India has a rich literary assemblage produced by its many different regional traditions, religious faiths, ethnic subcultures and linguistic groups. The published literature of the 20th century is a particularly interesting subject and is the focus of this book, as it represents the provocative conjuncture of the transitions of Indian modernity. This reference book surveys the major regional literatures of contemporary India in the context of the country's diversity and heterogeneity. Chapters are devoted to particular regions, and the arrangement of the work invites comparisons of literary traditions. Chapters provide extensive bibliographies of primary works, thus documenting the creative achievement of numerous contemporary Indian authors. Some chapters cite secondary works as well, and the volume concludes with a list of general works providing further information. An introductory essay overviews theoretical concerns, ideological and aesthetic considerations, developments in various genres, and the history of publishing in regional literatures. The introduction provides a context for approaching the chapters that follow, each of which is devoted to the literature of a particular region. Each chapter begins with a concise introductory section. The body of each chapter is structured according to social and historical events, literary forms, or broad descriptive or analytic trends, depending on the particular subject matter. Each chapter then closes with an extensive bibliography of primary works, thus documenting the rich literary tradition of the region. Some chapters

also cite secondary sources as an aid to the reader. The final chapters of the book address special topics, such as sub-cultural literatures, or the interplay between literature and film. A list of additional sources of general information concludes the volume.

Focusing on NGOs that work in the areas of rural development, women, and children, the authors' goal is to shed light on the contributions of the sector in the spheres of social welfare, empowerment, service, and rural development. In addition, the problems and difficulties experienced by NGOs are analyzed and explained. This important new book traces the rise of NGOs in India and their transformation over the years, revealing the importance of NGOs in India's development after Independence. Beginning with a detailed history of voluntarism in India and examination of NGOs around the world, the authors provide the framework for examining NGOs in India as a force contributing to development. They then focus on partnerships and cooperation between NGOs and the government, advocacy and policy implications of NGO activity, accountability within organizations, approaches to problems and delivery of services, NGO life cycles, and the need for a code of ethics within

NGOs. Case studies on NGOs designed to assist women, children, and rural development are presented and discussed in the context of development in general and improving the quality of life for all Indian citizens. "Elizabeth Webster is a cantankerous spinster pushing seventy. Forced out of her school-teaching job, she unleashes her sharp tongue and dogmatic opinions on everyone in the English village of Little Blessington." "Then one cold spring night, sitting on the sofa alone, she grinds to a dead halt. To recover from this mysterious, near-fatal illness, her doctor sends her on a journey to a North African country where she ventures into the desert and has a brush with terrorism. Miss Webster, however, no longer cares about anything, least of all Islamic politics and suicide bombers." "Three weeks after her return there is a ring on her doorbell. Standing there in the gusty darkness is a young Arab man

of astonishing beauty. Worryingly, he is carrying a large suitcase. But who is Cherif? Why is he there and what does he want?" "Patricia Duncker's new novel is a comedy of errors set in the aftermath of 9/11, in a darkening world moving towards war. This tale about friendship, trust and liberation is full of reversals and surprises, tenderness and humour."--BOOK JACKET.
