Jabberwocky

Let the rumbling cable car tell you the story! And what a story: From the crookedest street in the world to the Peking ducks in Chinatown, San Francisco is easily one of the world's most enchanting cities. Illustrator Miroslav Sasek captures both the breathtaking landscape and the cosmopolitan flavor of the City by the Bay in *This is San Francisco*. First published in 1962, Sasek's jaunty, colorful illustrations will still dazzle kids and adults alike.

San Francisco's Golden Gate Park Rizzoli Publications

No American city has a more colorful history than San Francisco. In this unique book, author Rand Richards not only provides a vivid narrative of this special city from its very beginnings all the way through to the modern era, but also tells where to find the historic buildings, sites, museums, and artifacts that make that history come alive. Just a few of the things you will find in Historic San Francisco are the locations of, and the fascinating histories behind: A 1623 Spanish cannon that once guarded the entrance to the Golden Gate. A gold nugget discovered by James Marshall at Coloma in January 1848. The last surviving Nob Hill mansion. Relics from the 1906 earthquake and fire including clusters of melted dimes and pennies found in the ruins. Book jacket.

Cityscapes duopress

National bestselling author of *APOCALYPSE NEVER* skewers progressives for the mishandling of America's faltering cities. Progressives

claimed they knew how to solve homelessness, inequality, and crime. But in cities they control, progressives made those problems worse. Michael Shellenberger has lived in the San Francisco Bay Area for thirty years. During that time, he advocated for the decriminalization of drugs, affordable housing, and alternatives to jail and prison. But as homeless encampments spread, and overdose deaths skyrocketed, Shellenberger decided to take a closer look at the problem. What he discovered shocked him. The problems had grown worse not despite but because of progressive policies. San Francisco and other West Coast cities — Los Angeles, Seattle, Portland — had gone beyond merely tolerating homelessness, drug dealing, and crime to actively enabling them. *San Fransicko* reveals that the underlying problem isn't a lack of housing or money for social programs. The real problem is an ideology that designates some people, by identity or experience, as victims entitled to destructive behaviors. The result is an undermining of the values that make cities, and civilization itself, possible.

"Text and images related to particular structures first appeared in the *San Francisco Chronicle*."

A People's Guide to the San

Francisco Bay Area Heyday Books

From internationally popular design blogger SF Girl By Bay comes the ultimate love letter to San Francisco. This gorgeously photographed lifestyle guide gives readers an insider's tour of the City by the Bay through Victoria Smith's unique lens. Organized by neighborhood, each chapter features enchanting photos of hidden corners,

local color, landmarks, and hotspots, revealing why so many people—Victoria included—are falling head over heels for this amazing city. Brimming with original, dreamy photography and packaged as a gorgeous jacketed hardcover, this lovely book makes a perfect gift for photography fans, San Francisco dwellers, visitors to the city, or anyone who has left their heart in San Francisco.

DK Eyewitness San Francisco and the Bay Area Rizzoli Publications

A concise, “colorful, well-told” history of the City by the Bay, from the Gold Rush to the Summer of Love to the twenty-first century (Los Angeles Times). This is the story of San Francisco, a unique and rowdy tale with a legendary cast of characters. It tells of the Indians and the Spanish missions, the arrival of thousands of gold seekers and gamblers, crackbrains and dreamers, the building of the transcontinental railroad and the cable car, labor strife and political shenanigans, the 1906 earthquake and fire, two World Wars, two World's Fairs, two great bridges, the beatniks and hippies and New Left—a story that is so marvelous and wild that it must be true. A new afterword from the author in this updated third edition brings The City into the twenty-first century—a time just as hectic, experimental, and opportunistic as its rambunctious past.

[111 Places in San Francisco that you must not miss](#) Bloomsbury Publishing USA

From stunning coastal views to bridges wrapped in dreamy fog, this collection showcases 300 photos of San Francisco and the greater Bay Area captured by more than fifty acclaimed photographers from across the Instagram community. From the Golden Gate Bridge and the Palace of Fine Arts to Salesforce Tower

and the Transbay Transit Center's elevated rooftop park, from Point Reyes and Muir Woods to Napa and Sonoma wine country, the San Francisco Bay Area has long been celebrated as the most photogenic region in the United States. Nowhere has that magic glittered brighter than on Instagram, where a community of dedicated photographers has captured and shared some of the most stunning images ever seen of the Bay Area. Following the runaway success of New York City on Instagram, this collection encapsulates the San Francisco Instagram experience with fresh takes of familiar icons and fascinating glimpses of the city's newest landmarks and the natural beauty of the Bay Area's most scenic destinations. Complementing the spectacular photography is a list of “Most Instagram-Worthy Spots”—the perfect guides for both photo enthusiasts and adventurers seeking to explore the sights featured in the book. For anyone with a love of the San Francisco Bay Area and Instagram, San Francisco on Instagram will be both the perfect keepsake and a source of inspiration.

Good Night San Francisco PM Press
The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. *Al Capone Does My Shirts* has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there

are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. San Francisco Wilderness Press

In this snapshot of San Francisco, charming images pair with playful text to guide young readers through this unique city. Friendly babies act as tour guides, showcasing where they live and play in the city while providing an authentic tour

of all things local in this sturdy and appealing board book. From famed attractions to iconic landmarks, this educational and entertaining read captures the essence of what it means to live in and visit the City by the Bay. Also included: activities and reading tips to help parents and babies read this book together over and over again!

The End of the Golden Gate

HarperCollins

Known as the "voice and conscience" of San Francisco, Herb Caen once wrote of his "Baghdad by the Bay": "The crowded garages and the empty old buildings above them, the half-filled nightclubs and the overfilled apartment houses, the saloons and the skies and the families huddled in the basements, the Third Street panhandlers begging for handouts in front of pawn shops filled with treasured trinkets, the great bridges and the rattle-trap street cars, the traffic that keeps moving although it has no place to go, thousands of newcomers glorying in the sights and sounds of a city they suddenly decided to love instead of leave." Only in San Francisco.

Al Capone Does My Shirts Chronicle Books

This gorgeous book captures the wonders of this park by the bay. Filled with color photos and historical documents documenting the park's illustrious and colorful past.

A Short History of San Francisco

Chronicle Books

"From the Golden Gate Bridge to seals to cable cars, there's no shortage of bright, bold, and interesting things to count in San Francisco. Explore numbers through the best the city has to offer..."-- Amazon.com.

This is San Francisco Chronicle Books

Capturing an ever-changing San Francisco, 25 acclaimed writers tell their

stories of living in one of the most mesmerizing cities in the world. Over the last few decades, San Francisco has experienced radical changes with the influence of Silicon Valley, tech companies, and more. Countless articles, blogs, and even movies have tried to capture the complex nature of what San Francisco has become, a place millions of people have loved to call home, and yet are compelled to consider leaving. In this beautifully written collection, writers take on this Bay Area-dweller's eternal conflict: Should I stay or should I go? Including an introduction written by Gary Kamiya and essays from Margaret Cho, W. Kamau Bell, Michelle Tea, Beth Lisick, Daniel Handler, Bonnie Tsui, Stuart Schuffman, Alysia Abbott, Peter Coyote, Alia Volz, Duffy Jennings, John Law, and many more, *The End of the Golden Gate* is a penetrating journey that illuminates both what makes San Francisco so magnetizing and how it has changed vastly over time, shapeshifting to become something new for each generation of city dwellers. With essays chronicling the impact of the tech-industry invasion and the evolution, gentrification, and radical cost of living that has transformed San Francisco's most beloved neighborhoods, these prescient essayists capture the lasting imprint of the 1960s counterculture movement, as well as the fight to preserve the art, music, and other creative movements that make this forever the city of love. For anyone considering moving to San Francisco, wishing to relive the magic of the city, or anyone experiencing the sadness of leaving the bay—and ultimately, for anyone that needs a reminder of why we stay. Bound to be a long-time staple of San Francisco literature, anyone who has lived in or is currently living in San

Francisco will enjoy the rich history of the city within these pages and relive intimate memories of their own. •

GIVING BACK TO THE COMMUNITY: A percentage of the proceeds will be given to charities that help those in the bay experiencing homelessness. Every copy purchased offers a small way to help those in need.

Heyday.ORIM

As part of the Cities of the Imagination Series, this book presents an in-depth cultural, historical, and literary guide to San Francisco, a beautiful city renowned for its artists, eccentrics, visionaries, and activism.

Meanwhile in San Francisco Chronicle Books

Trees of San Francisco introduces readers to the rich variety of trees that thrive in San Francisco's unique conditions. San Francisco's cool Mediterranean climate has made it home to interesting and unusual trees from all over the world - trees as colorful and

exotic as the city itself. This new guide combines engaging descriptions of sixty-five different trees with color photos that reflect the visual appeal of San Francisco. Each page covers a different tree, with several paragraphs of interesting text accompanied by one or two photos. Each entry for a tree also lists locations where "landmark" specimens of the tree can be found. Interspersed throughout the book are sidebar stories of general interest related to San Francisco's trees. *Trees of San Francisco* also includes a dozen tree tours that will link landmark trees and local attractions in interesting San Francisco neighborhoods such as the Castro, Pacific Heights and the Mission - walks that will appeal to tourists as well as Bay Area natives.

The Ohlone Way Good Night Books
From co-star and co-creator of Comedy Central's *Broad City*, Abbi Jacobson! A fun keepsake for visitors and SF natives of all ages, this coloring book includes over 30 unique illustrations of San Francisco sites by artist and comedienne Abbi Jacobson. From architectural landmarks and cultural attractions to must-see neighborhoods and everyday street scenes, *Color this Book* captures the beauty and personality of San Francisco. Includes the Castro, the Ferry Building, the Golden Gate Bridge, the Mission, North Beach, Union Square, and more!

Cool Gray City of Love duopress
"You can't really know the place where you live until you know the shapes and origins of the land around you. To feel truly at home in the Bay Area, read Doris Sloan's intriguing stories of this region's spectacular, quirky landscapes."—Hal Gilliam, author of *Weather of the San Francisco Bay Region* "This is a fascinating look at some of the world's

most complex and engaging geology. I highly recommend this book to anyone interested in an understanding of the beautiful landscape and dynamic geology of the Bay Area."—Mel Erskine, geological consultant "This accessible summary of San Francisco Bay Area geology is particularly timely. We are living in an age where we must deal with our impact on our environment and the impact of the environment on us.

Earthquake hazards, and to a lesser extent landslide hazards, are well known, but the public also needs to be aware of other important engineering and environmental impacts and geologic resources. This book will allow Bay Area residents to make more intelligent decisions about the geological issues affecting their lives."—John Wakabayashi, geological consultant
Pictures of a Gone City Univ of California Press

San Francisco, home of cable cars, the Golden Gate Bridge—and its quintessential cool gray fog. As a resident of the Silicon Valley, Karl the Fog naturally uses Twitter and Instagram accounts to document his comings and goings and the beauty of the city he loves (except for when it's sunny). Amassing roughly half a million followers across social platforms, Karl the Fog's witty takes on San Francisco paired with beautiful, evocative photography have earned him celebrity status in the Bay Area and beyond. In this, Karl's very first book, he details his family's history and shares more than 50 scenic selfies along with brand-new, entertaining appreciations of the city, lifting his veil of mist-ery and celebrating San Francisco as only he can.
