"Robin and Sarah haven't spoken in years.

Robin can't leave her house. A complete shut-in, she spends her days spying on her neighbors, subtly meddling in their lives.

But she can't keep her demons out forever. Someone from her past has returned and is desperate to get inside. Sarah can't go home. Her husband has

kicked her out, forcibly denying her access to their toddler. Sarah will do anything to get her daughter back, but she's unraveling under the mounting pressure of concealing the dark secrets of her past.

And her lies are catching up to her"--

The Friendly Dickens Viking Adult

The world's most famous travelling reporter is confused by some very strange goings on involving shattering glass and an packet of cigarettes. But can he solve the mystery in time to protect Professor Calculus? Windows, mirrors and chandeliers are spontaneously shattering

and Tintin is left flummoxed. After a shooting and a break in, Tintin knows Calculus is in danger, but he has only one clue - an unusual packet of cigarettes. He has a mystery to solve. But can he do it before a terrible weapon falls into the wrong hands? Join the most iconic character in comics as he embarks on an extraordinary adventure spanning historical and political events, and thrilling mysteries. Still selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011. The

Adventures of Tintin continue to charm more than 80 years after they first found their way into publication. Since then an estimated 230 million copies have been sold, proving that comic books have the same power to entertain children and adults in the 21st century as they did in the early 20th.

España & Portugal : Strassen- und Reiseatlas Mit Press

You might have read him in class, but the Victorians read Charles Dickens like we watch *Melrose Place*, and *The Friendly Dickens* will show you why. It is the ultimate pop reference to the Dickensian world of shrouded sex and ostentatious death, a book that will have you running in delight to dust off your Dickens. Norrie Epstein--whose *The Friendly Shakespeare* was called by *The New York Times* "spirited, informative and provocative"--opens up Dickens's life and times in all its squalor and glory, including his rise to greatness and occasional lapses from grace. She considers his works, major and minor, in decided lively fashion, not just reading, but reading between the lines:* Was Oliver Twist's Fagin a pederast?* What made A Christmas Carol's Tiny Tim

so darn tiny?* How many of Dickens's child characters met an untimely end? (Hint: plenty.) Full of humor, skepticism, and expert opinions, with eye-catching illustrations, plenty of quotes, and sidebars on nearly every page, you will quickly become a Dickens authority--even if you've never read a word.

Cheers To 70 Years with Love Marsilio Publishers

The Early Grade Reading Assessment (EGRA) measures students' progress towards reading. EGRA gauges early literacy skills through a 15-minute individual oral assessment of five fundamental reading skills. RTI worked with education experts to develop the EGRA in 2006, and it has been piloted and implemented in more than 40 countries. This volume aims to take stock of the substantial amount of information and experience generated through the use of EGRA, and to share this knowledge with practitioners, policymakers, and international donors. Chapters cover not only particular applications of the instrument but also put EGRA in the context of broader issues and developments in literacy and education.

Sophie Scaife and Neil Elwood's relationship changes forever as Sophie tries to adapt to her new lifestyle and Neil prepares for his daughter's wedding.

The Calculus Affair Independently Published

From the recent shootings at Virginia Tech University to the tragedies at Columbine and Oklahoma City, certain common traits can be traced through all of these events. In *Guys and Guns Amok*, media and cultural critic Douglas Kellner provides a fascinating diagnostic reading of these acts of domestic terrorism. Skillfully connecting each case with the current environment for male socialization and the search for identity in an American culture obsessed with guns and militarism, Kellner's work is a sobering reflection on these tragedies and the pervasive power of media and popular culture as well as a wake-up call for the future.

Boys Don't Cry Createspace Independent Publishing Platform

In *Self-Portrait Abroad*, our narrator—a Belgian author much like Toussaint himself—travels the globe, finding the mundane blended everywhere with the exotic: With his usual poker face, he keeps up on Corsican gossip in Tokyo and has a battle of nerves in a butcher shop in Berlin; he wins a boules tournament in Cap Corse, takes in a strip club in Japan's historic Nara, gets pulled through Hanoi on a cycle rickshaw, and has a chance encounter on the road from Tunis to Sfax. Tales of a cosmopolitan at home in a strangely familiar world, *Self-Portrait Abroad* casts the entire globe in a cool but playful light, reminding us that, wherever we go, we take our own eyes with us...

Vulnerability Assessment of Federal Facilities McGraw Hill Professional

In many school districts in America, the majority of students in preschools are children of recent immigrants. For both immigrant families and educators, the changing composition of preschool classes presents new and sometimes divisive questions about educational instruction, cultural norms and academic priorities. Drawing from an innovative study of preschools across the nation, *Children*

Crossing Borders provides the first systematic comparison of the beliefs and perspectives of immigrant parents and the preschool teachers to whom they entrust their children. *Children Crossing Borders* presents valuable evidence from the U.S. portion of a landmark five-country study on the intersection of early education and immigration. The volume shows that immigrant parents and early childhood educators often have differing notions of what should happen in preschool. Most immigrant parents want preschool teachers to teach English, prepare their children academically, and help them adjust to life in the United States. Many said it was unrealistic to expect a preschool to play a major role in helping children retain their cultural and religious values. The authors examine the different ways that language and cultural differences prevent immigrant parents and school administrations from working together to achieve educational goals. For their part, many early education teachers who work with immigrant children find themselves caught between two core beliefs: on one hand, the desire to be culturally sensitive and responsive to

parents, and on the other hand adhering to their core professional codes of best practice. While immigrant parents generally prefer traditional methods of academic instruction, many teachers use play-based curricula that give children opportunities to be creative and construct their own knowledge. Worryingly, most preschool teachers say they have received little to no training in working with immigrant children who are still learning English. For most young children of recent immigrants, preschools are the first and most profound context in which they confront the conflicts between their home culture and the United States.

Policymakers and educators, however, are still struggling with how best to serve these children and their parents. *Children Crossing Borders* provides valuable research on these questions, and on the ways schools can effectively and sensitively incorporate new immigrants into the social fabric.

Rapid Weight Loss Hypnosis For Women
Phaidon Press

The seventh work in the New York Times and #1 internationally bestselling series that started with the Beautiful Bastard, Beautiful Stranger, and Beautiful Player novels. Featuring all the Beautiful characters...plus one tiny new addition to the group. In Beautiful Stranger, finance whiz Sara Dillon met the irresistibly sexy Brit, Max Stella, at a New York City club. Through the series we've watched them learn to balance commitment with their less than private brand of playfulness. In Beautiful Beloved, Max and Sara take it to the next step. But the question is: Will they be able to find a balance between the wild sexcapades they aren't ready to retire, and the demands of parenthood that come along with their new Beautiful bundle of joy? Parenthood: it's not for the weak of heart.

Flat Stanley and the Haunted House

Routledge

When they accidentally swap smartphones at an airport, Madeline Green and Jonathan Lempereur are total strangers. By the time they realize what's happened, they're on opposite sides of the Atlantic, and have begun to learn rather more about each other. Mild curiosity turns to

obsession as their mobiles reveal secrets from their past lives: Jonathan was once a world-famous chef whose glittering career collapsed overnight; Madeline abandoned her police career in the wake of a harrowing case, to become a Parisian florist.

Guys and Guns Amok Mammoth

The Lambchops can't wait to be spooked at a Halloween party! Arthur is excited for the haunted house, and Stanley wants to show off his limbo moves. This easy-to-read story brings Jeff Brown's beloved characters to the world of I Can Read! With simple text and full-color art, this is the perfect choice for Flat Stanley fans of every age.

The This Might Hurt Tarot Guidebook 21st Century Skills Library: R

#1 French Bestselling author of The Reunion 'It's no wonder that Guillaume Musso is one of France's most loved, bestselling authors' Harlan Coben Just a few months ago, Tom Boyd was a multi-million-selling author living in LA, in love

with a world-famous pianist. But after a very public break-up he's shut himself away, suffering from total writer's block, with only drink and drugs for company. One night, a beautiful, naked stranger appears in Tom's house. She claims to be Billie, a character from his novels, who has fallen into the real world because of a printer's error in his latest book. Crazy as her story sounds; Tom comes to see that this must be the real Billie. And she wants to strike a deal with him: if he writes his next novel she can go back to the world of fiction; in return she will help him win back his beloved Aurore. What does he have to lose?
