Collins IGCSE(R) French provides comprehensive coverage of the Cambridge IGCSE French (0520) syllabus. To support the Student's Book and Workbook, this full and comprehensive Teacher's Guide provides teaching notes and support material to enable teachers to plan and manage their lessons. An indispensable resource for teachers, this Teacher's Guide provides clear and concise notes for all units to support teachers in preparing, planning and managing their lessons. A comprehensive introduction explains the approach of the course and how teachers can make best use of the resources. The units then follow the same structure as the Student's Book, making it easy to use alongside the other resources. There is advice on how to use the Introductory unit as a diagnostic tool at the start of the course, to help assess levels of knowledge within the class. There are also suggestions throughout as to how to work with a mixed ability class, offering differentiated support and activities for all levels. The course can also be used by teachers and students of Cambridge O Level French (3015) and IGCSE (9-1) French (7156).

Collins is working with Cambridge Assessment International Education towards endorsement of this title for teacher support for examination from 2021.

Cambridge IGCSE English as a Second Language Coursebook with Audio CD Hodder Education

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. *Breaking Out of Beginner's Spanish* will be an essential aid in passing the supreme language test—communicating fluently with native speakers.
