Reading and Writing
the Lakota Language

Penguin

This volume discusses
how orthographies are
being developed and
implemented in the

specific context of
language
endangerment and
revitalisation. Chapters
are written by
academics working in
the field of language
endangerment and
also by members of
indigenous
communities working
'at the coalface' of
language support and

maintenance.

New Lakota Dictionary
Harper Collins

Takini is a special boy, adopted by Chief Sitting Bull, and gifted with special powers. He discovers a plan for the 'bluecoats'- United States Government soldiers - to attack Indian villages. Will he live to warn his tribe?

Winter Counts

Haymarket Books
The bestselling memoir of a Native American woman's struggles and the life she found in activism: "courageous, impassioned, poetic and inspirational" (Publishers Weekly).

Mary Brave Bird grew up on the Rosebud Indian Reservation in South Dakota in a one-room cabin without running water or electricity. With her white father gone, she was left to endure

"half-breed" status amid the violence, machismo, and aimless drinking of life on the reservation. Rebelling against all this—as well as a punishing Catholic missionary school—she became a teenage runaway. Mary was eighteen and pregnant when the rebellion at Wounded Knee happened in 1873.

Inspired to take action, she joined the American Indian Movement to fight for the rights of her people. Later, she married Leonard Crow Dog, the AIM's chief medicine man, who revived the sacred but outlawed Ghost Dance. Originally published in 1990, *Lakota Woman* was a national bestseller and winner of the American Book Award. It is a story of determination against

all odds, of the cruelties perpetuated against American Indians, and of the Native American struggle for rights. Working with Richard Erdoes, one of the twentieth century's leading writers on Native American affairs, Brave Bird recounts her difficult upbringing and the path of her fascinating life.

Sacred Language
Ellora's Cave
Joseph M. Marshall's thoughtful, illuminating account of how the spiritual beliefs of the Lakota people can help

us all lead more meaningful, ethical lives. Rich with storytelling, history, and folklore, The Lakota Way expresses the heart of Native American philosophy and reveals the path to a fulfilling and meaningful life. Joseph Marshall is a member of the Sicunga Lakota Sioux and has dedicated his entire life to the wisdom he learned from his elders. Here he focuses on the twelve core qualities that are crucial to the Lakota way of life--bravery, fortitude, generosity, wisdom, respect, honor, perseverance, love, humility, sacrifice, truth, and compassion. Whether teaching a lesson on respect imparted by the mythical Deer Woman or the humility

embodied by the legendary Lakota leader Crazy Horse, *The Lakota Way* offers a fresh outlook on spirituality and ethical living.

Lakota Love Song U of Nebraska Press

Lakota is shy and the lowest-ranking and frequently picked-on member of a wolf pack until he finally finds that supportive and nurturing friend he's always wanted.

A Friend for Lakota
Lerner Publishing Group

"This production offers an engaging, original way for children to learn about a Native American hero.

Renowned Abenaki author Bruchac has selected interesting facts that reveal how a young boy is transformed into brave Crazy Horse. ..."

Quiet Until the Thaw

Simon and Schuster

In 2016, the world looked on as thousands set up camp within Standing Rock Sioux Reservation to protest the re-routing of the Dakota Access oil pipeline close to the Reservation's northern border. People from many Native American tribes were joined by non-tribal environmentalists, including US army veterans, all of them standing in solidarity with the Lakota. Then, in early 2017, the protest was disbanded using brutal force. And that is when the real struggle began. From the decline of the East coast tribes to the dispossession of the native people along the Missouri basin, from the Battle of Little

Bighorn to Wounded Knee, America's indigenous peoples have been subject to horrendous persecution, land grabs and the steady erosion of their way of life. Frontline journalist Ekberzade Bikem recounts the epic story of this centuries' old struggle as told to her by the guardians of the oral history of the Great Plains, the grandson of chief Sitting Bull's nephew and many of the other activists pledged to continue the fight in the aftermath of Standing Rock. The Lakotas and the Black Hills Cambridge University Press Spoken-language instructional tapes to accompany the text Reading and writing the Lakota language (Salt Lake City, Utah :

University of Utah Press, 1999). The Lakota Way Graywolf Press In the tradition of "New York Times" bestselling author Janelle Taylor's "Ecstasy" novels comes this long-awaited Native America story about a brave and proud people who must fight to save their heritage . . . and their future. "Lakota Winds" begins the riveting saga of a tribe, a family, and the struggle for survival that joins two hearts-- and threatens to consume an entire nation. The Heart of Everything That Is Open Road + Grove/Atlantic The astonishing, powerful debut by the winner of a 2016 Whiting Writers' Award WHEREAS her birth

signaled the responsibility as mother to teach what it is to be Lakota therein the question: What did I know about being Lakota? Signaled panic, blood rush my embarrassment. What did I know of our language but pieces? Would I teach her to be pieces? Until a friend comforted, Don't worry, you and your daughter will learn together. Today she stood sunlight on her shoulders lean and straight to share a song in Diné, her father's language. To sing she motions simultaneously with her hands; I watch her be in multiple musics. —from "WHEREAS Statements" WHEREAS confronts the coercive language of the United States government in its responses, treaties,

and apologies to Native American peoples and tribes, and reflects that language in its officiousness and duplicity back on its perpetrators. Through a virtuosic array of short lyrics, prose poems, longer narrative sequences, resolutions, and disclaimers, Layli Long Soldier has created a brilliantly innovative text to examine histories, landscapes, her own writing, and her predicament inside national affiliations. "I am," she writes, "a citizen of the United States and an enrolled member of the Oglala Sioux Tribe, meaning I am a citizen of the Oglala Lakota Nation—and in this dual citizenship I must work, I must eat, I must art, I must mother, I must friend, I

must listen, I must observe, constantly I must live." This strident, plaintive book introduces a major new voice in contemporary literature.

The Martyrdom of Collins Catch the Bear
Zebra Books

The story of the Lakota Sioux's loss of their spiritual homelands and their remarkable legal battle to regain it. The Lakota Indians counted among their number some of the most famous Native Americans, including Sitting Bull and Crazy Horse. Their homeland was in the magnificent Black Hills in South Dakota, where they found plentiful game and held religious ceremonies at charged locations like Devil's Tower. Bullied by settlers and the U. S. Army, they refused to

relinquish the land without a fight, most famously bringing down Custer at Little Bighorn. In 1873, though, on the brink of starvation, the Lakotas surrendered the Hills. But the story does not end there. Over the next hundred years, the Lakotas waged a remarkable campaign to recover the Black Hills, this time using the weapons of the law. In *The Lakotas and the Black Hills*, the latest addition to the Penguin Library of American Indian History, Jeffrey Ostler moves with ease from battlefields to reservations to the Supreme Court, capturing the enduring spiritual strength that bore the Lakotas through the worst times and kept alive the dream of

reclaiming their cherished homeland. Black Elk PK&J Publishing Reveals the life of Lakota healer Nicholas Black Elk as he led his tribe's battle against white settlers who threatened their homes and buffalo herds, and describes the victories and tragedies at Little Bighorn and Wounded Knee. Reprint.

Lakota Dictionary Penguin The most complete and up-to-date dictionary of Lakota available, this new edition of Eugene Buechel's classic dictionary contains over thirty thousand entries and will serve as an essential resource for everyone interested in preserving, speaking, and writing the Lakota language today. This new comprehensive

edition has been reorganized to follow a standard dictionary format and offers a range of useful features: both Lakota-to-English and English-to-Lakota sections; the grouping of principal parts of verbs; the translation of all examples of Lakota word usage; the syllabification of each entry word, followed by its pronunciation; and a lucid overview of Lakota grammar. This monumental new edition celebrates the vitality of the Lakota language today and will be a valuable resource for students and teachers alike.

Spotted Tail Penguin No one knew the boy they called "Jumping Badger" would grow to become a great leader. Born on the banks of the Yellowstone River,

Sitting Bull, as he was later called, was tribal chief and holy man of the Lakota Sioux tribe in a time of fierce conflict with the United States. As the government seized Native American lands, Sitting Bull relied on his military cunning and strong spirituality to drive forces out of his territory and ensure a future homeland for his people.

Standing Rock Zed Books Ltd.

"This monograph, the result of years of study and discussion with tribal elders, is an important addition to our knowledge of Native American sky-related traditions. It demonstrates that knowledge of star and sun watching practices is very much alive in some tribal contexts, despite centuries of

acculturation and attempts by the dominant society to root out such 'pagan' sacred observances. It also provides important lessons for other tribal groups who wish to retain more of their traditional practices for their descendants" (p. iii).

TIME, The Washington
Post, NPR, Hudson

Booksellers, The New York Public Library, The Dallas Morning News, and Library Journal. "Chapter after chapter, it's like one shattered myth after another." - NPR "An informed, moving and kaleidoscopic portrait... Treuer's powerful book suggests the need for soul-searching about the meanings of American history and the stories we tell ourselves about this nation's past.." - New York Times Book Review, front page A sweeping history—and counter-narrative—of Native American life from the Wounded Knee massacre to the present. The received idea of Native American history—as promulgated by books like Dee Brown's mega-bestselling 1970 *Bury My Heart at Wounded*

Knee—has been that American Indian history essentially ended with the 1890 massacre at Wounded Knee. Not only did one hundred fifty Sioux die at the hands of the U. S. Cavalry, the sense was, but Native civilization did as well. Growing up Ojibwe on a reservation in Minnesota, training as an anthropologist, and researching Native life past and present for his nonfiction and novels, David Treuer has uncovered a different narrative. Because they did not disappear—and not despite but rather because of their intense struggles to preserve their language, their traditions, their families, and their very existence—the story of American Indians since

the end of the nineteenth century to the present is one of unprecedented resourcefulness and reinvention. In *The Heartbeat of Wounded Knee*, Treuer melds history with reportage and memoir. Tracing the tribes' distinctive cultures from first contact, he explores how the depredations of each era spawned new modes of survival. The devastating seizures of land gave rise to increasingly sophisticated legal and political maneuvering that put the lie to the myth that Indians don't know or care about property. The forced assimilation of their children at government-run boarding schools incubated a unifying Native identity. Conscripted in the US

military and the pull of urban life brought Indians into the mainstream and modern times, even as it steered the emerging shape of self-rule and spawned a new generation of resistance. *The Heartbeat of Wounded Knee* is the essential, intimate story of a resilient people in a transformative era.

Takini Salt Lake City : University of Utah Press

Though she was born in the East, Kaylee Matthews took to the west like a duck to water. She loves the freedom of the wide open spaces, the beauty of the land. While riding with her neighbor, Randy, Kaylee discovers a wounded Indian. Against Randy's wishes, Kaylee insists

on taking the Indian to an empty line shack and nursing him back to health, the way she did with the all the wounded creatures she found. Wounded and left for dead, Blue Hawk is prepared to die even though it means abandoning all hope of avenging himself on the white men who betrayed him. While waiting for death, he receives a startling vision before losing consciousness. On awaking, he finds himself being tended by the white woman in his vision. When he's strong enough to return home, Blue Hawk steals a horse and takes Kaylee with him, intending to trade her back to her family for weapons for his tribe. But somewhere along the way, distrust turns to love and

attraction turns to desire, leaving them to wonder if they can heal old hurts and find a way to bridge the differences between them.

Reading and Writing the Lakota Language Seven

Stories Press

The first

comprehensive history of the Lakota Indians and their profound role in shaping America's history Named One of the New York Times Critics' Top Books of 2019 - Named One of the 10 Best History Books of 2019 by Smithsonian Magazine - Winner of the MPIBA Reading the West Book Award for narrative nonfiction "Turned many of the stories I thought I knew about our nation inside out."-- Cornelia Channing, Paris Review, Favorite

Books of 2019 "My favorite non-fiction book of this year."-- Tyler Cowen, Bloomberg Opinion "A brilliant, bold, gripping history."--Simon Sebag Montefiore, London Evening Standard, Best Books of 2019 "All nations deserve to have their stories told with this degree of attentiveness"--Parul Sehgal, New York Times This first complete account of the Lakota Indians traces their rich and often surprising history from the early sixteenth to the early twenty-first century. Pekka Hämäläinen explores the Lakotas' roots as marginal hunter-gatherers and reveals how they reinvented themselves twice: first as a river people who dominated the Missouri Valley,

America's great commercial artery, and then--in what was America's first sweeping westward expansion--as a horse people who ruled supreme on the vast high plains. The Lakotas are imprinted in American historical memory. Red Cloud, Crazy Horse, and Sitting Bull are iconic figures in the American imagination, but in this groundbreaking book they emerge as something different: the architects of Lakota America, an expansive and enduring Indigenous regime that commanded human fates in the North American interior for generations. Hämäläinen's deeply researched and engagingly written history places the Lakotas at the center

of American history, and the results are
revelatory.
