Moonlight Sonata SilverTonalities This book contains one of Beethoven's most popular compositions for the piano,

"Moonlight Sonata" in piano tab; a color coded, easy interpretation of piano music that requires little training. The tablature displays right and left hand fingering numbers with red and blue note letters. The Moonlight Sonata book is perfect for the visual learner who would like an additional tool to learn to play this beautiful piece of music. If you're a beginner or intermediate level piano player, you will benefit from this expanded, easy to learn tablature method. Ludwig van Beethoven wrote the Sonata No. 14 Op.27, popularly known as the Moonlight Sonata (Quasi una fantasia) in 1801 when he was in his early thirties. In 1802 Beethoven dedicated this sonata to his pupil, Countess Giulietta Guicciardi. *Moonlight* SilverTonalities The most beautiful classic songs for beginners and intermediate players! The Neil Miller Editions of Analyzed Music are designed to assist piano students with the difficult task of memorizing music for confident performing. Successful memorization requires an understanding of the elements that composers use to create music. The Neil Miller Editions of Analyzed Music are not intended to be your primary source for practicing the composition. There are well-edited

editions of the great music you want to play, with the editor's markings for phrasing, fingering, pedaling, dynamics, touches and tempo. Add to that what you are learning from the Analyzed Music edition and instruction from The Piano Lessons Book, and you'll be prepared for comprehensive memorization. Soon you'll be able to apply the same analytical procedures to any music you want to memorize. In addition, you'll be able to perform from any printed score with ease because of your understanding of how music is put together.

Inspired by Beethoven's Moonlight Sonata, this solo captures the spirit of that piece without the technical difficulties. Written in D minor, the 12/8 meter with the eighth-note ostinato patterns creates the effect of triplets. The melody is treated equally in both hands, beginning first in the right hand and then moving to the left. This provides an opportunity to work on voicing and melodic shaping. Legato pedal helps create the "moonlight" effect.
