ's apostles Peter and Paul. So strong were the city's associations with these apostles that pilgrimage to Rome was often referred to as pilgrimage to the threshold of the apostles'. Debra Birch conveys a vivid picture of the world of the medieval pilgrim to Rome - the Romipetae, or Rome-seekers' - covering all aspects of their journey, and their life in the city itself. --Back cover.

This interdisciplinary volume examines intersecting journeys of women from around the globe on their pilgrimages to peace. It consists of twelve chapters that discuss theoretical and practical issues related to the study of peace. The focus of this volume is the successful movement from war to building peace through nonviolent means. It is a study of how and why contemporary tactics of a nonviolent approach have proved effective. International scholars from Ukraine, India, Lebanon, and the US,

amongst others, explore the ways in which journeys towards peace have evolved amid the twenty-first century's growing social changes in their respective countries. This collection will provide a valuable resource for those researching and practising peace and conflict resolution studies, sociology, comparative cultural studies, history, and international development studies.

"From the time I was five years old I knew France to be an enchanting country, a place of dreams..". For Anne McPherson, this impression became more and more entrenched with the passing years. In *Walking to the Saints*, she visits time-honored sites along France's medieval pilgrimage routes to Santiago de Compostela, reflecting on the architecture, the spiritual universe of medieval people, and the connections and contradictions between earlier theology and contemporary feminist thought. At the same time she discovers that each site, with its sainted patron and antique heroes, mirrors part of her own life's journey. With intelligence, freshness and wit, Anne McPherson invites readers to join her in walking to the saints. The text is complemented by original, evocative drawings by well-known Canadian artist Tony Urquhart.

What better way is there to become configured to Christ than by following in His footsteps? A pilgrimage to the Holy Land allows one to follow, quite literally, in Our Lord's footsteps, to discover His homeland and the cultural, linguistic, historical, and topographical landscapes that reveal so much about Jesus Christ. *Come and See: A Catholic Guide to the Holy Land* accompanies pilgrims through holy sites in Galilee, the Dead Sea, and

Jerusalem. Contemplate the mysteries of Our Lord's earthly life and ministry with appropriate biblical texts and the testimonies of both Roman historians and early Christian witnesses and writers. This uniquely Catholic travel guide features: Vibrant, full-color pictures Almost every page features photographs of the holy sites, as well as sacred art and even diagrams for historical context. Scripture on Site See the place the Lord's Ascension actually occurred while reading about it in the Book of Acts. Experience the Jordan River while contemplating Christ's baptism in that very place. Bring both the sites and the Scriptures to life by reading the Scripture on Site suggestions. Reflection sections with specific reflections for seminarians Not only is this guide informative, it is devotional. The reflection sections are perfect journaling prompts, group discussion questions, or simply guides for quiet reflection. Seminarians particularly will benefit from questions focused on their formation and future priestly ministry. Special durable cover and compact travel size This is one guide that can stand up to the rigors of travel! The cover is tear-resistant and the size is perfect for taking along on day trips to holy sites. Fr. Charles Samson's *Come and See* will be a welcome companion for all who journey to the Holy Land to better know and love Christ.

The annual Lenten pilgrimage to dozens of Rome's most striking churches is a sacred tradition dating back almost two millennia, to the earliest days of Christianity. Along this historic spiritual pathway, today's pilgrims confront the mysteries of the Christian faith through a program of biblical and early Christian

readings amplified by some of the greatest art and architecture of western civilization. In *Roman Pilgrimage*, bestselling theologian and papal biographer George Weigel, art historian Elizabeth Lev, and photographer Stephen Weigel lead readers through this unique religious and aesthetic journey with magnificent photographs and revealing commentaries on the pilgrimage's liturgies, art, and architecture. Through reflections on each day's readings about faith and doubt, heroism and weakness, self-examination and conversion, sin and grace, Rome's familiar sites take on a new resonance. And along that same historical path, typically unexplored treasures—artifacts of ancient history and hidden artistic wonders—appear in their original luster, revealing new dimensions of one of the world's most intriguing and multi-layered cities. A compelling guide to the Eternal City, the Lenten Season, and the itinerary of conversion that is Christian life throughout the year, *Roman Pilgrimage* reminds readers that the imitation of Christ through faith, hope, and love is the template of all true discipleship, as the exquisite beauty of the Roman station churches invites reflection on the deepest truths of Christianity.

"Karol Wojtyła, Pope John Paul II, was a man whose life was the expression of a richly textured and multidimensional soul. The many layers of that soul took on their first, mature form in Kraków." – George Weigel In this beautifully illustrated spiritual travelogue, New York Times bestselling author George Weigel leads readers through the historic streets of Kraków, Poland, introducing one of the world's great cities through

the life of one of the most influential Catholic leaders of all time. "To follow Karol Wojtyła through Kraków is to follow an itinerary of sanctity while learning the story of a city." Weigel writes. "Thus, in what follows, the story of Karol Wojtyła, St. John Paul II, and the story of Kraków are interwoven in a chronological pilgrimage through the life of a saint that reveals, at the same time, the dramatic history and majestic culture of a city where a boy grew into a man, priest, a bishop—and an apostle to the world." With stunning photographs by Stephen Weigel and notes on the city's remarkable fabric by Carrie Gress, *City of Saints* offers an in-depth look at a man and a city that made an indelible impression on the life and thought of the Catholic Church and the 21st century world.

When it comes to saints, there is no place like Rome. The topic of saints has always been and continues to be of universal interest. The importance of Rome's Female Saints: A Poetic Pilgrimage to the Eternal City rests in continuing to tell the stories of those women who have been largely ignored by or lost to history so that readers interested in sainthood, martyrdom, history, biography, poetry, and travel can share in an experience that can continue into the next generation.

Rome's Female Saints is a guided tour of female saints in Rome, Italy. This book provides an engaging experience to be had in Rome or from home. This reading tour not only helps people remember those women in the past who have been martyred or have selflessly served others for their faith in Christ, but this book also encourages readers to be aware of and create solidarity with those who continue to either endure torture and martyrdom or serve the Body in the name of Jesus Christ. Saints covered in this book range from women living during the Apostolic Age such as Saints Anastasia and Basilissa of Rome to more recent saints like Saint Teresa of Calcutta. This work encourages readers to celebrate the women of God through biography, site information, and poetry. Each saint is catalogued with an entry including several gems: her feast day, a brief biography of the saint's life, the site associated with the saint, the word(s) the Holy Spirit gave the author during prayer at the site, and original poetry praising the saint that includes the God-given word(s). Rome's Female Saints is intended for readers who desire a lasting, engaging experience, one that connects them to these unique women

of God, as well as their lives, their stories, their relics, and their commitments to Christ.

The Matter of Piety provides the first in-depth study of Zoutleeuw's exceptionally well-preserved pilgrimage church in a comparative perspective, and reevaluates religious art and material culture in Netherlandish piety from the late Middle Ages through the crisis of iconoclasm and the Reformation to Catholic restoration. Analyzing the changing functions, outlooks, and meanings of devotional objects – monumental sacrament houses, cult statues and altarpieces, and small votive offerings or relics – Ruben Suykerbuyk revises dominant narratives about Catholic culture and patronage in the Low Countries. Rather than being a paralyzing force, the Reformation incited engaged counterinitiatives, and the vitality of late medieval devotion served as the fertile ground from which the Counter-Reformation organically grew under Protestant impulses.

Women on the Pilgrimage to Peace BRILL

A down-to-earth and deeply intimate portrait of Pope Francis and his faith, based on interviews with the men and women who knew him simply as Jorge Mario Bergoglio. Early on the evening of March 13, 2013, the newly elected Pope Francis stepped out onto the balcony of St. Peter's Basilica and did something remarkable: Before he imparted his blessing to the crowd, he asked the crowd to bless him, then bowed low to receive this grace. In the days that followed, Mark K. Shriver—along with the rest of the world—was astonished to see a pope who paid his own hotel bill, eschewed limousines, and made his

home in a suite of austere rooms in a Vatican guesthouse rather than the grand papal apartment in the Apostolic Palace. By setting an example of humility and accessibility, Francis breathed new life into the Catholic Church, attracting the admiration of Catholics and non-Catholics alike. In *Pilgrimage*, Shriver retraces Francis's personal journey, revealing the origins of his open, unpretentious style and explaining how it revitalized Shriver's own faith and renewed his commitment to the Church. To help us understand how Jorge Mario Bergoglio became Pope Francis, Shriver travels to Bergoglio's native Argentina to meet with the people who knew him as a child, as a young Jesuit priest, and as a reformist bishop. Shriver visits the confessional where Bergoglio first felt called to a faith-based life and takes us to the humble parish where the future pontiff's pastoral career began: in a church created from a converted vegetable shed in an area just outside the city of Buenos Aires. In these impoverished surroundings, Bergoglio answered Christ's call to feed the hungry, clothe the naked, and shelter the homeless, following the example set by his papal namesake, St. Francis of Assisi. In this deeply reported yet highly personal book, Mark K. Shriver explores how Francis's commitment has struck a chord in the hearts of millions who long to make faith, love, humility, and mercy part of their lives as they go out into the world to serve and learn from the most marginalized. Praise for *Pilgrimage* "Well-researched . . . *Pilgrimage* shines a light on [Pope Francis's] unexplored aspects. . . . A very timely and important addition to the literature on the life and person and thinking of Pope Francis. Everybody interested in Pope Francis will enjoy reading this biography."—The

Washington BookReview “Apt to stir the soul of readers . . . While this is a rich telling of Bergoglio’s life and ascension to the papacy, it is more movingly a spiritual memoir that draws us deep into a knowing of this at once humble and soul-stirring rekindler of faith.”—Chicago Tribune “A fascinating portrait of a man and a nourishing account of spiritual yearning.”—Booklist “This fast-paced and fascinating tale takes us on Jorge Mario Bergoglio’s pilgrimage from his grandmother’s knee in the Italian-Argentine community, through years of success and sorrow in the tumultuous country that he loved, to his surprise election as Pope Francis.”—Cokie Roberts, New York Times bestselling author of *Capital Dames: The Civil War and the Women of Washington, 1848–1868* “All people of good faith, including those whose lives are not guided by religious beliefs, will be inspired and enlightened by the compelling manner in which *Pilgrimage* brings us closer to the heart and mind of Jorge Mario Bergoglio, Pope Francis. I highly recommend this book; it will make a difference in your life.”—Cardinal Seán O’Malley, OFM Cap.

Saints and Strangers Sacristy Press Part biography of a wartime adventurer, part detective story, and part faith journey, this intriguing book from a New York Times journalist and bestselling author takes us inside the modern-day making of a saint. *The Saint Makers* chronicles the unlikely alliance between Father Hotze and Dr. Andrea Ambrosi, a country priest and a cosmopolitan Italian canon lawyer, as the two piece together the life of a long dead Korean War hero and military chaplain and fashion it into a case for eternal divinity. Joe Drape offers a front row seat to the Catholic Church’s saint-making

machinery—which, in many ways, has changed little in two thousand years—and examines how, or if, faith and science can co-exist. This rich and unique narrative leads from the plains of Kansas to the opulent halls of the Vatican, through brutal Korean War prison camps, and into the stories of two individuals, Avery Gerleman and Chase Kear, whose lives were threatened by illness and injury and whose family and friends prayed to Father Kapaun, sparking miraculous recoveries in the heart of America. Gerleman is now a nurse, and Kear works as a mechanic in the aerospace industry. Both remain devoted to Father Kapaun, whose opportunity for sainthood relies in their belief and medical charts. At a time when the church has faced severe scandal and damage, and the world is at the mercy of a pandemic, this is an uplifting story about a priest who continues to an example of goodness and faith. Ultimately, *The Saint Makers* is the story of a journey of faith—for two priests separated by seventy years, for the two young athletes who were miraculously brought back to life with (or without) the intercession of the divine, as well as for readers—and the author—trying to understand and accept what makes a person truly worthy of the Congregation of Saints in the eyes of the Catholic Church.

My Life with the Saints (10th Anniversary Edition) Bloomsbury Publishing

Although there is an obvious association between pilgrimage and place, relatively little research has centred directly on the role of architecture. *Architecture and Pilgrimage, 1000-1500: Southern Europe and Beyond* synthesizes the work of a distinguished international group of scholars. It takes a broad view of architecture, to include cities, routes,

ritual topographies and human interaction with the natural environment, as well as specific buildings and shrines, and considers how these were perceived, represented and remembered. The essays explore both the ways in which the physical embodiment of pilgrimage cultures is shared, and what we can learn from the differences. The chosen period reflects the flowering of medieval and early modern pilgrimage. The perspective is that of the pilgrim journeying within - or embarking from - Southern Europe, with a particular emphasis on Italy. The book pursues the connections between pilgrimage and architecture through the investigation of such issues as theology, liturgy, patronage, miracles and healing, relics, and individual and communal memory. Moreover, it explores how pilgrimage may be regarded on various levels, from a physical journey towards a holy site to a more symbolic and internalized idea of pilgrimage of the soul.

Saints and Their Cults in the Atlantic World University of Chicago Press

An unsurpassable, visual tour of the greatest pilgrimage sites of Europe, from North to South; East to West. Pilgrimage in Europe is currently thriving on a scale that simply could not have been envisaged just a few decades ago. Not only are greater numbers of people now emulating the medieval pilgrims who made their way on foot across Europe to the shrines of martyred apostles in Rome (SS Peter and Paul), Santiago de Compostela (St James) and Trondheim (St Olav), but international religious tourism is also thriving and millions each year are now travelling by air, rail and road to Europe's major pilgrimage churches and famous sites of Marian Apparition such as Lourdes (France) and Fatima (Portugal). This book covers those key pilgrimage sites as well as many lesser known ones such as the Marian Sanctuary of La Salette in the French Alps, the cave sanctuary of Covadonga in Northern Spain, the majestic twenty-first-century basilica of Our Lady of Licheń in Poland and the Chapel of Grace in Altötting, Bavaria. It comprises an atmospheric and colourful portrayal of the pilgrimage churches and cathedrals adorned with sculpture, art and iconography associated not only with the Virgin Mary but also the national saints and Early Christian martyrs revered by both Catholic and Anglican faiths alike. En route the reader will see some of the world's most impressive examples of medieval art and

architecture set amidst historic townscapes or spectacular landscapes. This volume will serve as both an enticement to take to the road, a treasured aide memoire for those who have visited at least some of these iconic places and hopefully, a source of comfort and inspiration for those unable to travel abroad from wherever they live in the world.

The Matter of Piety University of Toronto Press

Every year, some 200,000 people set out on the world's most famous pilgrimage route - 'the Camino', designated a World Heritage Site in 1993. Actually a network of paths with numerous starting places in France and throughout Europe, all routes converge to lead along Spain's northern coast to Santiago de Compostela. Here the shrine of St James, the patron saint of pilgrimage, was discovered in the 9th century. 2010 is designated as a Holy Year for Santiago and this guide is co-published with the Confraternity of St James, the UK's leading organisation for promoting pilgrimage to Santiago. Already the preferred guide for German and Spanish pilgrims, this new English edition will be widely welcomed and officially recommended. A mix of practical information and spiritual inspiration for walkers, it offers a stage-by-stage guide pointing out places of interest along the way; practical tips for walkers; prayers, blessings and spiritual exercises to nourish the pilgrim spirit and deepen the

pilgrimage experience. It is illustrated throughout with maps and photographs and is conveniently pocket sized.

"We are so excited to announce that our new devotional on the saints and mental health is here! This pilgrimage will lead you through the lives and writings of six extraordinary saints who struggled with their mental health. It also features Scripture, theology, the Church's pastoral documents on mental health care, and meditative prayer suggestions. It is written by Cameron Bellm (@cameronbellm) and follows the same format as our Lent devotional, *No Unlikely Saints*. We are also very fortunate to have Sara Alexander, MA, LPC (@saraluanne) on board as our mental health consultant. In addition to offering her expertise on the text, she has written overviews of each condition addressed and a comprehensive mental health resource guide as a starting point for seeking assistance. Come and journey with St. Benedict Labre through scrupulosity, Venerable Rutilio Grande through anxiety, St. Jane Frances de Chantal through depression, St. Edith Stein through suicidal ideation, St. Mark Ji Tianxiang through addiction, and St. Alphonsa Muttathupadathu through PTSD. Their lives make clear that they were not unlikely saints, for there are no unlikely saints. All of us are called by God, and all of us can answer." -- From Brick House in the City website.
