Where there was effort, there will be
ease. Where there was fear, there will be
control. Where there was lack, there will
be wealth. If you fear evil, know that
there is no evil in this grimoire other
than the evil that you bring. Be at ease
with your desires, and you will not falter.
The practical magick in this book gives
you powers that include influence and
control, with magick for money, sex,
passion, and seduction. There are
powers of persuasion, charm, and trust,
alongside those for healing, guidance,
wisdom, and peace. The demons enable
you to solve legal problems, finding
justice and improving your willpower.
You will discover protection, bindings,
and ways to improve personal skills and
creativity. For those who seek greater
control, there is a sequence of corruption
and cursing rituals and methods for
causing disease and mental suffering.
Other powers create illusion or
concealment and even manipulate time
and reality itself. Working with demons
is safe when you accept that the demons
do not need to be restrained or
controlled. A demon wants to fulfill its
destiny by helping you obtain what you
desire. When you get what you want,
that is what the demon wants. This is the
true harmony of magick. When you are
clear about your desire, there is no risk

in surrendering to the power of this magick. You are not selling your soul or making a pact with the devil, but connecting to a legion of consciousness that rewards desire, choice, and determination. Working as The Order of The Unveiled Faces we have performed magick with the powers of Lucifer and The Hidden Demons since 1955. Our intention is to clarify the mysteries and dispel the myths. For those who seek magick, we swear an oath to provide you only with the methods that we know to be true. This is not another book about the demons of Goetia, but one that reveals the Legion of Lucifer. There are more than 100 demons in this book, and most are unknown outside of the secret orders. We reveal the full details of our source materials so you can see how these demons were hidden, and how they were found. You will have the ability to work with hundreds of unique powers. Open your mind, and you will be granted the power to shape, guide, and transform your reality.

Magick is used to attract money, love and luck, but it can also be used to inspire artists, to encourage loyalty and passion, to increase popularity and fame, or to repel attacks. Magick can make people see you in a new light, protect you, end bad luck, open new opportunities, and direct change in whatever way you want. If you have a need, it can be served through magick. With servitor magick you create a spirit yourself, using your mind, heart and soul, to serve your deepest needs. This is the most personal magick imaginable, and it can reward you with extreme pleasure, the power to create change, and the ability to attract prosperity in all areas of your

life. Everything that could be said about servitors has been said. Until now. Servitor magick has been around for a long time, but it became popular in the last half-century or so. There are countless Chaos Magick books and free websites that will tell you how to create a servitor. There are a small number of variations on a theme, but the essence of these sources is the same. Magickal Servitors contains two major secrets discovered by The Gallery of Magick, which are embedded within the fabric of this process. This magick is designed to be accessible to beginners as well as experienced occultists. If you are new to magick, all you need is an open mind and the willingness to work with the techniques as instructed. You will be pleasantly surprised by the way the world yields to the touch of magick. You will discover: Spirits that are easy to contact and effortless to command. Servitors that grow and change with your needs. Magick for long-term, repeating results. Servitors for Self-Development, that help you enhance or subdue a personality trait. Perception Servitors, to see people and situations clearly. Servitors of influence, to stir thoughts and feelings in others. Manifestation Servitors for material rewards and real-world change. The secret process of Vision, Creation and Life that gives birth to a loyal, powerful spirit. Acclaimed author Damon Brand say, 'With the secrets of practical magick, you create your life according to your true will. There is no higher magick than the magick that brings results.' This book presents a system for creating servitors that will enable you to craft a conscious spirit that will act on your behalf, manipulating matter, time and the patterns of reality to bring the results you desire.

When your need is real, speak The Greater Words of Power, and you will bring magick to life. The ritual process is deceptively simple, and yet the rewards can be great. This magick uses secret combinations of sacred words that connect you to divine power, through the magick of angels and archangels. The Greater Words of Power uses the same method that was presented in Damon Brand's acclaimed Words of Power, but this is a standalone book, revealing thirty-one completely new powers. With Rituals of The Mind you can obtain mental focus, overcome procrastination, pass exams, increase energy, sleep peacefully, overcome habits and increase the willpower to eat well. Rituals That Affect Others give you the power to stop arguments quickly, ensure fair legal decisions, subdue unwanted attention, make people warmer to you, and encourage those who are stuck in their ways to change. The Rituals of Emotion enable you to encourage new friendship, attract a romantic partner, end a relationship easily, banish fear and worry, improve your mood and the mood of those around you, or recover lost love. The Rituals of Creativity will enhance all creative thought, make your creative work well-liked, as well as improving artistic skills and musical ability. The Rituals of Transformation help you recover your passion, overcome lost

love, increase your psychic connection to another, overcome bitterness, jealousy and hatred, and receive angelic guidance. One of the most powerful rituals is The Road Opener, to help you discover new pathways and new directions in life. You don't need to fast, pray, cleanse, cast a circle, use a wand or burn incense. This magick is directed by your heart, so you need nothing other than this book and your own desire for change.

When you look at these glorious, mystical Sigils in a specific state of mind, magic happens. The magic happens within you and is reflected in your world. This book contains two types of magic. Contemplation Magic can give you great insight and wisdom, and will help you develop abilities and create new aspects of your personality. Results Magic can be used to make changes in the world

around you. This is the simplest form of magic known, but it works. Each Sigil of Power contains one of The 72 Names of God. These are mighty three-letter words, written in Hebrew. These sacred names are a trigger for real magic. There is one small problem - there's lots of misinformation out there when it comes to the 72 Names. Although there are some first-rate books, and even a few useful websites, there's a lot of poorly researched material that will lead you away from the magic. Often the names are incorrectly listed, badly drawn or their secrets are concealed. Here, the 72 Names of God are presented as visual Sigils, complete with the secret Words of Power that activate them. There are detailed instructions for working on inner change and outer magic. More than 300 individual powers are explored in this book. The Names are written as clearly and beautifully as possible, bound by a solid circle to enhance your focus. Each letter was handcrafted, based on traditional techniques and the visual requirements of modern readers. The Names in this book are the most accurate and accessible that you can find. You will discover how to: Use the names to access angelic power. Work with Contemplation Magic to gain insight and wisdom. Use Results Magic to change yourself and your world. Attract the things, people and events that will make you happy. Banish pain, loneliness, sadness and regret. Develop new character traits. Discover your true will and inner needs. When you work with these Sigils of Power you will gain a stronger connection to yourself, and the better you know yourself the easier it is for all your desires to manifest. That is the real power of Divine Magic.

In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up

being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actuality, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love,

find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is

something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will discover: A method for empowering talismans and sigils. Information on how to choose the right angel. Methods for communicating more directly with angels. Performing angel magick for other people. If you are serious about angelic work, this book can take your efforts to a much higher level. NOTE: If you own *Magickal Angels* the complete ritual is repeated here, so that new readers have access to that material. Be aware that when you buy this book, you are buying several chapters that you have already read. There is plenty of new information, however, as well as 48 new angels along with their sigils.

The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. *Demons of Magick* provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in

several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels. Words of Power for achieving altered states of consciousness. The safest and simplest methods for evoking demons.

Archangels of Magick

CreateSpace This book contains 77 sigils, seals and talismans, each printed on its own page (with nothing on the back), so you can use them easily in rituals. It was designed to be used by magickal workers who are familiar with Damon Brand's first seven books, released by The Gallery of Magick. This book contains all the ritual images from *Magickal Cashbook*, *Wealth Magick*, *Magickal Angels*, *Magickal Seduction*, *Adventures In Sex Magick*, *The Magickal Job Seeker* and *Words of Power*. You can photocopy the images, use them directly in the book or even cut the book up and

use the sigils in your magickal work. Images that contain color - such as the red central seal on the sigils from *Magickal Angels* - have been printed with color. The book also contains colored versions of the *Magickal Cashbook* sigils, to help them blend with your cashbook, along with the newly revised version of the *Nitika* sigil. This book is not essential for students of Damon Brand, but was requested by many readers, because they lack quality printers, or because they wanted high-quality copies of the sigils.
