## ANASTASIA CESAR

*LIFT Awards, Nomination Guidelines* Lexington Books  
 Written from the employees' viewpoint, this book explains why good working relationships form the core of effective workplace recognition.  
*Nomination Form* John Wiley & Sons  
 Buy a new version of this textbook and receive access to the Connected eBook on CasebookConnect, including: lifetime access to the online ebook with highlight, annotation, and search capabilities, plus an outline tool and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. Corporate Governance examines in an extraordinarily practical and accessible way the legal concerns of today's shareholders, stakeholders, directors, officers, and their counsel, with a special emphasis on drafting documents and developing procedures to anticipate and prevent problems. Designed for real-world application by students, practitioners, executives, investors, and activists, the text includes excerpts from only the most important judicial decisions. Extensive notes and analyses provide context from courts, commentators, institutional investors, proxy advisors, stock exchange requirements, and businesspeople. Dozens of examples "ripped from the headlines," or taken from corporate documents, the "Great Books," or pop culture illustrate and illuminate key principles. Appendices offer detailed information to establish, support, and advance the reader's career in corporate governance practice. New to the Third Edition: Composite provisions, offset in text boxes, patterned on the corporate governance guidelines of major corporations, identify the issues in and approaches to drafting such documents. New appendices discussing: On Preparing and Presenting "Actionable" Advice, for both executives and their counsel (Appendix B), and Ten Tips for Transparency in Posting Core Corporate Documents Online (Appendix C); and a fully updated list of Recommended Resources for Corporate Governance Research (Appendix A). In Chapter 1, enhanced discussion and examples of themes and trends in the study, theory, and practice of corporate governance. Throughout Chapter 2, expanded treatment of the directors' responsibility to monitor and reduce risks (including special issues of cybersecurity); and analyses of the rules of conduct for board meetings, of variable/differential voting powers of directors; and of emergency bylaws. In Chapter 3, new discussions of meetings in "executive session," and of the viability of a policy against a company's directors' dating each other; and additional material on: constraints on executives' "private" activities and statements;

special responsibilities of members of the audit committee; and the composition and role of the executive committee. In Chapter 4, updated discussions of virtual meetings of shareholders, of the rules of conduct for shareholder meetings, and of forum selection provisions for intracorporate litigation; and new sections on "loyalty shares"/"tenure voting," on fee-shifting provisions, and on mandatory arbitration provisions. In Chapter 5, new examinations of: increased efforts (and mandates) to diversify the composition of boards; the "financial literacy" requirement for (some) directors; enabling the CEO also to serve as the board chair; the role of the "executive chair"; "golden leashes" for directors; the roles and responsibilities of advisory board members, advisory directors, emeritus directors, honorary directors, and board observers; proxy access proposals; and "refreshing" the board through age and term limits for directors. In Chapter 6, expanded discussions of clawbacks, restrictions on executives' pledging and hedging company stock, Key Employee Retention Plans (KERPs) in bankruptcy situations, "golden hellos," and "say on pay" litigation; and an analysis of the recent requirement of "pay ratio disclosure." In Chapter 7, updated material on ESG (Environmental, Social, and Governance) issues, and on social enterprises such as benefit corporations and Certified B Corporations. In Chapter 8, a new discussion of the role and relationship to corporate counsel, of the chief compliance officer. Professors and students will benefit from: References to more than 200 newly added decisions. Identification of hundreds of intriguing topics for papers and/or blogs. Comparisons and contrasts of the governance practices supported by institutional investors, proxy advisors, and stock exchanges. A practice-ready, drafting-oriented approach to the systems, structures, and strategies of corporate governance.

 NEW YORK TIMES BESTSELLER • The true story of an ordinary mail carrier whose approach to work and life has the power to transform the everyday into the extraordinary—now in an updated twentieth-anniversary edition "This beloved business classic has inspired millions of people over the years, and today Mark Sanborn's transformative insights are more timely and necessary than ever."—Jon Gordon, author of *The Energy Bus* and co-author of *The Coffee Bean Meet Fred*. In this timeless and powerful book, Mark Sanborn, member of the Speaker Hall of Fame, recounts the true story of Fred, an ordinary USPS carrier who introduced himself one day shortly after Sanborn had moved to a new home in Denver. Fred, however, was no average mailman. As Sanborn came to discover, Fred was the kind of worker who exemplifies everything "right" with customer service. Did people want packages left on the porch or prefer a notice to pick them up at the post office? Fred made sure he knew the answer. When another delivery service left a package at the wrong house, Fred shepherded it safely to the intended recipient. Others might have seen delivering mail as routine work, but Fred seized the chance to find meaning in the mundane, competing with himself every day to find opportunities to make his customers smile. We've all encountered people like Fred. In this deeply inspiring book, Sanborn illuminates the four basic principles anyone can use to bring fresh energy and creativity to our work and life: how to make a tangible difference every day, build stronger relationships, create real value for others without spending a penny, and constantly reinvent yourself. In this updated edition, Sanborn speaks to the seismic changes that have transformed the world of work in recent years—with employees increasingly hungry for purpose in their jobs—and outlines the book's fresh applications. By following his principles, you, too, can find more excitement, fulfillment, and success in

your career—and in your life.

**Announcement** Gower Publishing, Ltd.

A practical guide to developing a realistic programme of motivation. It describes ways of satisfying sales staff, while at the same time meeting planned objectives. The final chapter is designed to help the reader construct a programme for action in relation to his or her own sales force.

Incentive Awards Program Aspen Publishing

Leading the Global Workforce provides a handy guide for international organizations that must achieve results in managing and sustaining a global workforce. The fourteen illustrative cases outlined address the major concerns—recruiting and developing global leaders, global organizational learning, cross-cultural communication, outsourcing line functions, and managing global careers and transitions—from sixty of the world's best-practice global organizations. Each case shows how the organization advanced a global business strategy with a new initiative in the areas of global leadership development, cultural change, career transition, succession planning, change management, outsourcing, and global performance. In addition, Leading the

Global Workforce also describes the overall strategy, planning, and implementation of the initiative; feedback from participants; and overall evaluation of results. Many of the cases contain competency models, practical tools, instruments, and materials that were most effective.

ESH. Baudville Inc.

Meet your long-term retention goals with the more than 50 techniques included in the "Nurse Retention Toolkit." Use the retention methods that work and are appreciated by your nursing staff.
