My Voice Will Go with You Hay House, Inc This package includes the complete two-volume set of 1 Peter and 2 Peter & Jude from the MacArthur

New Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. These commentaries from respected Bible scholar and preacher John MacArthur give a verse-by-verse analysis in context and provide points of application for passages, illuminating the biblical text in

practical and relevant ways. In 1 Peter, MacArthur demonstrates how this letter, written to persecuted believers scattered throughout Asia Minor, speaks to faithful Christians suffering today. Even when believers face trials and adversity, they can rest in their salvation, live out their testimony, and look forward to Jesus' return. In 2 Peter & Jude, both letters

address the need to combat false teaching and to strengthen believers in the truth. In a day when sound doctrine is devalued, MacArthur's analysis of these warnings has never been more needed. ¡Gol! 15 - ¡No te rindas, Tomi! Thieme This book offers you, the reader, a thoughtful and inspired formula for generating appreciation, happiness,

and good feelings—deftly blended into the uplifting story of a plucky, inquisitive girl named Sara; and her teacher, an ethereal owl named Solomon. There's something in Sara for any child, adult, or teen pursuing joy and meaning . . . and searching for answers about life, death, and the desires of the heart. It's filled with techniques and processes for making one's dreams come true . . .

especially yours! Sara and Solomon will delight and enchant you! Never Let Me Go Dark Horse Comics This compelling, highly readable book focuses on the men who shaped the events that led to secession and the Civil War. Secessionists tore at the bonds that bound Americans to one another and their government as they maligned Northerners and found

sinister intent in federal policy. But equally as adamant on the opposite side were the determined abolitionists and others in the North who sought to hold the Union together. Tariffs, the loss of political power, and the antislavery movement were all taking their toll on the South, but it took specific individuals and groups to bring to action the causes they believed in and thus to alter the

course of history. The Men of Secession and Civil War, 1859-1861 traces the period from John Brown's 1859 Harper's Ferry raid to the Confederate attack on Fort Sumter and the subsequent secession of the Upper South states in April 1861. The cast of characters in this book includes abolitionists John Brown and Salmon P. Chase; President Abraham Lincoln; U.S.

Senator Stephen Douglas; Andrew Johnson, whom Lincoln named his vice president in 1864; secessionists Jefferson Davis, Roger Taney, and Barnwell Rhett; John Breckenridge, the 1860 presidential nominee of the Southern Democratic Party; and Tennessee Senator John Bell. The Men of Secession and Civil War is a useful volume for Civil War courses.
