## BOOKER SANTIAGO

---

**The Fateful Alliance** World Bank Publications  
 Nicht nur Putins Militärapparat, auch seine Propagandamaschine läuft seit dem Überfall auf die Ukraine im Februar 2022 auf Hochtouren: Im Netz führt die russische Regierung einen Cyberkrieg gegen unliebsame Zivilisten, Politiker und Institutionen aus dem In- und Ausland. In ihrem Debüt Putins Armee der Trolle legt die preisgekrönte – und wegen ihrer kritischen Berichterstattung verfolgte – finnische Investigativjournalistin Jessikka Aro die Strategien hinter der Propagandaschlacht des Kremls offen. Sie schildert, wie vom russischen Staatsapparat orchestrierte Internettrolle systematisch gegen Oppositionelle, Medienhäuser und NGOs hetzen und nahezu unbemerkt an der Destabilisierung westlicher Demokratien arbeiten, etwa durch das bewusste Anheizen politischer Unstimmigkeiten innerhalb der Europäischen Union sowie die massive Beeinflussung der Wählerwahrnehmung im Vorfeld der US-Wahlen 2016 oder des Brexit-Referendums. Aros

schockierende Schilderungen, in die Insiderberichte und ihre eigenen traumatischen Erfahrungen mit den Trollen Putins einfließen, lassen keinen Zweifel daran, dass Russland in Form von Internet-Spionage, Social-Media-Trolltum und Deepfakes alle Register des Cyberkriegs zieht, um Fehlinformationen zu verbreiten und seine Feinde auszuschalten. Eine unverzichtbare Lektüre für alle, die die Netz-Propaganda des Kremls als elementaren Bestandteil russischer Kriegsführung verstehen und ihr etwas entgegensetzen wollen.

**Red War** Hermitage Entertainment Ltd

«Si legge come un thriller, con protagonista un eroe solitario calato in un ambiente pericoloso e ostile... ma è tutto vero.» Lee Child Questa è la storia di un attivista per caso. Bill Browder non ha trascorso la sua vita tra volontariato e beneficenza. Bill si è formato in università prestigiose ed è diventato un genio degli affari costruendo la sua fortuna sulle macerie del comunismo, nell'ex Unione Sovietica, con uno dei fondi d'investimento più produttivi di sempre. Ma accanto ai buoni affari possono arrivare anche quelli cattivi e, quando Bill decide di denunciare la corruzione all'ombra del Cremlino grazie all'azione del suo amico e avvocato Sergei Magnitsky, la battaglia contro il sistema ha

inizio. Una lotta senza esclusione di colpi, da subito: Bill viene espulso dal Paese mentre Sergei è incarcerato, torturato e ucciso. Un evento così drammatico da cambiare radicalmente la vita di Bill che, da quel momento, si dedica anima e corpo alla lotta per la verità in nome dell'amico. A metà tra crime thriller, biografia e manifesto di denuncia, *Red Notice* è la storia di un uomo alla ricerca di giustizia e che, senza saperlo, trova il significato profondo della sua esistenza. In Russia non c'è rispetto per l'individuo e i suoi diritti. Il singolo può essere sacrificato per i bisogni dello stato, usato come scudo, pedina o carne da macello. Se necessario, chiunque è sacrificabile. Una famosa espressione di Stalin riassume bene il concetto: «Se non c'è l'uomo, non c'è il problema.»

The Fort Harper Collins

From the bestselling author of *RESTART*, the story of a middle-school "band of brothers" — five friends who need to stick together after they set up a hideout in an abandoned bomb shelter and discover that the only way to be true friends is to reveal their secrets and help each other out. The morning after Hurricane Leo rips through the town of Canaan, residents awaken to widespread destruction — power outages, downed branches, uprooted trees, broken windows and damaged roofs. Four eighth-grade friends — Evan, Jason, Mitchell, and CJ — meet to explore the devastation. The tight-knit group is dismayed to find that Evan has brought along a stray — Ricky, who is new to their town and school, and doesn't have any friends yet. Ricky is the one to find the strange trap door that's appeared in the middle of the woods — the door to an old bomb shelter, unearthed by the hurricane. Inside, the boys find a completely intact underground lair, complete with electricity, food, and entertainment (in the form of videocassettes). The boys vow to keep the place's existence to themselves. Things soon get tense. Some bad locals keep snooping around. And what started out as a fun place to escape soon becomes a serious refuge for one of the kids who is trying to avoid an abusive home situation. In order to save the shelter, the friends must keep its secret... and in order to save themselves, they're going to have to share their individual secrets, and build the safest place they can.

Red Notice transcript Verlag

An analysis of the Russian-French alliance of 1894 and what went wrong in Europe at the end of the nineteenth century.

**Red Roulette** A&C Black

This book sheds new light on the political economy of Russia under Putin's rule. The author, a former EU diplomat, presents a historical review of the Russian economy and 60 years of state-communist mismanagement, followed by oligarchic privatization. The book offers profound insights into Putin's rule and the power mechanics of the state-dominated management of the Russian economy. It identifies and assesses the lack of rule of law, together with an arbitrary and often corrupt administration that systematically discourages entrepreneurship and the emergence of an independent middle class. Furthermore, the book discusses Russia's budgetary policy, its dependence on the export of natural resources, state-owned enterprises and their privileges, and Russia's external trade. This hard-hitting, substantial analysis debunks the myth of Russia's economic might and is a must read for anyone seeking to understand the economic realities of the Eurasian continent, or considering doing business with Russia.

**European Elites and Ideas of Empire, 1917-1957** Georg Olms Verlag

Ноябрь 2009 года. В одиночной, промозглой камере московского изолятора, было обнаружено истерзанное побоями восьми охранников, бездыханное тело, тяжело больного юриста - Сергея Магнитского. В чем было его преступление? - Разоблачение коррумпированных

должностных лиц МВД, причастных к хищению из российского бюджета 230 миллионов долларов налогов, уплаченных ранее одним из самых успешных в мире инвестиционных фондов. И по сей день виновные в этом жестоком убийстве остаются безнаказанными. Последующий постыдный посмертный судебный процесс над юристом воспринят международным сообществом как акт средневекового мракобесия путинского режима. Красный циркуляр – книга разоблачение масштабного сокрытия правды и следов совершенных преступлений российской властью в отношении Сергея Магнитского – его незаконный арест и убийство - проникает глубоко в Кремль, вскрывая неприглядную правду о режиме. Билл Браудер – инвестиционный управляющий и клиент Магнитского – погружает нас в головокружительный мир финансов Нью-Йорка и Лондона 90-х годов, его схватку с российскими олигархами в постсоветской Москве и последующее выдворение из России по указанию Путина (Кремля). Автору удается на фактах показать сращивание российской власти с криминалом, где грани настолько размыты, что уже невозможно отличить одного от другого. Под влиянием произошедшего мы наблюдаем трансформацию человека (автора) из финансиста в правозащитника, ведущего кампанию за установление справедливости в отношении своего покойного адвоката и друга. Красный циркуляр – нещадно оголяет то, от чего страдает сегодняшняя Россия - взяточничество, коррупция, мошенничество, пытки и убийство каждого, кто оказался на пути развратной власти. Книга шокирует нас откровениями о политических механизмах работы в высших эшелонах власти на Западе. *The Moomins and the Great Flood* Tim Duggan Books Expelled from Russia after exposing corruption in Russian companies, an investment broker describes how his attorney was detained, tortured and beaten to death for testifying against Russian law enforcement officers who stole millions in taxes paid to the government. Illustrations. Tour.

*RED NOTICE (Russian Edition)* Simon and Schuster

This instant #1 New York Times bestseller and "modern techno-thriller" (New York Journal of Books) follows Mitch Rapp in a race to prevent Russia's gravely ill leader from starting a full-scale war with NATO. When Russian president Maxim Krupin discovers that he has inoperable brain cancer, he's determined to cling to power. His first task is to kill or imprison any of his countrymen who can threaten him. Soon, though, his illness becomes serious enough to require a more dramatic diversion—war with the West. Upon learning of Krupin's condition, CIA director Irene Kennedy understands that the US is facing an opponent who has nothing to lose. The only way to avoid a confrontation that could leave millions dead is to send Mitch Rapp to Russia under impossibly dangerous orders. With the Kremlin's entire security apparatus hunting him, he must find and kill a man many have deemed the most powerful in the world. Success means averting a war that could consume all of Europe. But if his mission is discovered, Rapp will plunge Russia and America into a conflict that neither will survive in "a timely, explosive novel that shows yet again why Mitch Rapp is the best hero the thriller genre has to offer" (The Real Book Spy).

American Kingpin Hachette UK

NEW YORK TIMES BESTSELLER From Blackstone chairman, CEO, and co-founder Stephen A. Schwarzman, a long-awaited book that uses impactful episodes from Schwarzman's life to show readers how to build, transform, and lead thriving organizations. Whether you are a student, entrepreneur, philanthropist, executive, or simply someone looking for ways to maximize your potential, the same lessons apply. People know who Stephen

Schwarzman is—at least they think they do. He's the man who took \$400,000 and co-founded Blackstone, the investment firm that manages over \$500 billion (as of January 2019). He's the CEO whose views are sought by heads of state. He's the billionaire philanthropist who founded Schwarzman Scholars, this century's version of the Rhodes Scholarship, in China. But behind these achievements is a man who has spent his life learning and reflecting on what it takes to achieve excellence, make an impact, and live a life of consequence. Folding handkerchiefs in his father's linen shop, Schwarzman dreamed of a larger life, filled with purpose and adventure. His grades and athleticism got him into Yale. After starting his career in finance with a short stint at a financial firm called DLJ, Schwarzman began working at Lehman Brothers where he ascended to run the mergers and acquisitions practice. He eventually partnered with his mentor and friend Pete Peterson to found Blackstone, vowing to create a new and different kind of financial institution. Building Blackstone into the leading global financial institution it is today didn't come easy. Schwarzman focused intensely on culture, hiring great talent, and establishing processes that allow the firm to systematically analyze and evaluate risk. Schwarzman's simple mantra "don't lose money" has helped Blackstone become a leading private equity and real estate investor, and manager of alternative assets for institutional investors globally. Both he and the firm are known for the rigor of their investment process, their innovative approach to deal making, the diversification of their business lines, and a conviction to be the best at everything they do. Schwarzman is also an active philanthropist, having given away more than a billion dollars. In philanthropy, as in business, he is drawn to situations where his capital and energy can be applied to drive transformative solutions and change paradigms, notably in education. He uses the skills learned over a lifetime in finance to design, establish, and support impactful and innovative organizations and initiatives. His gifts have ranged from creating a new College of Computing at MIT for the study of artificial intelligence, to establishing a first-of-its-kind student and performing arts center at Yale, to enabling the renovation of the iconic New York Public Library, to founding the Schwarzman Scholars fellowship program at Tsinghua University in Beijing—the single largest philanthropic effort in China's history from international donors. Schwarzman's story is an empowering, entertaining, and informative guide for anyone striving for greater personal impact. From deal making to investing, leadership to entrepreneurship, philanthropy to diplomacy, Schwarzman has lessons for how to think about ambition and scale, risk and opportunities, and how to achieve success through the relentless pursuit of excellence. Schwarzman not only offers readers a thoughtful reflection on all his own experiences, but in doing so provides a practical blueprint for success.

#### Blood and Oil Simon and Schuster

Von heruntergekommenen Städten an der sibirischen Grenze über Steueroasen in der Karibik bis zu den Verbrechervillen in London und Manhattan – irgendwas läuft falsch in dieser Welt. Dieses Buch zeigt Ihnen, was. Vor nicht allzu langer Zeit konnte ein Amtsträger, der sich aus der öffentlichen Kasse bediente, nicht ganz so viel mit seinem Geld anfangen. Er konnte sich ein neues Auto kaufen oder sich ein schönes Haus bauen, es vielleicht noch an Freunde und Familie verschenken, aber das war es im Großen und Ganzen dann auch. Wenn er weiter stehlen würde, würden sich die Geldscheine nur in seinem neuen Haus stapeln, bis alle Zimmer voll wären oder es die Mäuse auffressen würden. Dann hatten ein paar Banker in London eine geniale Idee ... Begleiten Sie den investigativen Journalisten Oliver Bullough auf eine Reise ins »Land des Geldes« – einen grenzenlosen Staat der Superreichen. Erfahren Sie, wie die Institutionen Europas und

der USA zu Geldwäscheinstituten wurden, die die Fundamente westlicher Stabilität untergraben. Entdecken Sie die wahren Kosten einer Geschäftspolitik, die weder Korruption noch Gefahr scheut. Treffen Sie die Kleptokraten und ihre schrecklichen Kinder. Und finden Sie heraus, wie heroische Aktivisten sich auf der ganzen Welt zur Wehr setzen. Dies ist die Geschichte von Geld und Macht im 21. Jahrhundert. Es ist noch nicht zu spät, sie umzuschreiben.

#### **Putins Armee der Trolle** Cambridge University Press

Humour can be used as a »weapon« or as a means of coping with problematic historical events, especially in times of war and crisis. The book presents examples from different cultures (Russia, Europe, USA), from different historical epochs (from the Napoleonic era up to the current time) and from different medias (caricature, journalism, film). By looking at the individual cases it becomes possible to recognize some general structural patterns and to gain a deeper insight into the »functioning« of humour and laughter.

#### *The Plot to Scapegoat Russia* Baldini & Castoldi

Explores European civilisation as a concept of twentieth-century political practice and the project of a transnational network of European elites. This title is available as Open Access.

#### Hitler's Fatal Miscalculation Antje Kunstmann

"THE BOOK CHINA DOESN'T WANT YOU TO READ."--CNN A riveting insider's story of how the Party and big money work in China today, by a man who, with his wife, Whitney Duan, rose to the zenith of power and wealth--and then fell out of favor. She was disappeared four years ago. News of this book led to a phone call from Whitney, proof that she's alive. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and they followed that feat with the creation of one of Beijing's premier hotels. They were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This is both Desmond's story and Whitney's, because she has not been able to tell it herself.

#### *Black Earth* Sort of Books

Russian edition of Red Notice by Bill Browder A real-life political thriller about an American financier in the Wild East of Russia, the murder of his principled young tax attorney, and his dangerous mission to expose the Kremlin's corruption.

#### *Lev's Violin* Simon and Schuster

"Smuggling the most up-to-the-minute contraband in antiquated charabancs-that's what I like doing," Gombrowicz said of his work and in this later day Gothic novel he uses all the traditional paraphernalia of haunted castles, mad prince, and riddle from the past to tell the very modern story of two young people caught up in a drama of shifting identities.

#### **Red Notice** Penguin

In December 2013, David Satter became the first American journalist to be expelled from Russia since the Cold War. The Moscow Times said it was not surprising he was expelled, "it was surprising it took so long." Satter is known in Russia for having

written that the apartment bombings in 1999, which were blamed on Chechens and brought Putin to power, were actually carried out by the Russian FSB security police. In this book, Satter tells the story of the apartment bombings and how Boris Yeltsin presided over the criminalization of Russia, why Vladimir Putin was chosen as his successor, and how Putin has suppressed all opposition while retaining the appearance of a pluralist state. As the threat represented by Russia becomes increasingly clear, Satter's description of where Russia is and how it got there will be of vital interest to anyone concerned about the dangers facing the world today.

*Humour and Laughter in History* Simon and Schuster

It's come to my attention that the old girl's a little bit past her best. And I can hardly maintain my reputation as a terror of the high seas with bits falling off the boat all the time, can I? The Pirate Captain is in trouble. Eager to appease his crew with a boat that has a functioning mast, fewer holes and cannons that actually fire, he splashes out on the fancy new Lovely Emma, spending six thousand doubloons he doesn't have. Finding themselves in debt to the beautiful but deadly Cutlass Liz - or the butcher of Barbados, as she's otherwise known - the pirates need to raise some money fast. In a desperate race against time our heroes embark on an adventure that will take them from the shores of Nantucket to the bright lights of Las Vegas, to the ends of the earth in search of a mythical white whale, and even, perhaps, into the dark depths of madness. But hopefully they'll be home in time for tea.

**Possessed, Or, The Secret of Myslotch** Simon and Schuster  
Corruption... How can policymakers and practitioners better comprehend the many forms and shapes that this socialpandemic takes? From the delivery of essential drugs, the reduction in teacher absenteeism, the containment of illegal logging, the construction of roads, the provision of water and electricity, the international trade in oil and gas, the conduct of public budgeting and procurement, and the management of public revenues, corruption shows its many faces. 'The Many Faces of Corruption' attempts to bring greater clarity to the often murky manifestations of this virulent and debilitating social

disease. It explores the use of prototype road maps to identify corruption vulnerabilities, suggests corresponding 'warning signals,' and proposes operationally useful remedial measures in each of several selected sectors and for a selected sample of cross cutting public sector functions that are particularly prone to corruption and that are critical to sector performance. Numerous technical experts have come together in this effort to develop an operationally useful approach to diagnosing and tackling corruption. 'The Many Faces of Corruption' is an invaluable reference for policymakers, practitioners, and researchers engaged in the business of development.

*The Less You Know, The Better You Sleep* Simon and Schuster

The rapid rise in Russia's power over the course of the last ten years has been matched by a stunning lack of international diplomacy on the part of its president, Vladimir Putin. One consequence of this, when combined with Europe's rapidly shifting geopolitics, is that the West is on a possible path toward nuclear war. Former deputy commander of NATO General Sir Richard Shirreff speaks out about this very real peril in this call to arms, a novel that is a barely disguised version of the truth. In chilling prose, it warns allied powers and the world at large that we risk catastrophic nuclear conflict if we fail to contain Russia's increasingly hostile actions. In a detailed plotline that draws upon Shirreff's years of experience in tactical military strategy, Shirreff lays out the most probable course of action Russia will take to expand its influence, predicting that it will begin with an invasion of the Baltic states. And with GOP presidential candidate Donald Trump recently declaring that he might not come to the aid of these NATO member nations were he to become president, the threat of an all-consuming global conflict is clearer than ever. This critical, chilling fictional look at our current geopolitical landscape, written by a top NATO commander, is both timely and necessary-a must-read for any fan of realistic military thrillers as well as all concerned citizens.

*Adulterous Nations* Pocket Books

At once a financial caper, an international adventure, and a passionate plea for justice, *Freezing Order* is a stirring morality tale about how one man can take on one of the most dangerous and ruthless villains in the world.
