Its you as an individual and your church. This book will challenge you to take responsibility to grow spiritually, engage the culture, and share the gospel. Further, you will discover the impact of discipleship in the local church by examining mentoring small groups and preaching as relevant means to equip others. In the later chapters of the book, seasoned church ministry leaders with years of experience in making disciples through equipping ministry of the local church share many practical ways to equip others and lead church ministries: childrens ministry youth ministry collegiate ministry mens and womens ministry adult and senior adult ministries. Many ministry leaders do not know how to make disciples. They know, accept, and believe the Great Commission (Matt. 28: 1920). Yet they struggle with practical approaches and methods to carry out a viable equipping ministry. The book will help you elevate the importance of personal growth, making
