"Caryl Churchill is a dramatist who must surely be amongst the best half-dozen now writing? a playwright of genuine audacity and assurance, able to use her considerable wit and intelligence in ways at once unusual, resonant and dramatically riveting."?Benedict Nightingale From Love and Information: SEX
What sex evolved to do is get information from two sets of genes so you get offspring that's not identical to you. Otherwise you just keep getting the same thing over and over again like hydra or starfish. So sex essentially is information. You don't think that while we're doing it do you? It doesn't hurt to know it. Information

and also love. If you're lucky. In this fast-moving kaleidoscope, more than one hundred characters try to make sense of what they know. Declared "the greatest living English playwright" by Tony Kushner, Caryl Churchill will premiere this latest work at London's Royal Court in fall 2012. Caryl Churchill is one of the most influential playwrights of our time. She is the author of more than twenty plays, including *Seven Jewish Children*, *Drunk Enough to Say I Love You*, *Top Girls*, *This is a Chair*, *Far Away*, *A Number*, *Cloud Nine*, and *Serious Money*.
