Second Career Volunteer Ashgate Publishing, Ltd.

Much of the criticism on Stephenie Meyer's immensely popular 'Twilight' novels has underrated or even disparaged the books while belittling the questionable taste of an audience that many believe is being inculcated with anti-feminist values. Avoiding a repetition of such reductive critiques of the series's purported shortcomings with respect to literary merit and political correctness, this volume adopts a cultural studies framework to explore the range of scholarly concerns awakened by the 'Twilight' novels and their filmic adaptations. Contributors examine 'Twilight's' debts to its predecessors in young adult, vampire, and romance literature; the problems of cinematic adaptation; issues in fan and critical reception in the United States and Korea; and the relationship between the series and contemporary conceptualizations of feminism, particularly girl culture. Placing the series within a broad tradition of literary history, reception studies, and filmic adaptation, the collection offers scholars the opportunity to engage with the books' importance for studies of popular culture, gender, and young adult literature.

The Strand Magazine Simon and Schuster

But for a recent occurrence I should certainly not be telling the story of a friend, or, rather, I should say, of two friends of mine. What that occurrence was I will not here indicate—it is unnecessary; but it has not been without its effect upon my life and plans. If it be asked by those who may read these pages under what circumstances it became possible for me to acquire such familiarity with certain scenes and incidents in the lives of one man and one woman, -scenes and incidents which, from their very nature, were such that no third person could figure in them, -I have only to explain that Grant Harlson and I were friends from boyhood, practically from babyhood, and that never, during all our lives together, did a change occur in our relationship. He has told me many things of a nature imparted by one man to another very rarely, and only when each of the two feels that they are very close together in that which sometimes makes two men as one. He was proud and glad when he told me these things—they were but episodes, and often trivial ones—and I was interested deeply. They added the details of a history much of which I knew and part of which I had guessed a

Bibliographic Guide to Womens Studies 1998 St. Martin's Paperbacks

A wake-up call to Americans who have long been deluded by the dangerous twenty-first hucksters of longevity. "If old age isn't for sissies, neither is Susan Jacoby's tough-minded and important book ... which demolishes popular myths that we can 'cure' the 'disease' of aging."—The Washington Post Combining historical, social, and economic analysis with personal experiences of love and loss, Jacoby reveals the hazards of the magical thinking that prevents us from facing the genuine battles of growing old. *Never Say Die* speaks to Americans, whatever their age, who draw courage and hope from facing reality instead of embracing platitudes and delusions, and who want to grow old with dignity and purpose. It is a life-affirming and powerful message that has never been more relevant.

Animals and Women AuthorHouse

When Mrs. Sorensen's husband dies, she rekindles a long-dormant love with an unsuitable mate in "Mrs. Sorensen and the Sasquatch." In "Open the Door and the Light Pours Through," a young man wrestles with grief and his sexuality in an exchange of letters with his faraway beloved. "Dreadful Young Ladies" demonstrates the strength and power—known and unknown—of the imagination. In

"Notes on the Untimely Death of Ronia Drake," a witch is haunted by the deadly repercussions of a spell. "The Insect and the Astronomer" upends expectations about good and bad, knowledge and ignorance, love and longing. The World Fantasy Award-winning novella "The Unlicensed Magician" introduces the secret magical life of an invisible girl once left for dead—with thematic echoes of Barnhill's Newbery Medal-winning novel, *The Girl Who Drank the Moon*. With bold, reality-bending invention underscored by richly illuminated universal themes of love, death, jealousy, and hope, the stories in *Dreadful Young Ladies* show why its author has been hailed as "a fantasist on the order of Neil Gaiman" (Minneapolis Star Tribune). This collection cements Barnhill's place as one of the wittiest, most vital and compelling voices in contemporary literature.

The Standard Farrar, Straus and Giroux

In September 1979, there was a cosmic shift that went unnoticed by the majority of mainstream America. This shift was triggered by the release of the Sugarhill Gang's single, *Rapper's Delight*. Not only did it usher rap music into the mainstream's consciousness, it brought us the word "hip-hop." *And It Don't Stop*, edited by the award winning journalist Raquel Cepeda, with a foreword from Nelson George is a collection of the best articles the hip-hop generation has produced. It captures the indelible moments in hip-hop's history since 1979 and will be the centerpiece of the twenty-fifth-anniversary celebration. This book epitomizes the media's response by taking the reader on an engaging and critical journey, including the very first pieces written about hip-hop for publications like *The Village Voice*—controversial articles that created rifts between church and state, the artist and journalist, and articles that recorded the rise and tragic fall of the art form's appointed heroes, such as Tupac Shakur, Eazy-E, and the Notorious B.I.G. The list of contributors includes Toure, Kevin Powell, dream hampton, Harry Allen, Cheo Hodari Coker, Greg Tate, Bill Adler, Hilton Als, Danyel Smith, and Joan Morgan.

Never Say Die Macmillan Reference USA

Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and inclusivity in popular culture as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played, both in the spotlight and behind it, throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the #MeToo movement, and the gender pay gap.

The Lives of Helen Jewett, and Richard P. Robinson Xlibris Corporation

This book unites lexicography with theoretical linguistics. The two fields tend to ignore each other: lexicographers produce dictionaries, linguists grammars. As a result grammars and dictionaries are often discordant and sometimes glaringly incompatible. In *Systematic Lexicography* Juri Apresjan shows the insights linguistics has to offer lexicography, and equally that the achievements and challenges of lexicography provide a rewarding field for linguistic inquiry. The author presents the vocabulary of a language as a complicated system reflecting a specific view of the world. He does so within an integrated theory of language, in which grammatical and lexical meanings, and the conceptualizations underlying them, blend and interact. Each lexeme, he argues, is a point of intersection of various lexicographic types classes of lexemes with shared semantic, syntactic, pragmatic or mental properties, that are sensitive to the same rules, and which should thus be

uniformly described in the dictionary. When any lexeme is viewed against the whole set of linguistic rules, new facets emerge, and these reveal, he shows, key characteristics of words that dictionaries do not currently record. Professor Apresjan not only presents an original, unified theory of language, inspired by the Moscow school of semantics. He also works out its consequences and describes the problems he faced in applying it to the description of Russian. The reader will find that travelling with the author through Russian semantic space is both enlightening and entertaining. The books wealth of lexical facts, illuminated by systematic thought, give it unique character and importance: it will be of great interest to theoretical linguists and to all concerned with writing of dictionaries as well as to semanticists and students of Russian.

The Old Woman Old Woman

Rose became a widow at age 80 when her husband and love of her life died suddenly. Living alone, Rose is determined to stay in her home of sixty-one years. Her two grown children, who live in different cities hours away worry about her, but young family-friend, Jack, helps watch after Rose. As she ages simple tasks and life in general become more difficult for Rose, yet, along with her cat, she plans to remain in her home as long as possible. Rose could be anyone's mother or grandmother living out her twilight years determined to be as independent as possible for as long as possible. This book will introduce you to Rose.

Genre, Reception, and Adaptation in the 'Twilight' Series Harlequin

Now with 4 new chapters! The Drama of the Forests 1st World Publishing

A story of desire, black magic and love interweaves the true-life story of French novelist Charlotte-Rose de la Force, who was banished from the court of Versailles by Louis XIV after a series of scandalous love affairs, with the Rapunzel fairy tale.

The Old Woman who Lived in a Shoe; Or, There's No Place Like Home Macmillan

Animals and Women is a collection of pioneering essays that explores the theoretical connections between feminism and animal defense. Offering a feminist perspective on the status of animals, this unique volume argues persuasively that both the social construction and oppressions of women are inextricably connected to the ways in which we comprehend and abuse other species. Furthermore, it demonstrates that such a focus does not distract from the struggle for women's rights, but rather contributes to it. This wide-ranging multidisciplinary anthology presents original material from scholars in a variety of fields, as well as a rare, early article by Virginia Woolf. Exploring the leading edge of the species/gender boundary, it addresses such issues as the relationship between abortion rights and animal rights, the connection between woman-battering and animal abuse, and the speciesist basis for much sexist language. Also considered are the ways in which animals have been regarded by science, literature, and the environmentalist movement. A striking meditation on women and wolves is presented, as is an examination of sexual harassment and the taxonomy of hunters and hunting. Finally, this compelling collection suggests that the subordination and degradation of women is a prototype for other forms of abuse, and that to deny this connection is to participate in the continued mistreatment of animals and women.

Women in Popular Culture [2 volumes] Vintage

This empowering and practical guide is perfect for those women who dream of traveling independently, with confidence.

A Foxy Old Woman's Guide to Traveling Alone Andrews McMeel Publishing

On average, women live seven years longer than men. In America, up to 85 per cent of women will be single in their old age, but growing old does not mean living alone. This book presents another choice, living with your friends. This guide lists the advantages, the issues to consider, and the possibilities on offer.

Million Dollar Murder OUP Oxford

After being falsely accused of murdering his ex-wife, Trace O'Reilly is sentenced to death by lethal injection. Five years later, moments before he is to receive the final dose of drugs which will end his life, he receives a pardon. Given a new lease on life, Trace sets out to find the real murder. In the process, however, he not only is reacquainted with his daughter but must save her from the one person who knows the truth.

How-can college grads find employment and gain experience while remaining independent. How-to prepare for retirement with travel on a budget. How-you-can downsize via the 3 R's ... Reuse, Reduce, Recycle. How-to have your fun and free food too!

Yolanda and the General Bloomsbury Publishing USA

You can be little. You can be old. You can be a lady. But you don't have to be a little old lady! We've all seen her, hunched forward, her hair tucked neatly under a plastic rain bonnet. She's clutching expired coupons, or discussing her latest health problems over lunch. She's a little old lady . . . and she's coming your way at 2 mph. Little old ladies have elastic waistbands on all their slacks. They save rubber bands, remember fifteen-cent McDonald's hamburgers, and have never seen a public rest room that was clean enough. *How Not to Become a Little Old Lady* is for any woman who is proud to have escaped little old ladyhood—or those in danger of slipping into it. Lighthearted and affectionately funny, it also includes charming illustrations from Adrienne Hartman.

Systematic Lexicography Algonquin Books

This New York Times bestseller intimately depicts urban life in a gripping book that slips behind cold statistics and sensationalism to reveal the true sagas lurking behind the headlines of gangsta glamour. In her extraordinary bestseller, Adrian Nicole LeBlanc immerses readers in the intricacies of the ghetto, revealing the true sagas lurking behind the headlines of gangsta glamour, gold-drenched drug dealers, and street-corner society. Focusing on two romances—Jessica's dizzying infatuation with a hugely successful young heroin dealer, Boy George, and Coco's first love with Jessica's little brother, Cesar—*Random Family* is the story of young people trying to outrun their destinies. Jessica and Boy George ride the wild adventure between riches and ruin, while Coco and Cesar stick closer to the street, all four caught in a precarious dance between survival and death. Friends get murdered; the DEA and FBI investigate Boy George; Cesar becomes a fugitive; Jessica and Coco endure homelessness, betrayal, the heartbreaking separation of prison, and, throughout it all, the insidious damage of poverty. Charting the tumultuous cycle of the generations—as girls become mothers, boys become criminals, and hope struggles against deprivation—LeBlanc slips behind the cold statistics and sensationalism and comes back with a riveting, haunting, and true story.

Along Came Zoe Duke University Press

Noreen Wald imparts her wisdom on the benefits of growing older with humor and wit. She dispels the notion that the best years are over and gives advice that will help you achieve optimal happiness in reaching each milestone of maturity. The Old Woman's Nose New Life Publications On-Line

The Mexican Mafia had just lost the protector they had in the highest echelons of the government. Dr. Juarez could whisper in the right ears, put a good word wherever necessary, grease the right palms, even threaten on occasions, in order to cover up for the Mafia's corrupt operations. He had just died in the arms of one of his lovers. He had to be replaced. The head of the organization had made up his mind that General Carranza should be the man who would be the best replacement for Juarez. To the delegates present at the meeting, that seemed an impossible task. Carranza was a model of virtue. He was patriotic to the core, a practicing Catholic, a family man, a moral straightlaced soul from way back. How could he be made to accept and cooperate with the illegal and immoral deeds of the Mafia? The don was given one year, 365 days, to accomplish this feat. The answer: YOLANDA How does the head of the Mafia convinces her to cooperate? Does she realize the mess she is getting into? Does she remain loyal to the cause? Does she fall in love with the General? Does the married and ever faithful General fall for her? Does he finally accept the Mafia's contract?
