*Wood Carving* Time Life Medical

The Art of Whittling has provided readers with a wonderful introduction to the enjoyable hobby of whittling for decades. First published in 1930, Walter L. Faurot's guide was one of the first manuals on the subject. This book contains a wealth of traditional whittling project that are not found in many other books today.

Rediscover such classics as: • Interlocking wooden puzzles • Rings and dumbbells • Continuous wooden chains • Ships inside bottles Perfect for a beginner or someone looking to enhance their whittling skills, this book also contains instructions for

making such items as working wooden scissors and pliers, balls in cages, entwined hearts, fans, animal toys, and joint work. Enjoy exploring a new hobby with this unabridged republication of the original edition.

Whittling for Beginners and Kids - 2 BOOKS IN 1 - Courier Dover Publications

Beautifully illustrated guide by a master woodcrafter presents 12 projects, with mix-and-match suggestions for creating dozens of spoons and other implements. Perfect for beginners, the book features clear, detailed directions.

Carving Popular Birds Courier Corporation

This practical guide to woodcarving by an accomplished designer and carver not only provides expert tips on such basics as woods and tools, but also explains how to succeed in completing projects in low and high relief. More than 200 diagrams and photographs accompany clear, concise instructions, enabling novices and veteran woodworkers alike to recreate everything from Gothic tracery to sixteenth-century moldings and lettering. Part One deals with simple carving, gradually advances to slightly modelled detail, and offers expert advice on how to construct rails, chests, a stool, and cradle. Part Two provides examples of more advanced work, with descriptions of Renaissance designs and pierced carvings. Profusely illustrated with photographs and drawings, this volume will serve as a valuable resource for artists and craftspeople, inspiring creative efforts while offering a wealth of helpful hints and practical information.

**Floral Wood Carving** Fox Chapel Publishing

In this wonderful resource for both novice and veteran carvers, two masters of the craft present detailed instructions and

illustrations on how to confidently carve animals, flowers, figures, and more.

Specific instructions, photographs, and angle sketches for 24 projects — from Bolivar Bull through Casper Camel to Sammy Stegosaurus. Only simplest tools and materials used. 94 illustrations. "Excellent for the beginner." — National Carvers Museum Review. "Both beginning and experienced woodcarvers will enjoy this book." — Workbench.

**The Modern Book of Whittling and Woodcarving** Courier Corporation

Best book on market; clear, full. If you can cut a potato, you can carve toys, puzzles, chains, much more. Over 464 illustrations.

*Practical Wood Carving* Fox Chapel Publishing

From making the first cut to applying the finish, this comprehensive resource covers every aspect of woodcarving. Everything is here for the beginning or advanced woodcarver, from choosing the appropriate wood; setting up a shop, selecting, using, and sharpening tools; and performing all the fundamental techniques, such as the push cut, pull cut, stop cut, and slicing cut. Every general carving style -- from classical to whimsical to rustic -- are detailed, as are the basic steps of power carving. Eight step-by-step projects designed to help newer woodcarvers build proficiency are included along with the plans for the rocking horse featured on the cover. Best of all, a handy resource section and a glossary round out this fully illustrated, must-have resource for all woodcarvers.

**Whittling** Dover Publications

Provides step-by-step instructions for flat-plane woodcarving projects, including guidance on painting and finishing each piece  
*The Beginner's Handbook of Woodcarving* Courier Corporation  
 Do you find yourself drawn to wooden art carved with knives and wishing that you can create all the amazing projects you see each day? Do you want a step by step guide on how to get started with whittling to carve out awesome projects in no time? If so, then read on... Have you ever picked up a piece of wood and had that sudden moment where it is as though your mind opened up and you had a rush of inspiration on how to turn that wooden piece into something beautiful? If you have had these feelings, or you are simply interested in wood carving but do not know where to start, there's good news for you. Wood carving can sometimes seem overwhelming. With all the hardware required, maneuvering of wood and high skills deployed to create amazing artworks out of wood, it can sometimes look like a too daunting task for you to approach. But what if there was a way for you to satisfy your desire to create stunning pieces out of wood without having to go through the long and tedious process of cutting, drilling holes, and fighting with heavy machinery? The way around this would be to get started with whittling. Although not as elaborate as full-blown wood carving, whittling is a process of creating amazing artworks and utilities out of wood, with the aid of smaller tools that are easily obtainable. This implies that with some patience, attention to detail, a whittling knife, and some time, you will be able to create simple woodwork that is both beautiful and useful to you. This book throws more light into the subject of wood whittling. As an ancient practice dating back to a very long time ago, whittling has evolved, and there is so

much more that you can achieve with just your whittling knife and all the factors that have been mentioned above. Within the pages of this book you will; Gain a better understanding of what whittling is all about and how it evolved. Understand the therapeutic benefits of engaging in the art of whittling. Be familiar with the tools you need to have a successful whittling project and how these tools are handled for the best results. Gain insider secrets on the tips and tricks of executing successful whittling projects. Be exposed to 20 whittling ideas that will help bring out your artistic and creative side to life. Be privy to some of the most frequently asked whittling questions that will provide you with a deeper insight and further guidance into the art of wood carving with knives. ...And a whole lot more! This book offers a crash course for beginners into the art of whittling. Even if you had no idea of the craft, by the time you are done with the knowledge within these pages, you should be up and ready to complete your first whittling project. It is not that difficult to create all those amazing woodwork you have wanted to create all this while with knives. With the knowledge hidden in this book, you are well covered. To access the wealth of knowledge in this book, simply get your copy RIGHT NOW.
