What actions are justified when the fate of a nation hangs in the balance, and who can see the best path ahead? Julius Caesar has led Rome successfully in the war against Pompey and returns celebrated and beloved by the people. Yet in the senate fears intensify that his power may become supreme and threaten the welfare of the republic. A plot for his murder is hatched by Caius Cassius who persuades Marcus Brutus to support him. Though Brutus has doubts, he joins Cassius and helps organize a group of conspirators that assassinate Caesar on the Ides of March. But, what is the cost to a nation now erupting into civil war? A fascinating study of political power, the consequences of actions, the meaning of loyalty and the false motives that guide the actions of men, Julius Caesar is action packed theater at its

finest.

Can a man tame an ill-tempered woman?

Petruchio thinks he is up to the task in *The Taming of the Shrew*. William Shakespeare (1564 – 1616) is the most influential writer in English history.

Shakespeare has been called The Barb of Avon and England's national poet. There are 2 narrative poems, 154 sonnets and 38 plays in his collected works. He began work as an actor and writer in London first writing comedies and historic plays. He later wrote tragedies. *Romeo and Juliet*, *MacBeth* and *Othello* are some of his more famous plays. *The Taming of the Shrew* was an early comedy. The play begins with a drunken man who is deceived into thinking he is a nobleman. He then watches this play in which the noble Petruchio married an outspoken ill-tempered woman. Katherine is eventually tamed to the will be Petruchio. The play has been adapted into opera, stage plays and screen plays. Cole

Porter's play *Kiss Me Kate* is one instance

When an essay is due and dreaded exams loom, this title offers students what they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs, and symbols, a review quiz and essay topics. It is suitable for late-night studying and paper writing.

Macbeth Akasha Classics Enlightened sleep practices for the modern mind—now with enhanced content! Available exclusively in this Penguin Deluxe edition:

Experience the author leading you through guided meditation exercises with soothing, original music and gently spoken words—audio embedded seamlessly in the text, right at your fingertips! Press play, sit back, and drift off to a peaceful slumber.

Buddha's Book of Sleep is the first book to address sleep disturbances with techniques from mindfulness meditation. Yet this is a natural choice—mindfulness meditation has proven effective for psychological problems such as stress, depression, and anxiety, and these very issues are what become sleep problems when your head hits the pillow. Divided into two sections, the book approaches sleep deprivation with a combination of wisdom and practical meditation exercises. The first section explains why mindfulness meditation, with its basis in self-awareness, is appropriate for dealing with sleeping problems, and details the practices of this

increasingly popular form of meditation. The second section features seven specific exercises to do at bedtime or in the wee hours of the morning, or whenever your sleeping trouble occurs. Providing a new perspective on why you cannot fall asleep even when you feel exhausted, and arming you with easy-to-use mindfulness meditation exercises, Buddha's Book of Sleep will help you calm your hurried thoughts, and go from feeling always sleepy to getting the rest you need.

Sonnets Simon and Schuster

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known.

Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Study and Revise for GCSE: Macbeth

SparkNotes

Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a

desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his

goaded wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

Macbeth Hodder Education

Reading God's will and a man's Last Will as ideas that reinforce one another, this study shows the relevance of England's early modern crisis, regarding faith in the will of God, to current debates by legal academics on the theory of property and its succession. The increasing power of the dead under law in the US, the UK, and beyond-a

concern of recent volumes in law and social sciences- is here addressed through a distinctive approach based on law and humanities. Vividly treating literary and biblical battles of will, the book suggests approaches to legal constitution informed by these dramas and by English legal history. This study investigates correlations between the will of God in Judeo-Christian traditions and the Last Wills of humans, especially dominant males, in cultures where these traditions have developed. It is interdisciplinary, in the sense that it engages with the limits of several fields: it is informed by humanities critical theory, especially Benjaminian historical materialism and Lacanian psychoanalysis, but refrains from detailed theoretical considerations. Dramatic narratives from the Bible, Shakespeare, and Milton are read as suggesting real possibilities for alternative inheritance (i.e., constitutional) regimes. As Jenkins shows, these texts propose ways to alleviate violence, violence both personal and political, through attention to inheritance law.

Julius Caesar. King Lear
Routledge

A thorough and scholarly study of Spenser and Shakespeare and their contrary artistry, covering themes of theology, psychology, the depictions of passion and intellect, moral counsel, family hierarchy, self-love, temptation, folly, allegory, female heroism, the supernatural and much more. Renaissance psychologies examines the distinct and polarised emphasis of these two towering intellects and writers of the early modern period. It demonstrates how pervasive was the influence of Spenser on Shakespeare, as in the "playful metamorphosis of Gloriana into Titania" in *A Midsummer Night's Dream* and its return from Spenser's moralizing allegory to the Ovidian spirit of Shakespeare's comedy. It will appeal to students and lecturers in Spenser studies, Renaissance poetry and the wider fields of British literature, social and cultural history, ethics and theology.

The Taming of the Shrew
Penguin

This collection re-imagines the study of English and media in a way that decentralises the

text (e.g. romantic poetry or film noir) or media formats/platforms (e.g. broadcast media/new media). Instead, the authors work across boundaries in meaningful thematic contexts that reflect the ways in which people engage with reading, watching, making, and listening in their textual lives. In so doing, this project recasts both subjects as combined in a more reflexive, critical space for the study of our everyday social and cultural interactions. Across the chapters, the authors present applicable learning and teaching strategies that weave together art works, films, social practices, creativity, 'viral' media, theater, TV, social media, videogames, and literature. The culmination of this range of strategies is a reclaimed 'blue skies' approach to progressive textual education, free from constraining shackles of outdated ideas about textual categories and value that have hitherto alienated generations of students and both English and media from themselves. Academy and Literature
HarperCollins
Since about 1960, when five-act division in

Shakespeare's plays was strongly disputed, most critics have focused on individual scenes rather than holistic form. This book argues for Shakespeare's use of five acts, arranged in three cycles to form a 2-1-2 pattern. It also examines the role of multiple plots and centers of consciousness, especially in the festive comedies and romances. Additionally, it traces Shakespeare's gradual mastery of the art of epiphany, compares it to Spenser's complementary focus on transcendent reality, and traces in *Macbeth* the dark mode of Shakespeare's dramaturgical pattern.

Macbeth Book Jungle
This volume offers a wealth of critical analysis, supported with ample historical and bibliographical information about one of Shakespeare's most enduringly popular and globally influential plays. Its eighteen new chapters represent a broad spectrum of current scholarly and interpretive approaches, from historicist criticism to performance theory to cultural studies. A substantial section addresses early modern themes, with attention to

the protagonists and the discourses of politics, class, gender, the emotions, and the economy, along with discussions of significant 'minor' characters and less commonly examined textual passages. Further chapters scrutinize *Macbeth*'s performance, adaptation and transformation across several media—stage, film, text, and hypertext—in cultural settings ranging from early nineteenth-century England to late twentieth-century China. The editor's extensive introduction surveys critical, theatrical, and cinematic interpretations from the late seventeenth century to the beginning of the twenty-first, while advancing a synthetic argument to explain the shifting relationship between two conflicting strains in the tragedy's reception. Written to a level that will be both accessible to advanced undergraduates and, at the same time, useful to post-graduates and specialists in the field, this book will greatly enhance any study of *Macbeth*.

It's a comedy! It's a tragedy! It's...confusing! Shakespeare doesn't have to be confusing and hard to read. Let BookCaps help with this modern retelling. If you have

struggled in the past reading Shakespeare, then BookCaps can help you out. This book is a modern translation of All's Well That Ends Well. The original text is also presented in the book, along with a comparable version of both text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

[Is This a Dagger Which I See Before Me?](#) Castrovilli Giuseppe

This is the most extensively annotated edition of Macbeth currently available, offering a thorough reconsideration of one of Shakespeare's most popular plays. A full and accessible introduction studies the immediate theatrical and political contexts of Macbeth's composition, especially the Gunpowder Plot and the contemporary account of an early performance at the Globe. It treats such celebrated issues as whether the Witches compel Macbeth to murder; whether Lady Macbeth is herself a witch; whether Banquo is

Macbeth's accomplice in crime and what criticism is levelled against Macduff. An extensive, well-illustrated account of the play in performance examines several cinematic versions, such as those by Kurosawa and Roman Polanski, and other dramatic adaptations. Several possible new sources are suggested, and the presence of Thomas Middleton's writing in the play is proposed. Appendixes contain additional text and accompanying music.

Manhood and Masculine Identity in William Shakespeare's The Tragedy of Macbeth Yale University Press

Maria Howell's, Manhood and Masculine Identity in William Shakespeare's The Tragedy of Macbeth, is an important and compelling scholarly work which seeks to examine the sixteenth century's greatest concern, echoed by Hamlet himself, "What is a man?" In an attempt to analyze the concept of manhood in Macbeth, Howell explores the contradictions and ambiguities that underlie heroic notions of masculinity dramatized throughout the play. From Lady Macbeth's capacity

to control and destroy Macbeth's masculine identity, to Macbeth himself, who corrupts his military prowess to become a ruthless and murderous tyrant, Howell demonstrates that heroic notions of masculinity not only reinforce masculine power and authority,

paradoxically, these ideals are also the source of man's disempowerment and destruction. Howell argues that in an attempt to attain a higher principle, the means (violence and destruction) and the ends (justice and peace) become fused and

indistinguishable, so that those values that inform man's actions for good no longer provide moral clarity. Howell's poignant and timely analysis of manhood and masculine identity in Shakespeare's Macbeth will no doubt resonate with readers today.
