**The Outsider** Profil littéraire

In Coming of Age on Film: Stories of Transformation in World Cinema, essays by twelve film scholars examine the theme of coming of age in the cinema of Latin America, Europe, and Africa. Through their consideration of the development that leads to transformation in individuals, nations, or even the film industry itself, these articles elucidate the connections among these diverse films. Bringing together a variety of related topics such as rites of passage, adolescence and maturity, and the literary genre of the Bildungsroman, Coming of Age on Film

complements and puts into practice a variety of critical theories. Its focus on global cinema in French, Italian, and Spanish brings attention to the widely represented but minimally studied theme of coming of age. This volume will appeal to scholars in film studies and regional or national cultural studies, as well as those studying adolescence in literature and film.

**M. Ibrahim et les fleurs du Coran - une analyse du film**

Simon and Schuster We meet him late in life: a quiet man, a good father and husband, a fixture in his Brooklyn neighborhood, a landlord and barber with a terrifying scar across his face. As the book unfolds, moving seamlessly between Haiti in the 1960s and New York City today, we enter the lives of those around him, and learn that he has also kept a vital, dangerous secret. Edwidge Danticat's brilliant exploration of the "dew breaker"--or torturer--s an unforgettable story of love, remorse, and hope; of personal and political rebellions; and of the compromises we make to move beyond the most intimate brushes with history. It firmly establishes her as one of America's most essential writers. BONUS:

From one of the world's biggest selling authors comes another million-copy worldwide bestseller: A beautiful and tender fable seen through the eyes of a

Jewish child living in Belgium under the Nazi occupation. It is 1942 and the Jews are being deported from Belgium. Separated from his parents, seven-year-old Joseph must go into hiding. He is taken in the dead of night to an orphanage, the Villa Jaune, where the benign and enigmatic Father Pons presides over a motley assortment of children. With the ever-present threat of the Gestapo growing closer, Joseph learns that the secret of survival is to conceal his Jewish heritage. Soon Joseph also discovers that Father Pons has a secret of his own: he is risking his life not only for the boys in his care, but for the Jewish faith itself. Sensitive, funny and deeply humane, Noah's Child is a simple fable that reveals the complexities of faith, bravery and the human condition.

Cet ouvrage fournit une analyse approfondie de Monsieur Ibrahim et les Fleurs du Coran d'Éric-Emmanuel Schmitt avec toutes les clés pour analyser l'œuvre. Roman d'apprentissage prônant la tolérance et l'ouverture d'esprit au travers des souvenirs de Momo, un jeune Juif abandonné par sa mère, délaissé par son père, et sauvé par un vieil épicier musulman, Monsieur Ibrahim et les Fleurs du Coran ne laisse personne indifférent et offre un regard neuf sur une religion bien souvent méconnue. Après une introduction générale visant à présenter le roman et son auteur, Loanna Pazzaglia se plonge dans l'analyse de ce chef d'œuvre d'Éric-

Emmanuel Schmitt. Après avoir résumé l'œuvre et présenté les personnages principaux (Momo et Monsieur Ibrahim), l'auteure s'intéresse aux thématiques mises en avant dans le récit : le soufisme, la spiritualité, la paternité, etc. Elle s'attache ensuite à décoder le style du roman dans lequel on décèle aisément quelques caractéristiques de l'écriture théâtrale, car, ne l'oublions pas, l'œuvre avait, à l'origine, été écrite pour le théâtre. Enfin, pour clore cette analyse littéraire, elle s'intéresse à la réception de Monsieur Ibrahim et les Fleurs du Coran aussi bien sur les planches du théâtre qu'en librairie. Profil Littéraire propose des analyses approfondies faisant le tour complet des plus grandes œuvres de la littérature. Notre objectif est de permettre à nos lecteurs d'aller plus loin dans leur expérience de lecture et leur offrir ainsi un nouveau regard sur l'œuvre concernée. Nos "profils littéraires" sont conçus par des professeurs triés sur le volet et révisés par un comité éditorial constitué de professionnels de la littérature. *The Dew Breaker* Penguin Classics Tales from the Sufi tradition, illustrating Sufi philosophy and ways of thinking.

The international bestselling story  
 collection. "Truth and beauty are here  
 brought together with all the visual beauty  
 and power of a major literary work" (Lire  
 Magazine, France). A cast of extravagant  
 and affecting characters lovingly  
 portrayed by Eric-Emmanuel Schmitt  
 animates these eight contemporary fables  
 about people in search of happiness. One  
 of Europe's most popular and bestselling  
 authors, Eric-Emmanuel Schmitt  
 captivates the reader with his spirited  
 style and enchanting stories that move  
 effortlessly from the everyday to the  
 fantastical. The eight stories in this  
 collection, his first to be published in  
 English, represent his best and most  
 imaginative storylines: from the touching  
 and surprising love story between  
 Balthazar, a wealthy author, and Odette, a  
 shop clerk, to the tale of a barefooted  
 princess; from the moving title story about  
 a group of female prisoners in a Soviet

gulag to the entertaining portrait of a perennially disgruntled perfectionist.

Behind each story lies a simple, if elusive, truth: though we may be frequently blind

to it, happiness is often right in front of our eyes.
