## ESTHER FLORES

---

*Suffolk Surnames* DC  
Comics

For her first book in ten years, Kelly Wearstler, one of the most irreverent and fascinating designers working today, continues to push boundaries with her inventive and opulent interiors, here inviting readers into her latest creations including her newly designed home. Celebrated for luxurious interiors that capture the swankiness of old-world Hollywood with a modern pop sensibility, Wearstler is known for her decadent designs of residences and boutique hotels, such as the line of Viceroy and the tastemakers Maison 140 and Avalon. Her ornate interiors are distinctive for layers of bold textures, patterns, and rich colors juxtaposed with lustrous surfaces, adding up to a whimsical and elegant look that has been called "mod baroque." Here Wearstler shares her creative world, profiling in detail her latest residential and commercial designs (several previously unpublished) and her sumptuous new San Francisco Proper Hotel, as

well as her creative process. Full of ideas and with beautiful images of many never-before-photographed interiors, Kelly Wearstler: *Evocative Style* is an inspirational look at the designer's inventive work. Filled with new work, this volume is a must for other designers and homeowners looking for elegant design inspiration and ideas.

### **Absolutely Beautiful Things** Abrams

An account of the efforts of the U.S. government to locate, denaturalize and deport persons who assisted the Nazis and their allies in the persecution of civilians. *Slim Aarons: Great Escapes (Hardcover Journal: Mint Green)* DC Comics

Glamorous fashions, personalities, and places captured by iconic photographer Slim Aarons. Slim Aarons, at least according to the man himself, did not photograph fashion: "I didn't do fashion. I did the people in their clothes that became the fashion." But despite what he claimed, Aarons's work is indelibly tied to fashion. Aarons's incredibly influential photographs of high society and socialites being unambiguously themselves are still a

source of inspiration for modern day style icons. *Slim Aarons: Style* showcases the photographs that both recorded and influenced the luminaries of the fashion world. This volume features early black-and-white fashion photography, as well as portraits of the fashionable elite—like Jacqueline de Ribes, C.Z. Guest, Nan Kempner, and Marisa Berenson—and those that designed the clothes, such as Oscar de la Renta, Emilio Pucci, Mary McFadden, and Lilly Pulitzer. Featuring some never-before-seen images and detailed captions written by fashion historians, *Slim Aarons: Style* is a collection of the photographer's most stylish work.

### **Slim Aarons: Women**

Little, Brown Spark  
A beautiful and practical book on choosing and caring for over 100 easy-to-find houseplants, as well as inspiring plant styling advice and much more. Fresh flowers are great—everyone loves receiving them. But inevitably they're already on the way out the door (and into the trash) by the time they arrive. Plants—living, breathing, life-sustaining plants—are where it's at! Authors

Lauren Camilleri and Sophia Kaplan really want you to love indoor gardening and growing as much as they do. Leaf Supply profiles and provides comprehensive (but easy to follow) care instructions for 100 houseplants—including tropical plants, palms, hanging plants, succulents, cacti, and more unusual varieties such as air plants and carnivorous plants—ensuring you learn and grow as your plant grows. But much more than a plant guide, Leaf Supply also gives interior styling advice on choosing the right pots for your plants—both aesthetically and practically—as well as best utilizing your space, making the most of your indoor greenery, plus advice on pet-friendly (as well as harmful) plants for your home. This is a comprehensive guide for any budding green thumb interested in greening their apartment or inside their home.

**Kelly Wearstler:**

**Evocative Style** Rizzoli International Publications  
Called upon to inventory the estate of a wealthy woman, Emilia Brown, a frugal and unnoticed woman in small-town Rhode Island, discovers

an exquisitely tailored Oscar de la Renta dress in the woman's collection and changes her life to be able to purchase the dress.

*Slim Aarons: La Dolce Vita*  
Harry N. Abrams

Brave Men is Ernie Pyle's gripping account of life on the European front-line during World War II.

*Challengers of the Unknown*  
by Jack Kirby

Simon and Schuster  
This junior/senior textbook presents fundamental concepts of structure-property relations and a description of how these concepts apply to every metallic element except iron. Part One of the book describes general concepts of crystal structure, microstructure and related factors on the mechanical, thermal, magnetic and electronic properties of nonferrous metals, intermetallic compounds and metal matrix composites. Part Two discusses all the nonferrous metallic elements from two perspectives: First it explains how the concepts presented in Part One define the properties of a particular metallic element and its alloys. Second is a description of the major engineering uses of each metal. This

section features sidebar pieces describing particular physical property oddities, engineering applications and case studies. An Instructor's Manual presenting detailed solutions to all the problems in the book is available from the Wiley editorial department. An Instructor's Manual presenting detailed solutions to all the problems in the book is available from the Wiley editorial department.

**Transhumanism**

HarperCollins

This volume shows Aarons' influential photographs of the international elite in their exclusive playgrounds during the jet-set decades of the 1950s, 60s and 70s.

**Grown and Flown** Simon and Schuster

A captivating look at the glamorous, jet-setting lifestyles of those who frequent the legendary Hotel Il Pellicano, overlooking a secluded bay in Tuscany's Porto Ercole. One of the hippest and most beautiful destinations in the world, the chic Hotel Il Pellicano, located on the Argentario, is a hangout for many from the design, fashion, and art worlds. With photographs by the great

chroniclers of yesteryear glamour, John Swope and Slim Aarons—who captured the likes of Emilio Pucci, Douglas Fairbanks Jr., Britt Ekland, Kenneth Tynan, and Susanna Agnelli relaxing here—as well as Juergen Teller, one of the most influential fine art and fashion photographers working today, the book presents three different epochs in the history of this modern-day dolce vita. A Visitor's Note by Bob Colacello and a full history of the hotel by Bronwyn Cosgrave explore Il Pellicano's illustrious legacy and its continuing seductive allure

### **Are You Smart Enough to Work at Google?**

Paddington Press, Limited  
 “Page after page reveals an unreal world. . . . Socialites in their mansions, film stars by their pools. . . . Aarons earned the trust of the very rich—Jackie Kennedy, Princess Grace of Monaco, Imelda Marcos—and the very famous—Cary Grant, Marilyn Monroe, Errol Flynn—as well as a passing parade of young women at play on yachts, at exclusive beach resorts or in their expensive homes.” —The Guardian  
 Slim Aarons: Women explores the central

subject of Slim Aarons's career—the extraordinary women from the upper echelons of high society, the arts, fashion, and Hollywood. The book presents the women who most influenced Aarons's life and work—and the other remarkable personalities he photographed along the way—including Audrey Hepburn, the Duchess of Windsor, Diana Vreeland, Esther Williams, Marianne Faithful, and Marlene Dietrich, all featured in unforgettable photographs. The collection contains more than 250 images, the majority of which have not appeared in previous books, along with detailed captions written by one of Aarons's closest colleagues, Laura Hawk. Hawk writes in her introduction, “Slim's visual narratives give us an intimate glimpse into the world of the upper classes and their rituals in the pursuit of leisure. That his half century of work continues to captivate successive generations of admirers—and that this is the fifth book published of his photography—reveals not only a yearning for an irretrievable time gone by but also a universal fascination with the seeming forbidden worlds

of wealth and privilege.” Showcasing beautiful women at their most glamorous in some of the most dazzling locations across the globe, Slim Aarons: Women is a fresh look at the acclaimed photographer through the muses who inspired his most incredible photographs.

### **The Blue Note Label**

Abrams

With a new introduction by Michael Marqusee.  
[Slim Aarons: Style](#) Marvel  
 An account of the English rock band Hawkwind shows them to be one of the most innovative and culturally significant bands of the 1970s. Fifty years on from when it first formed, the English rock band Hawkwind continues to inspire devotion from fans around the world. Its influence reaches across the spectrum of alternative music, from psychedelia, prog, and punk, through industrial, electronica, and stoner rock. Hawkwind has been variously, if erroneously, positioned as the heir to both Pink Floyd and the Velvet Underground, and as Britain's answer to the Grateful Dead and Krautrock. It has defined a genre—space rock—while operating on a frequency that's uniquely its own. Hawkwind offered a form

of radical escapism and an alternative account of a strange new world for a generation of young people growing up on a planet that seemed to be teetering on the brink of destruction, under threat from economic meltdown, industrial unrest, and political polarization. While other commentators confidently asserted that the countercultural experiment of the 1960s was over, Hawkwind took the underground to the provinces and beyond. In *Days of the Underground*, Joe Banks repositions Hawkwind as one of the most innovative and culturally significant bands of the 1970s. It's not an easy task. As with many bands of this era, a lazy narrative has built up around Hawkwind that doesn't do justice to the breadth of its ambition and achievements. Banks gives the lie to the popular perception of Hawkwind as one long lysergic soap opera; with *Days of the Underground*, he shows us just how revolutionary Hawkwind was.

**Dark Matter** Abrams Books

NEW YORK TIMES

BESTSELLER • COMING

SOON TO APPLE TV+ • A

"mind-blowing"

(Entertainment Weekly) speculative thriller about an ordinary man who awakens in a world inexplicably different from the reality he thought he knew—from the author of *Upgrade*, *Recursion*, and the *Wayward Pines* trilogy "Are you happy with your life?" Those are the last words Jason Dessen hears before the kidnapper knocks him unconscious. Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits. Before a man he's never met smiles down at him and says, "Welcome back, my friend." In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college professor but a celebrated genius who has achieved something remarkable. Something impossible. Is it this life or the other that's the dream? And even if the home he remembers is real, how will Jason make it back to the family he loves? From the bestselling author Blake Crouch, *Dark Matter* is a mind-bending thriller about choices, paths not taken, and how far we'll go to claim the lives we dream of.

*Batman* (2016-) #92 DC

Comics

Cited by tastemakers as a true original in the field of aspirational lifestyle photography, Slim Aarons took photos decades ago that would look right at home on Instagram today. "A must for fashion students and followers alike." -Susannah Frankel, fashion director, "The Independent." True style transcends fashion. Style is innovation, creation, and inspiration-with a personal twist. But the ability to find such inspiration and blend it into a signature wardrobe is what sets real style makers apart. With her sharp eye and clever pen, long time fashion editor and style maven Elizabeth Walker navigates fashion devotees through the recurring themes that define the essence of style. She juxtaposes more than 450 exhilarating images, from 1865 to the present and from street fashion to haute couture. These iconic looks from famous stars and anonymous fashionistas alike include Diana Ross's striped jumpsuit, Marilyn Monroe's simple sheath dress, Louis Armstrong's argyle socks, Kate Moss's bondage dress, Tom Selleck's Magnum P.I.-era jeans, Raquel Welch's itsy-bitsy bikini, Jackie O's embroidered peasant blouse, Lauren Hutton's menswear suit, and Farrah Fawcett's chain-mail tank dress, as well as leopard-print sunglasses, platform clogs, and a

natty fedora. Divided into thirteen categories ranging from accessories to menswear, prints to denim, and exotic influences to animal motifs-these photographs will guide readers to create their own unique look.

*Battle Cry* Greenwood Batman goes undercover to infiltrate the transhumanist gang known as the Unsanity Collective and learn more about their sudden appearance in Gotham. And what nefarious plans does Simon Saint have for Arkham Day survivor Sean Mahoney? How does it connect to the Magistrate? And in part two of the action-packed, bone-rattling Ghost-Maker backup story...can our hero stand up to the horror of Kid Kawaii? Plus, don't miss the debut of the mysterious Miracle Molly! Batman goes undercover to infiltrate the transhumanist gang known as the Unsanity Collective and learn more about their sudden appearance in Gotham. **Every Room Tells a Story** Rizzoli Publications This lavish fourth volume in Abrams' Slim Aarons collection revels in this photographer's decades-long love affair with Italy. From breathtaking aerials of the Sicilian countryside to intimate portraits of celebrities and high society taken in magnificent villas, Slim Aarons: La Dolce Vita captures the essence of "the good life." Slim Aarons first visited Italy as a combat photographer during World War II and later moved to Rome to shoot for Life magazine, yet even after relocating to New York, he would return to Italy almost every year for the rest of his life. The images collected here document the aristocracy, cultural elite, and beautiful people, such as Marcello Mastroianni, Ursula Andress, Joan Fontaine, and Tyrone Power, who lived la dolce vita in Italy's most fabulous places during the last 50 years. The introduction by Christopher Sweet shares stories from Aarons's years in Italy and new

insights about his life and career. Also available from Slim Aarons: Slim Aarons: Women, Slim Aarons: Once Upon a Time, Slim Aarons: A Place in the Sun, and Poolside with Slim Aarons. Praise for Slim Aarons: La Dolce Vita: "Nostalgia-soaked images." -- Harper's Bazaar "Sumptuous images." -- Publishers Weekly "It's the next best thing to time travel." --Dujour magazine [Work Hard & Be Nice to People](#) MIT Press You are shrunk to the height of a nickel and thrown in a blender. The

blades start moving in 60 seconds. What do you do? If you want to work at Google, or any of America's best companies, you need to have an answer to this and other puzzling questions. Are You Smart Enough to Work at Google? guides readers through the surprising solutions to dozens of the most challenging interview questions. The book covers the importance of creative thinking, ways to get a leg up on the competition, what your Facebook page

says about you, and much more. Are You Smart Enough to Work at Google? is a must-read for anyone who wants to succeed in today's job market.

**Leaf Supply** Ballantine Books

The greatest heist in history is underway in Gotham City, courtesy of the mysterious crimemaster known as the Designer! Batman knows what he needs to do, but in order to stop the plot, he must first escape the most ingenious death trap the Riddler has ever devised!
