## MARSHALL SWANSON

**The Secret of the Rosary** Emmaus Road Publishing  
 This book should be confused with shorter works by Saint Alphonsus issued under the title of 'The Glories of Mary'. This is a photographic reprint of the 1852 edition of the English translation of this work, and is complete. The first section is an exhaustive explanation of the Salve Regina, the Hail Holy Queen. At the end of this section is a collection of devout prayers by the Saints to the Blessed Virgin Mary, which is not in other editions. The second section is a series of discourses on the seven major feasts of the Blessed Virgin Mary. These are the Immaculate Conception, the Birth of Mary, The Presentation of Mary in the Temple, the Annunciation, the Visitation, the Purification of Mary at Jesus' Presentation in the Temple, and the Assumption. Added to this is a discourse on the Seven Sorrows of Mary. The next section goes into detail into each of the seven dolours of Mary. The next section considers the many virtues of Mary, her humility, charity, faith, hope, chastity, poverty, obedience and patience. Also Mary's prayer is considered in depth, since she is a model for us in prayer. This section includes the many practices of devotion to Mary, such as the Hail Mary, the Novenas before her feasts, the Rosary, fasting, visiting images of Mary, the Brown Scapular, etc.  
**Poor Banished Children of Eve** Catholic Answers Press  
 The first part of St. Alphonsus' masterpiece, The Glories of Mary, collected from the Saints, Doctors of the Church, and other holy authors. Amazing statements on Our Lady's God-given role in securing our salvation; with remarkable stories of miracles and graces she obtained. Shows that devotion to Mary is a most certain mark of eternal salvation! Gives profound encouragement and firm hope for eternal victory through Mary, the Mother of God—who can obtain from her Divine Son anything she asks.  
*Behold Your Mother* Liguori Publications  
 An illuminating, reassuring explanation of the Catholic Church's teachings on confession and forgiveness by the bestselling author of *The Lamb's Supper* and *Hail, Holy Queen*. Jesus told his first clergy, "If you forgive the sins of any, they are forgiven; if you retain the sins of any, they are retained." In *Lord, Have Mercy*, Scott Hahn explores the sacrament of reconciliation and shows why it is the key to spiritual growth, particularly in these times of intense anxiety and uncertainty. Drawing on the history of ancient Israel, the Gospels, the writings of the early Church, and the lives of the saints, Hahn reveals the living, scriptural heart of the Church's teachings on penance, forgiveness, and reconciliation. It is a story that begins with the sin of Adam and Eve, continues in the biographies of Moses, King David, and the Apostle Peter, and

reverberates in the lives of believers today. Hahn presents the Catholic and biblical perspective on sin and mercy, elucidating in clear, easily understood language the true import of Jesus' simple, yet profound promise—"I am the door; if anyone enters by Me, he will be saved (John 10:9). Like Hahn's earlier books, *Lord, Have Mercy* offers thoughtful, authoritative insights into controversial issues and disputed doctrines in a manner that will enlighten lay readers yet is thorough enough for scholars to appreciate. More than just a Bible study, it is a guide for the perplexed, providing practical advice and inspiration that will help readers come to a deeper knowledge of themselves and of Jesus through the sacrament of penance.

*Hail, Holy Queen* Marian Press - Association of Marian Helpers  
 The Gospel can be considered a Manual of Prayer, a letter written by the Holy Spirit to you. But God's Word doesn't live in a book. It comes alive when you pray about it. It is not about getting to know what the 'Historical Jesus' did two thousand years ago, what He said "back then"; Jesus Christ is not 'back then' anymore, He is alive, and is longing to talk to you. Taking the Gospel of the day, the iPray provides a commentary that can be a trigger for an authentic and personal conversation with Jesus. That time of prayer spent with Jesus is like a 'cooking pot' in which you blend the Words and scenes of Jesus' life, found in the Gospel, together with your daily life, your worries, your family and friends, all heated up by the fire of the Holy Spirit. 'iPray with the Gospel' is not a ready-made meal you can just throw in the microwave, as if they were some prayers that you read and that's it. It is more like a personal recipe that only you can cook with the help of the Holy Spirit.

### **Through the Year with Mary: Ponder and Pray Together with Children** e-artnow

From the bestselling author of *The Lamb's Supper* comes an illuminating work on the Catholic Eucharist and its link to the Jewish Passover meal. "Read this book. And don't just read it. Pray about it. Reflect on it. And share it with others."—Brant Pitre, author of *The Case for Jesus* In this brilliant book—part memoir, part detective story, and part biblical study—Scott Hahn opens up new vistas on ancient landscapes while shedding light on his own enduring faith journey. The Fourth Cup not only tracks the author's gradual conversion along the path of Evangelicalism to the doorsteps of the Catholic faith, but also explores the often obscure and misunderstood rituals of Passover and their importance in foreshadowing salvation in Jesus Christ. Revealing the story of his formative years as an often hot-headed student and earnest seeker in search of answers to great biblical mysteries, Hahn shows how his ardent exploration of the Bible's Old Testament turned up intriguing clues connecting the Last Supper and Christ's death on Calvary. As Hahn tells the story of

his discovery of the supreme importance of the Passover in God's plan of salvation, we too experience often-overlooked relationships between Abel, Abraham, and the Hebrews' liberation from slavery in Egypt. Along the way, Hahn reveals how the traditional fourth cup of wine used in the concluding celebration of Passover explains in astonishing ways Christ's paschal sacrifice. Rooted in Scripture and ingrained with lively history, *The Fourth Cup* delivers a fascinating view of the bridges that span old and new covenants, and celebrates the importance of the Jewish faith in understanding more fully Christ's life, death, and resurrection.

### **Redeemer in the Womb** Image

An in-depth presentation of the Gebirah or 'Great Lady' tradition in salvation history and its profound connection to the doctrine of Mary's queenship. Edward Sri demonstrates how the queen-mother theme in the Davidic kingdom sheds light on the role of Mary as heavenly Queen. This compelling read will bear much fruit for those seriously looking to grow in their knowledge and love of Scripture.

### **The Glories of Mary** Ignatius Press

Traditional prayer, often considered rote, tends to be neglected by people who claim to take their faith seriously. In *The Words We Pray*, author Amy Welborn offers an insightful exploration into 18 traditional prayers and the vital spiritual role each one can play. This enchanting prayer book includes the history and traditional use of each prayer as well as personal anecdotes to show why the body of Catholic traditional prayers is "a treasure worth rediscovering." From the Psalms to traditional Marian prayers to the Lord's Prayer to Amen, the prayers explored in *The Words We Pray* are gifts from the past that can greatly benefit our spiritual life today.

### **Five Pillars of the Spiritual Life** Image

Saint Ignatius Loyola, the founder of the Jesuits, espoused the ideal of becoming "contemplatives in action." He was convinced that contemplation (the deep awareness and appropriation of the unconditional love of God) should affect our actions, and that our actions need to be brought back to contemplation. These five dimensions of the spiritual life: (1) the Holy Eucharist, (2) spontaneous prayer, (3) the Beatitudes, (4) partnership with the Holy Spirit, and (5) the contemplative life itself, generally do not develop simultaneously or even in parallel ways. Some develop very quickly, but do not achieve significant depth; while others develop quite slowly, but seem to be almost unending in the depth of wisdom, trust, hope, virtue, and love they engender. The best way of explaining this is to look at each of the pillars individually. Before doing this, however, it is indispensable for each of us to acknowledge (at least intellectually) the fundamental basis for Christian contemplation, namely, the

unconditional Love of God. Jesus taught us to address God as Abba. If God really is Abba; if His love is like the father of the prodigal son; if Jesus' passion and Eucharist are confirmations of that unconditional Love; if God really did so love the world that He sent His only begotten Son into the world not to condemn us, but to save us and bring us to eternal life (Jn 3:16-19); if nothing really can separate us from the love of God in Christ Jesus (Rm 8:31-39); and if God really has prepared us "to grasp fully, with all the holy ones, the breadth and length and height and depth of Christ's love, and experience this love which surpasses all understanding, so that we may attain to the fullness of God Himself" (Eph 3:18-20), then God's love is unconditional, and it is, therefore, the foundation for unconditional trust and unconditional hope. There can be nothing more important than contemplating, affirming, appropriating, and living in this Unconditional Love. This is the purpose of contemplation; indeed, the purpose of the spiritual life itself.

*Hail Holy Queen* National Geographic Books

The last dogma defined by the Church is the Assumption of the Blessed Virgin Mary into heavenly glory. This dogma is the gateway to answer one of the greatest problems that has ever faced the human race. What is the meaning of life? Is death the end of everything? Mary's Assumption tells us that eternal life with God is the final evolution of every man and woman who dies in the friendship of God. At the end of time all will be taken up and transformed, the body and the soul, the corporeal and the spiritual. For all that God created is sacred and loved. Where Mary is, all the elect will be. Whoever contemplates this mystery learns much about God, Christ, Mary, the Church and oneself. The Virgin Mary is one who walked in the darkness of faith and never despaired, one who obeyed and never deserted, one who loved and was never unfaithful. She is an example of the perfect disciple. Mary was Jesus' first and the most perfect disciple of Christ. The Virgin Mary, taken up into heaven after her earthly life, remains for us the symbol of all that we should be, and of all that we will be, if only we are faithful to Christ. She is the woman in the life of Christ and the woman in the life of all who follow him. On earth Mary was the mother of Jesus and his wholehearted companion, his comfort and joy. Now in heaven close to Jesus, she watches over us with a mother's care and intercedes for us. She is our life, our sweetness and our hope. She is our shining example. Where she is, we shall be. God knows we need the woman clothed in glory. The purpose of this book is to contemplate the Virgin Mary in her heavenly glory. The book's reflections go beyond the mystery of the Assumption in itself to contemplate the Mother of God in glory in relation to Christ and the Church. For Mary in glory is close to Christ and the people of God. We hope to penetrate more deeply this twofold mystery. To facilitate this task, the book is divided the study into two parts: The Assumption in the Mystery of Christ, and the Assumption in the Mystery of the Church. The first part follows the model of Chapter eight of the Constitution on the Church of the Second Vatican Council. There as here, Mary is considered first in the mystery of Christ and then in the mystery of the Church. The first part is actually a commentary on the Apostolic Constitution *Munificentissimus Deus* that defined the dogma of the Assumption. It is here we perceive that the Assumption is not an isolated privilege granted to Mary, but one that is intimately joined with the person and mission of Christ. Her triumphal entrance into glory is part of Christ's victory over sin and death. The second part goes beyond the Constitution and ponders the Immaculate Virgin in heaven in relation to the mystery of the Church. The first consideration is Mary in heaven as the model, image and beginning of the pilgrim Church. This is followed by her relation to the suffering and heavenly Church. The final chapter ponders the texts of the liturgical feast of the Assumption. It is in the liturgy of the feast that we experience God's love for the human family; Mary's inseparable union with Christ her Son and Savior, and the joy that we are called to experience once our pilgrimage of faith is over. For, taken up to heaven we join Mary in the communion of saints in union with Christ our Lord.

**Hail, Holy Queen** Image

A book that gives a profound explanation of how one can relate with the Immaculate by means of "the Marian Vow" of total consecration to the Immaculate that is transformative and life-changing. This book is a treatise on total consecration to the Immaculate, conceived initially by St. Maximilian M. Kolbe and has developed into the distinctive charism of the Franciscans of the Immaculate. Such charism finds its consummation in the profession of this Marian consecration in the form of a religious vow, known as, "The Marian Vow." Finding its original inspiration in St. Maximilian Kolbe who envisioned of a "fourth vow" of consecration that puts no limit to the missionary work of the religious, Fr. Stefano Manelli, the founder of the Franciscans of the Immaculate continued with the same inspiration and develop it to include both Marian and missionary character. This book is the theological and ascetical explanation of this Marian Vow. The book is not, by all means, exclusive to the Franciscans of the Immaculate. One can find universal insights based on solid spiritual theology of how one can relate in a more personal way with the Immaculate who ceases to be just a mere figure of veneration; she becomes alive and present to one's soul in a

unique way that is transformative and life-changing. This book is utterly unique and inspired. As the Founder and Father General of the entire family of the Franciscans of the Immaculate (Friars, Sisters, Poor Clares, Tertiaries, and M.I.M.), Fr. Stefano has distilled, and put into writing for his children, the illumination he has received about the Marian Vow over the past decades. This work is the fruit of his life of prayer, study, and missionary activity. It is the fruit of his profound union with the Immaculate Heart of Mary.

*Queen Mother* Our Sunday Visitor

In this handy little guide, best-selling author Fr. Donald Calloway, MIC, teaches you how to pray the Rosary well and why it matters, addressing issues such as: Why pray the Rosary? How long should a well-prayed Rosary take? What are the graces attached to praying the Rosary? How can I become a champion of the Rosary? Our Lady needs Rosary champions to help bring peace in the world. Will you answer her call to prayer?

*The Words We Pray* Emmaus Road Publishing

Catholic Hymns is a collection of religious poems, chants, hymns and sermons assembled by a Roman Catholic priest Henry Formby from Catholic Hymn-books and from the works of Catholic authors. Hymns have been carefully revised, and in some instances cast into an almost entirely new form. x000D\_ Table of Contents: x000D\_ A Child's Hymn to the Blessed Virgin x000D\_ Advent Hymn x000D\_ An Evening Hymn to the Blessed Virgin x000D\_ Christmas Hymn I. x000D\_ Christmas Hymn II. x000D\_ Come, O Creator Spirit x000D\_ Divine Grace x000D\_ Divine Providence x000D\_ Easter Hymn I. x000D\_ Easter Hymn, II. x000D\_ Evening Hymn x000D\_ Faith of our fathers x000D\_ Faith of our fathers (for Ireland) x000D\_ Feast of Corpus Christi x000D\_ Feast of the Annunciation of B. The well-known and very popular Catholic couple, Scott and Kimberly Hahn, have been constantly travelling and speaking all over North America for the last few years about their conversion to the Catholic Church. Now these two outstanding Catholic apologists tell in their own words about the incredible spiritual journey that led them to embrace Catholicism. Scott Hahn was a Presbyterian minister, the top student in his seminary class, a brilliant Scripture scholar, and militantly anti-Catholic ... until he reluctantly began to discover that his "enemy" had all the right answers. Kimberly, also a top-notch theology student in the seminary, is the daughter of a well-known Protestant minister, and went through a tremendous "dark night of the soul" after Scott converted to Catholicism. Their conversion story and love for the Church has captured the hearts and minds of thousands of lukewarm Catholics and brought them back into an active participation in the Church. They have also influenced countless conversions to Catholicism among their friends and others who have heard their powerful testimony. Written with simplicity, charity, grace and wit, the Hahns' deep love and knowledge of Christ and of Scripture is evident and contagious throughout their story. Their love of truth and of neighbor is equally evident, and their theological focus on the great importance of the family, both biological and spiritual, will be a source of inspiration for all readers.

**Manresa** Academy of the Immaculate

A shortened version of Kreeft's much larger Summa of the Summa, which in turn was a shortened version of the Summa Theologica. The reason for the double shortening is pretty obvious: the original runs some 4000 pages! (The Summa of the Summa was just over 500.) The Summa is certainly the greatest, most ambitious, most rational book of theology ever written. In it, there is also much philosophy, which is selected, excerpted, arranged, introduced, and explained in footnotes here by Kreeft, a popular Thomist teacher and writer. St. Thomas Aquinas is universally recognized as one of the greatest philosophers who

ever lived. His writings combine the two fundamental ideals of philosophical writing: clarity and profundity. He is a master of metaphysics and technical terminology, yet so full of both theoretical and practical wisdom. He is the master of common sense. The Summa Theologica is timeless, but particularly important today because of his synthesis of faith and reason, revelation and philosophy, and the Biblical and the classical Greco-Roman heritages. This little book is designed for beginners, either for classroom use or individually. It contains the most famous and influential passages of St. Thomas' philosophy with copious aids to understanding them.

*The Marian Vow of Unlimited Consecration to the Immaculate* Ignatius Press

From the cross Jesus gave us his mother to be our mother, too: a singularly holy model, consoler, and intercessor for our spiritual journey. Yet most Protestants, and too many Catholics don't understand the role that God wants her to play in our lives. In *Behold Your Mother*, Tim Staples takes you through the Church's teachings about the Blessed Virgin Mary, showing their firm Scriptural and historical roots and dismantling the objections of those who mistakenly believe that Mary competes for the attention due Christ alone. Combining the best recent scholarship with a convert's in-depth knowledge of the arguments, Staples has assembled the most thorough and useful Marian apologetic you'll find anywhere. Relevant and essential -- Mary matters. Read *Behold Your Mother* and find out just how much.

**Lord, Have Mercy** Ignatius Press

Analyzes four biblical passages (Genesis 2-3, Hosea 1-3, Ezekiel 23, and Proverbs 7) in which a woman is the source or symbol of sin.

**The Assumption of Mary** Image

For two-thousand years, Christians around the world have sought the Blessed Virgin Mary as a guide to growing closer to her Son, Jesus. Through Scripture, Catholic teaching, devotions, and countless works of art, we come to see Mary as our Mother, too. Through the Year with Mary by Katherine Bogner brings together the Church's traditions in one place and provides a year-long plan for coming to know and love the Mother of God through Weekly passages from Scripture, saints, and scholars Reflections to nurture your understanding of Marian teaching and devotion Sacred art from around the world Marian prayers to teach you to grow closer to Jesus through Mary This comprehensive resource will help adults and children alike to entrust themselves to the most loving Mother of Jesus. *The Holy Mother Mary Is God* Emmaus Road Publishing

This classic devotional work testifies to St. Alphonsus Liguori's love of Mary and is a treasury of Marian stories and teachings, published in this edition to honor the 250th anniversary of its original publication. Alphonsus provides a phrase-by-phrase examination of the Marian hymn "Hail Holy Queen" and meditations on various Marian themes, including her major feasts, seven sorrows, virtues and practices of devotion in her honor.

[Lent and Easter 2020](#) Ignatius Press

Angels and saints. Catholics tend to think of them as different from the rest of us. They're cast in plaster or simpering on a holy card, performing miracles with superhero strength, or playing a harp in highest heaven. Yet they are very near to us in every way. In this lively book, Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance. The truth is that Jesus Christ has united heaven and earth in a close communion. Drawing deeply from Scripture, Dr. Hahn shows that the hosts of heaven surround the earthly Church as a "great cloud of witnesses." The martyrs cry out from heaven's altar begging for justice on the earth. The prayers of the saints and angels rise to God, in the Book of Revelation, like the sweet aroma of incense. Dr. Hahn tells the stories of several saints (and several angels too) in a way that's fresh and new. The saints are spiritual giants but with flesh-and-blood reality. They have strong, holy ambitions—and powerful temptations and opposition that must be

overcome. Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives. In this telling of their story, the saints are neither otherworldly nor this-worldly. They exemplify the integrated life that every Christian is called to live.

Still, their lives are as different from one another as human lives can be. Dr. Hahn shows the heavenly Church in all its kaleidoscopic diversity—from Moses to Mary, Augustine to

Therese, and the first century to the last century. Only saints will live in heaven. We need to be more like the saints if we want to live in heaven someday. Dr. Hahn shows us that our heavenly life can begin now. It must.
