When Dr. Henrietta Mears
began her ministry in
Hollywood, California, in
the 1930s, she was facing
several challenges. Sixty
percent of children at the
time were not attending a

church of any sort. Fewer
than fifteen percent of
children who attended
Sunday School ever made
a decision to follow Jesus.
Youth in their early
college years were
walking away from faith at
an unprecedented rate.
Church attendance across
the United States was
experiencing a decline
instead of growth. In
response to the crisis, Dr.
Mears instituted a set of
principles that helped

grow the Sunday School
program at First
Presbyterian Church of
Hollywood from 450 to
more than 4,000 in just
three years. In Sunday
School Changes
Everything, you will find
her fearless
recommendations on how
to Build your church's
Christian education
program both numerically
and spiritually Use
practical methods for
training your leaders and

teaching students of all stages of life Implement five ingredients of successful ministry: Jesus, the Bible, relationships, a comprehensive plan, and life change Employ 10 standards of a good curriculum that will help you answer the question of what to teach

Over 3 million copies sold!
Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more

than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the

Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is

also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody.

Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.
