The Princess Diaries, Volume 7 and a Half: Sweet Sixteen Princess  
 Harper Collins  
 Mia and Michael are finally an item, but her totally out-of-control Grandmere seems to have other plans . . . Just before the happy couple's first hot date, an unmissable royal engagement turns up. Could it be that Michael doesn't measure up - and that (please not!) Grandmere's got someone else in mind for Princess Amelia Mignonette Grimaldi Thermopolis Renaldo? Previously published as *Mia Goes Fourth*, *Royally Obsessed* is the fourth novel in the hilarious, bestselling *The Princess Diaries* series by Meg Cabot - with a gorgeous cover to celebrate the series's fifteenth anniversary. PRAISE FOR MEG CABOT "There is a school of thought that says reading should be entertaining, and this is exactly what Meg Cabot produces for us: fun. She is the master of her genre; she is the George Bernard Shaw, if not the George Eliot of [her genre]." Publishers Weekly "Cabot has . . . an off-the-wall sense of humor that will have readers laughing out loud and a knack for

creating fully realized characters that readers will miss when the story ends." Booklist

*Mia Goes Fourth* Harper Collins

From the #1 New York Times bestselling author of the *Princess Diaries* series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a

royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she’s not only ready to wed, but ready to rule as well?

*The Princess Diaries, Volume IV: Princess in Waiting* MACMILLAN  
What on earth is that princess up to now? Hammer in hand, Princess Mia embarks on an epic adventure for one so admittedly unhandy: Along with her cohorts from school, she's off to build houses for the less fortunate. It doesn't take Mia long to realize that helping others -- while an unimpeachably noble pastime -- is very hard work. Will her giving spirit prevail? Will the house collapse due to royally clumsy construction? And most importantly, will Michael stop working long enough to kiss her? What comes between Volumes IV and V of *The Princess Diaries*? Volume IV and a Half, of course!

*From the Notebooks of a Middle School Princess* Harper Collins  
Princess Mia is introduced to her Genovian subjects, and more importantly, she goes out on a date.

Having recently discovered she is the sole heir to the throne of a tiny European principality, fourteen-year-old Manhattan resident Mia writes in her journal about her attempts to cope with this news, as well as with more typical teenage concerns.

**Princess in Waiting** Harper Collins  
What? A princess Me Yeah, right. Mia Thermopolis is pretty sure there's nothing worse than being a five-foot-nine, flat-chested freshman, who also happens to be flunking Algebra. Is she ever in for a surprise. First Mom announces that she's dating Mia's Algebra teacher. Then Dad has to go and reveal that he is the crown prince of Genovia. And guess who still doesn't have a date for the Cultural Diversity Dance?

*The Princess Diaries, Volume II: Princess in the Spotlight* Harper Collins  
The fifth book in the #1 New York Times bestselling *Princess Diaries* series by Meg Cabot. In her heart of hearts, Mia has but one wish: an evening spent with Michael in a tux and a corsage on her wrist—in other words, the prom. Michael, however, does not seem to share the dream that is the prom. Worse still, a service workers' strike (with Grandmère and Lilly at the heart of it and on opposite sides) threatens the very existence of this year's prom. Will the strike end in time? Can Mia talk Michael out of his anti-prom views? Most importantly, will Mia get to wear her pink prom dress? *Princess in Pink* is the fifth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

*Royal Wedding* Harper Collins  
The second book in the #1 New York Times bestselling *Princess Diaries* series by Meg Cabot. Just when Mia thought she had the whole princess thing under control, things get out of hand, fast. First there’s an unexpected announcement from her mother. Then Grandmère arranges a national primetime interview for the brand-new crown princess of Genovia. On top of that, intriguing, exasperating letters from a secret admirer begin to arrive. Before

she even has the chance to wonder who those letters are from, Mia is swept up in a whirlwind of royal intrigue the likes of which she’s never before witnessed. *Princess in the Spotlight* is the second book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

*The Princess Present: A Princess Diaries Book* Macmillan Children's Books  
The eighth book in the #1 New York Times bestselling *Princess Diaries* series by Meg Cabot. At last, Mia is a junior. An upperclassperson. So why is it that everything is going so terribly wrong? What is she doing in *Intro to Creative Writing*? When she has made it through Algebra and Geometry, why must she be faced with Precalculus? All this is nothing compared to the news Michael springs on her, however. Her beloved boyfriend could be leaving for Japan for a year—or more! Precalc has nothing on preparing for the worst separation ever! Turns out there is one way she might convince Michael to stay. But will she? Or won't she? No matter what, Mia seems headed for disaster. *Princess on the Brink* is the eighth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

Princess just want to have fun This spring, Mia's determined to have a good time, despite the fact that the student government over which she presides is suddenly broke. Fortunately (or unfortunately, depending on how you look at it) Grandmère has an elaborate scheme to simultaneously raise money, catapult Mia to theatrical fame, and link her romantically with an eligible teen bachelor, not her boyfriend. It's no wonder that Michael, the love of her life, seems to think she's a psycho, or worse: not much fun. Is it possible that Mia, soon-to-be star of the stage, president of the student body, and future ruler of Genovia, doesn't know how to party?

*The Princess Diaries, Volume X: Forever Princess* Pan Macmillan  
Sixteen is the magic number Mia doesn't always have the best luck with parties, so even though it's her sweet sixteenth, she doesn't want a birthday bash. As usual, Grandmère has other ideas, and thinks a reality TV special is just the thing in order to celebrate royally. The whole scheme smacks of Lilly's doing -- Lilly, whose own TV show is still only limited to local cable viewers. Will Mia be able to stop Grandmère's plan? Will her friends ever forgive her if she does stop it, since it involves all of them taking the royal jet to Genovia for an extravaganza the likes of which would turn even Paris Hilton green with envy? Why can't Mia get what she really wants: an evening alone with Michael? With a little luck, this sweet sixteen princess might just get her wish -- a birthday that's royally romantic.

*Princess in Waiting* Pan Macmillan  
The tenth book in the #1 New York Times bestselling *Princess Diaries* series by Meg Cabot. It's Mia's senior year, and things seem great. She aced her senior project, got accepted to her dream college(s), and has her eighteenth birthday gala coming up . . . not to mention prom, graduation, and Genovia's first-ever elections. What's not to love about her life? Well . . . everyone adores her dreamy boyfriend, J.P., but Mia is not sure he's the one. Her first love, Michael, is back from Japan . . . and back in her life. That senior project? It's a romance novel she secretly wrote, and no one wants to publish it. And her father is losing in the Genovian polls—to Mia's loathsome cousin René! With not just Genovia's but her own future hanging in the balance, Mia's got some choices to make. And what she decides might

determine not just the next four years but . . . forever! Forever Princess is the tenth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

The Princess Diaries Harper Collins

The ninth book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. Mia has been invited to speak at a gala for Domina Rei, an elite society of powerful businesswomen. But what could she possibly have to say? Michael has broken up with her, her bff Lilly won't speak to her, and her parents are forcing her to see a therapist. Even J.P.'s efforts to cheer Mia up (he's being really sweet!) aren't helping. Just when things couldn't get worse, Mia discovers a long—forgotten diary of a teenage princess of Genovia. It could be just the inspiration Mia needs to write her speech—but what it reveals might change everything. Princess Mia is the ninth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.
