AudioLearn's DSM V Audio Crash Course supports your studies, helps with test preparation, and provides a comprehensive audio review of the DSM V manual for students or health professional interested in diagnosing mental health disorders.

AMLS: Advanced Medical Life Support Penguin

AMLS: Advanced Medical Life Support is the leading course for prehospital practitioners in advanced medical assessment and treatment of commonly encountered medical conditions. Taught across the globe since 1999, AMLS was the first EMS education program that fully addressed how to best manage patients in medical crises. Created by the National Association of Emergency Medical Technicians (NAEMT) and endorsed by the National Association of EMS Physicians (NAEMSP), AMLS emphasizes the use of the AMLS Assessment Pathway. This essential assessment tool empowers prehospital practitioners to rapidly diagnose medical patients and initiate effective management in the field. AMLS is the only textbook approved for use in NAEMT's Advanced Medical Life Support course. Its medical content is continuously revised and updated to reflect current, evidence-based knowledge and practice. The AMLS philosophy is centered on using critical thinking to assess patients and formulate management plans. A Clear Approach to Assessing a Medical Patient In the field, seconds count. The AMLS Assessment Pathway provides a systematic approach to the assessment of a medical patient that enables prehospital practitioners to diagnose medical patients with urgent accuracy. Dynamic Technology Solutions World-class content joins instructionally sound design with a user-friendly interface to give instructors and students a truly interactive and engaging learning experience with: eBook of the AMLS Course Manual that reinforces key concepts presented in the AMLS course Engaging case-based lectures in the AMLS Online Instructor Toolkit
EMT-B Jones & Bartlett Learning

Developed in partnership with the National Ski Patrol, Outdoor Emergency Care: A Patroller's Guide to Medical Care, Sixth Edition, is designed to prepare first responders to handle any medical situation in the outdoor environment, during all seasons. The Sixth Edition features: A straightforward, consistent patient assessment process. The patient assessment process is presented in the same way patients are assessed in the health care system. Flowcharts are provided throughout the Patient Assessment chapter to keep the reader focused on each step of the process. Up-to-date content. As you read through each chapter, you will find new information that is current with present prehospital patient care. Subject matter that meets and, in many cases, exceeds the National Emergency Medical Responder criteria. Information unique for ski and bicycle patrollers, including extrication, is included. This material is presented in a format that combines the disciplines of urban EMS and wilderness medical rescue. Continuous case studies. A continuous case study is included in each chapter to encourage critical thinking and application of the information as readers progress through the chapter. End-of-chapter review questions. The review questions included at the end of each chapter allow students to evaluate the knowledge they have gained while reading the chapter. Focus on learning objectives. Specific objectives listed at the beginning of each chapter tell students at the outset what they are expected to learn as they move through the chapter.

[Paramedic Exam Secrets Study Guide](#) Jones & Bartlett Learning

From #1 bestselling author Lisa Scottoline comes a pulse-pounding new novel. Your family has been attacked. Now you have to choose between law... and justice. Jason Bennett is a suburban dad whose life takes a horrific turn. He is driving his family home when a pickup truck begins tailgating them. Suddenly two men jump from the pickup and pull guns on Jason, demanding the car. A horrific flash of violence changes his life forever. Later that awful night, Jason and his family receive a visit from the FBI. The agents tell them that the carjackers were members of a dangerous drug-trafficking organization — and now Jason and his family are in their crosshairs. The agents advise the Bennetts to enter the witness protection program. But WITSEC was not designed to protect law-abiding families. Trapped in an unfamiliar life, the Bennetts begin to fall apart at the seams. Then Jason learns a shocking truth and realizes that he has to take matters into his own hands. Sometimes justice is a one-man show.

[Scars and Stripes](#) Simon and Schuster

Legendary detectives Leaphorn and Chee are pulled into mysteries old and new in this haunting tale of obsessive greed, lost love, and murder from the “national literary and cultural sensation” (Los Angeles Times)—New York Times bestselling author Tony Hillerman. “Tony Hillerman’s novels are like no others. His insightful portrayal of the vast Navajo Reservation, the spirit-haunted people who inhabit it and the clash between ancient traditions and modern civilization that has shaped its present and will determine its future has produced a body of work unique in mystery fiction.”—San Diego Union-Tribune To Officer Bernie Manuelito the man curled on the truck seat was just another drunk—which got Bernie in trouble for mishandling a murder scene—which got Sgt. Jim Chee in trouble with the FBI—which drew ex-Lieutenant Joe Leaphorn out of retirement into an old crime he longed to forget. Legends of the area’s lost gold mines join the mountains and canyons of the Navajo Reservation as elements of Hillerman’s plot, but this tale turns on an obsessive love and memories of a missing woman’s voice wailing in the darkness.

[A Thousand Naked Strangers](#) Gareth Stevens Publishing

"From decorated Green Beret sniper, UFC headliner, and all around badass, Tim Kennedy, a rollicking, inspirational memoir offering lessons in how to embrace failure and weather storms, in order to unlock the strongest version of yourself. Tim Kennedy has a problem; he only feels alive right before he's about to die. Kennedy, a Green Beret, decorated Army sniper, and UFC headliner, has tackled a bull with his bare hands, jumped out of airplanes, dove to the depths of the ocean, and traveled the world hunting poachers, human traffickers, and the Taliban. But he's also the same man who got kicked out of the police department, fire department, and as an EMT, before getting two women pregnant four days apart, and finally, been beaten up

by his Special Forces colleagues for, quite simply, "being a selfish asshole." In Scars and Stripes, Kennedy describes how these failures shaped him into the successful businessman and devoted husband and father he is today. Through unbelievably vivid, wild anecdotes Kennedy reveals all the dumb, violent, embarrassing, and undeniably heroic things he's done in his life, including multiple combat missions in Afghanistan, building a school in Texas for elementary kids, and creating two-multimillion-dollar businesses. You will learn that failure isn't the end-rather it's the first step towards unearthing the best version of yourself and finding success, no matter how overwhelming the setbacks may feel"--

[The Wailing Wind](#) Jones & Bartlett Learning

In the new Secret, Book, and Scone Society novel from New York Times bestselling author Ellery Adams, the rain in Miracle Springs, North Carolina, has been relentless—and a flood of trouble is about to be unleashed . . . Nora Pennington figures all the wet weather this spring is at least good for business. The local inns are packed with stranded travelers, and among them Nora finds new customers for her store, Miracle Books. Since a little rain never hurt anyone, Nora rides her bike over to the flea market one sodden day and buys a bowl from Danny, a Cherokee potter. But the next day, after Miracle River overflows its banks, and Danny’s body is found floating within the churning waters, Nora decides it’s time for the Secret, Book, and Scone Society to spring into action. A crucial clue may lie within the stone walls of the Inn of Mist and Roses: a diary, over a century old and spattered with candle wax, that leads Nora and her friends through a maze of intrigue—and onto the trail of a murderer . . . “A love letter to reading, with sharp characterizations and a smart central mystery.” —Entertainment Weekly on The Whispered Word

[Fahrenheit 451](#) Harper Collins

In 1971, the American Academy of Orthopaedic Surgeons (AAOS) published the first edition of Emergency Care and Transportation of the Sick and Injured and created the backbone of EMS education. Now, the Tenth Edition of this gold standard training program raises the bar even higher with its world-class content and instructional resources that meet the diverse needs of today's educators and students. Based on the new National EMS Education Standards, the Tenth Edition offers complete coverage of every competency statement with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking. The experienced author team and AAOS medical editors have transformed the Education Standards into a training program that reflects current trends in prehospital medicine and best practices. New cognitive and didactic material is presented, along with new skills and features, to create a robust and innovative training solution for your course that will engage student's minds. Interactive resources, including online testing and assessment materials, learning management system, and eLearning student resources, allow you the flexibility to build the course that works best for you and your students. The Tenth Edition is the only way to prepare EMT students for the challenges they will face in the field.

[Medical Terminology For Dummies](#) St. Martin's Press

A New York Times Book Review Editors' Choice A breathtaking love story—a saga of passion, tenacity, and hope in the face of disaster We first meet Zwazo Delalun, or Zo, during his childhood, in the 1990s, in a fishing village on the western tip of Haiti. An orphan, he travels the island in his youth, finding work wherever he can. One morning, while hauling cement in the broiling sun, he meets Anaya, a nursing student who is sipping cherry juice under a tree. Their attraction is instantaneous, fierce; what grows between them feels like the destiny-changing love Zo has yearned for. But Anaya’s father, protective and ambitious on behalf of his only daughter, cannot accept that a poor, uneducated man such as Zo is good enough for her, and he sends Anaya away to Port-au-Prince. Then something even more shattering happens: a massive earthquake churns the ground beneath the capital city, forever altering the course of life for those who survive. At once suspenseful, heartrending, and gorgeously lyrical, Zo is an unforgettable journey of heroism, grief, redemption, and persistence against all odds.

[Emergency Care](#) Princeton Review

An all-new edition of the tragicomic smash hit which stormed the New York Times bestseller charts, now featuring an introduction from Markus Zusak. In his first book for young adults, Sherman Alexie tells the story of Junior, a budding cartoonist who leaves his school on the Spokane Indian Reservation to attend an all-white high school. This heartbreaking, funny, and beautifully written tale, featuring poignant drawings that reflect the character's art, is based on the author's own experiences. It chronicles contemporary adolescence as seen through the eyes of one Native American boy. 'Excellent in every way' Neil Gaiman Illustrated in a contemporary cartoon style by Ellen Forney.

[Sanders' Paramedic Textbook](#) Simon and Schuster

Think back to a time when paramedics didn't exist. When “drivers” simply brought injured patients to the hospital. When the EMS industry was in its infancy. A time before Nancy Caroline. Dr. Caroline’s work transformed EMS and the entire paramedic field. She created the first national standard curriculum for paramedic training in the United States. She also wrote the first paramedic textbook: Emergency Care in the Streets. The impact that Dr. Caroline had on EMS and health care spanned across the U.S. and abroad. From establishing EMS systems to training paramedics, to providing better nourishment and health care for orphans, her work had a profound impact on humanity. Throughout her life, Dr. Caroline brought a sense of excitement, joy, and humor to her work. The American Academy of Orthopaedic Surgeons is proud to continue Dr. Caroline’s legacy. Her sense of excitement and humor live on in this text, which is dedicated to her. The Sixth Edition honors Dr. Caroline’s work with a clear, fun, understandable writing style for which she was known. Welcome back a familiar training companion to your classroom! Say hello to Sidney Sinus, AV Abe, and a cast of memorable characters and amusing anecdotes. Make learning for your students more fun!

[Emergency Care](#) Bedford Square Publishers

The National Fire Protection Association (NFPA) And The International Association of Fire Chiefs (IAFC) are pleased to bring you the Second Edition of Fire Officer: Principles and Practice, a modern integrated teaching and learning system For The Fire Officer I and II levels.
