A friend is said to be "a treasure," "the gift of God," "the greatest of all blessings," and "better than a therapist." In the number-one bestseller Life's Little Instruction Book™, H. Jackson Brown, Jr., offered suggestions on how to cultivate, maintain, and nourish friendships. Many of Brown's readers sent their own insights to him. Here he adds some of these discoveries to his own observations on friendship along with favorite quotations. "It is my hope," he says, "that this little book might be used to strengthen and renew friendships, for, as Ben Franklin observed, a friend is both a treasure and a comfort." This charming hardcover mini-book includes entries from all three volumes of Life's Little Instruction Book™ and other books by H. Jackson Brown, Jr. on the subject of friendship. In addition, it features new material written and compiled exclusively for this volume. Distinctive in beauty and presentation, the "Treasure Book" series is elegantly designed and printed on the finest paper. They are the perfect gift for those times when you want something more meaningful than a traditional greeting card.

Posey is really nervous about starting first grade. Instead of getting walked to her classroom, her mom has to drop her off at the Kiss-and-Go Lane. Then she'll have to walk into school and face the Monster of the Blue Hall all by herself. Worst of all, she has to do it without the one thing that always

makes her feel brave and special: the tutu that turns her into the Pink Princess. But when Posey inspires her new teacher to throw a first-day parade in which all the kids are invited to wear whatever makes them feel the most comfortable, first grade starts to look a lot more promising. Posey will charm readers just graduating from easy-to-reads (and from kindergarten). Make reading sparkle with all of the Princess Posey chapter books!

In a clever take on the "night at the museum" theme, a little mouse with a genius for collecting leads picture book readers—and seek-and-find aficionados—on a thrilling nocturnal adventure. *Dakota Crumb: Tiny Treasure Hunter* is both a rollicking story with a dash of danger and, in its final eye-popping spreads, a seek-and-find challenge. As the clock in the great museum tick-tocks past midnight, a little mouse with a sack and a treasure map scurries past the guards. Plucky and intrepid *Dakota Crumb* scours the museum for artifacts, including the famous Purple Jewel of Cairo (a gumdrop stashed in an exhibit). By day, the little mouse shares her carefully curated finds with fellow tiny creatures that flock to Miss Crumb's tiny Mousehole Museum. A feast for sharp-eyed readers—who'll delight in circling back after the story to pore over the illustrations in search of treasure—this gently suspenseful tale, splashed with soft, dusky hues, evokes a world of wonders after dark.

Nothing is more exciting to find...more devastating to lose...or more difficult to capture in words. We never stop trying to describe love. Yet, we never fully succeed. In the number-one bestseller *Life's Little Instruction Book*, H. Jackson Brown, Jr. shared some of the things he had learned about life and love. Many of Brown's readers wrote back with their own insights. In this little treasure book, Brown adds some of their discoveries to his own observations about love, plus favorite lines of poetry, prose, and song. This book reminds us that love is not only an exquisite feeling but also a profound responsibility.
