Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Vol. 1 The South Pacific Trilogy. "Move over Moby-Dick, Jaws and Jurassic - here comes the Father!" "Teeth" is a definite 5-star! Timothy may be the next Michael Crichton. "Teeth" ranks among my very favorite books of all time. "Teeth" is a masterpiece of true Samurai spirit. "Teeth" isn't just about a battle between man and Mother Nature. It's a love story, a thriller, a mystery.

Ever wonder what gives French women that je ne sais quoi? At first you might think it's the elegant figure, matchless style, and mysterious allure. Then you realize those qualities don't come from just anywhere. They come from generations of women raised to cultivate an extraordinary sense of self. French women know who they are, like who they are, and excel at presenting who they are. The rest of us are often susceptible to the next fad, the new thing, the ultimate diet. We're always seeking, instead of realizing that what we already are may be just right. Rarely does an American woman feel as comfortable in her own skin as her French counterpart. And rarely does an American woman have that essentially French ability to say no--to refuse anything that doesn't suit her, whether that thing is a job, a man, or the season's latest styles. Provocative and practical, lively and intelligent, *Entre Nous* unlocks the mystery of the French girl and the secrets of her self-possession. Why do French women always look inimitably stylish? How do they manage to sit in a café for a three-course lunch and a glass of wine...by themselves? How do they decide when they're ready to let someone become a part of their very private lives? Laced with practical tips, engaging sidebars, and essential observations about French women and their ways, *Entre Nous* is a delightful book that will help you take the best of all pages from the French girl's book--the page that reveals how to really enjoy life.

Combining age-old texts, fresh insights, inspiring poetry, new translations, and breathtaking art, *Mishkan HaSeder* sets a new standard in Passover Haggadot. Using the beloved format of *Mishkan*

*T'filah* and *Mishkan HaNefesh*, this Haggadah offers beautiful new translations by Rabbis Janet and Sheldon Marder in conversation with an extraordinary collection of poetry from a diverse array of poets. The running commentary by Rabbis Oren Hayon, Seth Limmer, and Amy Scheinerman draws out the historic background of the seder rituals, builds on the social justice issues of our day, and offers contemporary connections to Passover. The text is complemented by full-color works from acclaimed artist Tobi Kahn that will enhance any seder experience. *Mishkan HaSeder* features poetry by Yehuda Amichai, Ellen Bass, Lucille Clifton, Edward Hirsch, Ross Gay, Emma Lazarus, Denise Levertov, Ada Limon, Grace Paley, Dan Pagis, Adrienne Rich, and many more. Equally suited to home and community celebrations, this is a Haggadah for today and tomorrow. *Mishkan HaSeder* has the depth to stimulate experienced seder leaders while its accessible explanations will make those joining our tables for the first time feel welcome. "In this brilliant new Reform Haggadah, the old is made new in a spiritual depth that is dazzling. The felicitous translation of traditional and modern sources, the insightful commentary and questions, the moving poetry, the aesthetically evocative depth of the art, and the beautiful and accessible layout of the text all combine to make this Haggadah a genuine treasure that will enrich Passover and the experience of the seder for this generation of religious seekers. We are all indebted to the CCAR for making this publication possible." -Rabbi David Ellenson, Chancellor Emeritus, Hebrew Union College-Jewish Institute of Religion "Finally, a Haggadah that is gorgeous, creative, serious, egalitarian, poetic, and inspiring! With so many layers of meaning and beauty, this new liturgy for the seder will nourish the skeptics, the seekers, and the scholars in your midst. This is the Haggadah my family and yours have been waiting for." -Rabbi Rick Jacobs, President, Union for Reform Judaism "Mishkan HaSeder is a gorgeous new Haggadah, with powerful feminist commentary that illuminates the moral and ethical underpinnings of the Passover seder and opens new doors of understanding, as well as inspiring poetry that deepens the experience. This is the new gold standard for every seder table." -Sheila Katz, CEO, National Council of Jewish Women "From poetry that lifts the heart to colorful artwork that deepens our vision, from the Talmud's wisdom to the insights of contemporary Jewish teachers, from ancient practice to the urgent call for justice in our own day, *Mishkan HaSeder* will enrich the Passover seder for experienced participants and newcomers alike. Like the seder itself, this new Haggadah is a gathering, a blessing, a feast." -Rabbi David Stern, Senior Rabbi, Temple Emanu-El Dallas and Past President, Central Conference of American Rabbis "This is the Haggadah you have to own. An amazing weaving together of the service we all know, in Hebrew and English, with astounding works of art--poems from many different sources, exceptional page design, and beautiful, meditative color images by the brilliant Tobi Kahn--and with thoughtful commentary that explicates the tradition and orients us to the work yet to be done. There are many Haggadot with various themes, but this is one for the ages, allowing each user to pull out favorite poems, highlight specific directives, open up thoughtful seder table discussions, and become truly immersed in the holiday." -Ruth Messinger, Global Ambassador and Past President, American Jewish World Service

Do you know what the biggest problem plaguing people is these days? It's not so much fitness related as it is related to life - and that problem is - in a nutshell - "MAKING EXCUSES GALORE". Oh, I have no time to train. Oh, the neighborhood gyms are too expensive. Oh, those stretches are too difficult. Oh, and ... ah, why not just do it tomorrow? And so forth. Excuses, my friend, are the reason why most folks never get started on that road to super fitness, health and STRENGTH - both from the inside and the outside, and ZERO EXCUSES FITNESS gives you NO CHANCE to make ANY EXCUSES! In other words, its fitness instruction which flat out WORKS, provided you don't make EXCUSES. NOTHING - I repeat NOTHING - is needed in order for you to do these exercises. NO equipment, NO gyms, not even the much vaunted "Swiss balls" or other "fancy shmancy" abdominal gadgets or gizmos (which ain't worth even the time of day you spend looking at the ads, to be honest). And no,

you don't even need a chinning bar for most of the exercises I've shown. Pull-ups are great, but they are NOT required. Stop making excuses - and grab your copy NOW - and watch a whole NEW world open up to you in terms of OVERALL health, fitness, and strength. To your SUCCESS! Rahul Mookerjee

Unique among the world's fighting forces, the Legion remains one of its most mysterious, as well. Open to volunteers from around the world (men from some 150 countries fill its ranks), the Legion boasts an illustrious and exciting military history stretching from Europe to Africa and Latin America, from Vietnam and Algeria to Afghanistan; features a notoriously difficult selection and training process, accepting only 10 percent of applicants; and has traditionally required soldiers to enlist under assumed names. Soldiers swear allegiance not to France, but to the Legion, which has been romanticized in literature, song, and action movies as a place for men to prove their mettle or start their lives over. In this colorful, highly readable book, a blend of firsthand experience and interviews with former legionnaires, Nick Valdejuli gives an insider's perspective on what it means - and what it takes - to be a Légionnaire. Valdejuli, an English-born American who spent two years in the Legion, lifts the veil on who legionnaires are, what they do, where they serve, why they joined, and why they're willing to die for France, which for most is a foreign country. Stories move from Algeria in the 1960s and the Balkans in the 1990s to more recent French operations in Afghanistan and former colonies in Africa. Drawing on his own experiences as well as those of members from various countries over the past fifty years (including several girlfriends of soldiers), his stories highlight the Legion's intense camaraderie and its members' fierce loyalty to this unique unit, in addition to the extreme mental and physical demands made of them, and the sacrifices of their families back home.

For a century, economists have driven forward the cause of globalization in financial institutions, labour markets, and trade. Yet there have been consistent warning signs that a global economy and free trade might not always be advantageous. Where are the pressure points? What could be done about them? Dani Rodrik examines the back-story from its seventeenth-century origins through the milestones of the gold standard, the Bretton Woods Agreement, and the Washington Consensus, to the present day. Although economic globalization has enabled unprecedented levels of prosperity in advanced countries and has been a boon to hundreds of millions of poor workers in China and elsewhere in Asia, it is a concept that rests on shaky pillars, he contends. Its long-term sustainability is not a given. The heart of Rodrik's argument is a fundamental 'trilemma': that we cannot simultaneously pursue democracy, national self-determination, and economic globalization. Give too much power to governments, and you have protectionism. Give markets too much freedom, and you have an unstable world economy with little social and political support from those it is supposed to help. Rodrik argues for smart globalization, not maximum globalization.

The Book of Jonah is a unique text in the Jewish canon. Among the shortest books in the Bible, it is also one of the most mysterious and morally ambiguous. Who is this prophet running from God,

hiding at the bottom of the ocean? Why does he struggle with God's mission to save and forgive Israel's enemies? In this volume, Rabbi Dr. Yanklowitz shows that the Book of Jonah delivers a message of human responsibility in a shared world. Illuminating such contemporary ethical issues as animal welfare, incarceration, climate change, weapons of mass destruction, and Jewish-Muslim relations, this social justice commentary urges us to join in repairing a broken world--a call that we, unlike Jonah, must hasten to answer.

On 11th September 2001, Art Spiegelman raced to the World Trade Center, not knowing if his daughter Nadja was alive or dead. Once she was found safe in her school at the foot of the burning towers he returned home, to meditate on the trauma, and to work on a comic strip. Subversive, iconic, and burningly articulate, *In the Shadow of No Towers* is New Yorker Art Spiegelman's extraordinary account of 'the hijacking on 9.11 and the subsequent hijacking of those events' by America.

An anthology of essays written by a wide cross-section of rabbis, *Lights in the Forest* presents a range of Jewish responses to both theological and philosophical questions pertaining to God, humanity, and the Jewish people. Thoughtful and engaging, these responses are meant to strengthen the reader's sense of Jewish identity through expanding his or her knowledge and understanding of Jewish life, practice, and tradition. Perfect for self-study, group study, adult learning, and conversion, the collection strives to encourage further study and ongoing discussion through presenting Judaism's intellectual and spiritual tools as means for leading a life full of purpose and commitment "Rabbi Israel of Rhyszin tells a story of two people entering a forest. One has a lantern while one does not. The two meet, and the one carrying the lantern is able to illuminate their shared path. When the two part, the one without a lantern is left in the dark once more. From this, we learn that we all must carry our own light. My hope is that this book will provide light along the path and, in so doing, will provide a wider horizon of Jewish tradition and ideals to light the way." - Rabbi Paul Citrin, Editor Published by CCAR Press, a division of the Central Conference of American Rabbis

The groundbreaking volume *The Torah: A Women's Commentary*, originally published by URJ Press and Women of Reform Judaism, has been awarded the top prize in the oldest Jewish literary award program, the 2008 National Jewish Book Awards. A work of great import, the volume is the result of 14 years of planning, research, and fundraising. THE HISTORY: At the 39th Women of Reform Judaism Assembly in San Francisco, Cantor Sarah Sager challenged Women of Reform Judaism delegates to "imagine women feeling permitted, for the first time, feeling able, feeling legitimate in their study of Torah." WRJ accepted that challenge. *The Torah: A Women's Commentary* was introduced at the Union for Reform Judaism 69th Biennial Convention in San Diego in December 2007. WRJ has commissioned the work of the world's leading Jewish female Bible scholars, rabbis, historians, philosophers and archaeologists. Their collective efforts resulted in the first comprehensive commentary, authored only by women, on the Five Books of Moses, including individual Torah portions as well as the Hebrew and English translation. *The Torah: A Women's Commentary* gives dimension to the women's voices in our tradition. Under the skillful leadership of editors Dr. Tamara Cohn Eskenazi and Rabbi Andrea Weiss, PhD, this commentary provides insight and inspiration for all who study Torah: men and women, Jew and non-Jew. As Dr. Eskenazi has eloquently stated, "we want to bring the women of the Torah from the shadow into the limelight, from their silences into speech, from the margins to which they have often been relegated to the center of the page - for their sake, for our sake and for our children's sake."
