The Moving Picture Boy Turner
Publishing Company
South Armagh was first described as
"Bandit Country" by Merlyn Rees when
he was Northern Ireland's Secretary of
State, and for nearly three decades it
has been the most dangerous posting in
the world for soldiers. Toby Harnden has
stripped away the myth and propaganda
associated with South Armagh to

produce one of the most compelling and
important books of the subject. Drawing
on secret documents and interviews in
South Armagh's recent history, he tells
the inside story of how the IRA came
close to bringing the British state to its
knees. For the first time, the identities of
the men behind the South Quay and
Manchester bombings are revealed.
Packed with new information, "Bandit
Country" penetrates the IRA and the
security forces in South Armagh."

A Year with Swollen Appendices
Bloomsbury Publishing

In François Truffaut's opinion *The Innocents* was 'the best English film after Hitchcock goes to America'. Tennessee Williams said of *The Great Gatsby*: 'a film whose artistry even surpassed the original novel'. The maker of both films was Jack Clayton, one of the finest English directors of the post-war era and perhaps best remembered for the trail-blazing *Room at the Top* which brought a new sexual frankness and social realism to the British screen. This is the first full-length critical study of Clayton's work. The author has been able to consult and quote from the director's own private papers which illuminate Clayton's creative practices and artistic intentions. In addition to fresh analyses of the individual films, the book contains new material on Clayton's many unrealised

projects and valuably includes his previously unpublished short story 'The Enchantment' – as poignant and revealing as the films themselves. This is a personal and fascinating account of the career and achievement of an important, much-loved director that should appeal to students and film enthusiasts.

Developing Draft Colts Urbana, Ill. : The Council

When Your Angel Arrives is a play about the immigrant experience particularly in the Western world. Plotted around a black African immigrant who is under pressure from his visiting mother to cast off his Caucasian wife, the play deals with the challenges faced by immigrants and equally touches on cross-cultural marriage and black on black betrayal.

Reading in the 1980s Saint Philip Street Press

An “absorbing” biography of the playwright and Nobel laureate that “unflinchingly explores the darkness that dominated O’Neill’s life” (Publishers Weekly). This extraordinary biography fully captures the intimacies of Eugene O’Neill’s tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O’Neill’s plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital role in

African American cultural history; unpublished photographs, including a unique offstage picture of him with his lover Louise Bryant; new evidence of O’Neill’s desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of *Long Day’s Journey Into Night* in defiance of his explicit instructions. This biography is also the first to discuss O’Neill’s lost play *Exorcism* (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar’s strict accuracy, *Eugene O’Neill: A Life in Four Acts* is a biography worthy of America’s foremost playwright. “Fast-paced, highly readable . . . building to a devastating

last act.” —Irish Times

The World's Worst Records: Volume One
Columbia University Press

The Smartphone Paradox is a critical examination of our everyday mobile technologies and the effects that they have on our thoughts and behaviors. Alan J. Reid presents a comprehensive view of smartphones: the research behind the uses and gratifications of smartphones, the obstacles they present, the opportunities they afford, and how everyone can achieve a healthy, technological balance. It includes interviews with smartphone users from a variety of backgrounds, and translates scholarly research into a conversational tone, making it easy to understand a synthesis of key findings and conclusions from a heavily-

researched domain. All in all, through the lens of smartphone dependency, the book makes the argument for digital mindfulness in a device age that threatens our privacy, sociability, attention, and cognitive abilities.

The Films of Carol Reed Springer

Most often remembered for her gestures, expressive eyes, and body language on the screen, ZaSu Pitts was an unusual actress (and also an excellent cook: she often gave homemade candies to her coworkers, and her collection of candy recipes was published posthumously). This affectionate study of both her private life off-screen and her public persona details how the multi-talented actress became one of film's favorite comedienne and character players. The book includes

many rare photographs.

ZaSu Pitts University Press of Kentucky Hawkwind emerged in 1969 from Ladbroke Grove, the heartland of London's counterculture, to become a "people's band" and have had more line-up changes than their only remaining founding member Dave Brock, can remember. This updated paperback edition includes an exclusive interview with Hawkwind leader Dave Brock, conducted especially for this update. The book also reveals details of their new album Take Me To Your Leader, released in September 2005.

History of Santa Clara County, California Yale University Press Fire Department City of New York honors the department's 137 years of dedicated service to the City of New York by

chronicling its history of the department with a updated listing of all the firefighters that have been killed in the line of duty. This book features 272 pages of which 67 are full-color pages. It has been updated to include the photos of all 343 individuals that so bravely lost their lives on September 11, 2001.

Anita and Me Springer

"Has Scotland suffered from colonial oppression by England for the last 300 years? While historiography may give an answer in the negative, this study reveals that the contemporary Scottish novel is haunted by strong feelings, marked by perceptions of abjection and inferiorisation in response to constructing the English as dominating. Drawing from an unprecedented corpus of contemporary Scottish novels, this

study explores the postcolonial in Scottish fiction in order to investigate the underlying discursive power relations that shape the Scottish literary imagination. The study consequently demonstrates that the analysis of Scottish national identity profits from this new angle of interpretation of the Scottish novel as postcolonial. The analysis of discourses such as those of gender, class, space and place, and race reveals how the construction of the Scottish as marginalised permeates the width of the contemporary Scottish novel, by referring to diverse examples, such as James Kelman's *How late it was, how late* or genre fiction such as Ian Rankin's *Set in Darkness*. Thus, this study provides an insightful reading in the wake of current political

developments such as the Scottish independence referendum." This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use. Anagram Solver is the essential guide to cracking all types of quiz and crossword featuring anagrams. Containing over 200,000 words and phrases, Anagram Solver includes plural noun forms, palindromes, idioms, first names and all parts of speech. Anagrams are grouped by the number of letters they contain with the letters set out in alphabetical order so that once the letters of an anagram are arranged alphabetically,

finding the solution is as easy as locating the word in a dictionary.

The Dust Has Never Settled Manchester University Press

Presents an annotated bibliography of 1200 books for high school students, divided into such sections as Human Rights, Romance, War, Easy Reading, Outdoor Life and Travel, and Colleges. Includes author and title indexes and a directory of publishers.

Freedom Faber & Faber

Are bad girls casualties of patriarchy, a necessary evil, or visionary pioneers? The authors in this volume propose shifts in our perceptions of bad girls by providing new ways to understand them through the case of Japan. By tracing the concept of the bad girl as a product of specific cultural assumptions and

historical settings, *Bad Girls of Japan* maps new roads and old detours in revealing a disorderly politics of gender. *Bad Girls of Japan* explores deviancy in richly diverse media: mountain witches, murderers, performance artists, cartoonists, schoolgirls and shoppers gone wild are all part of the terrain.

Hillary (and Bill). London : Gordon Fraser

In the West Country village of Summerstoke, the family at Marsh Farm are too preoccupied with living their lives to notice the farm sliding into ruin. Charlie Tucker dreams of victory in a motocross race, little sister Alison is determined to dispense with her virginity before the end of the summer, and their brother Stephen is hopelessly in love with the local am-dram star. Meanwhile

mother Jenny dreams of escaping to Weston-super-Mare in the arms of the local vet. Up on the hill in Summerstoke House, unscrupulous Hugh and Veronica Lester watch with undisguised pleasure. If they can get the Tuckers turfed off the land, their dreams of owning a bigger stud farm will become a reality. And at Summerstoke Manor, in the heart of the village, the three elderly Miss Merfields and their ancient nanny have nothing better to do than pull strings and watch.

Canadian Books in Print Leftbank Press/Australian Society for the Study of Labour History

Throughout the twentieth century, labour movement activists have been in the forefront of challenges to war and militarism. With a particular emphasis on the First World War this book seeks to

restore their role to our historical memory. Contributors include Karen Agutter, Anne Beggs-Sunter, Robert Bollard, Verity Burgmann, Liam Byrne, Lachlan Clohesy, Rhys Cooper, Carolyn Holbrook, Nick Irving, Chris McConville, Douglas Newton, Bobbie Oliver, Carolyn Rasmussen, Phil Roberts, and Kim Thoday.

Fighting Against War Cambridge University Press

This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book

highlights revivals and personal-appearance revues.

Bandit Country American Free Press
An affectionate look at some of the worst recordings ever made, *The World's Worst Records* tells the extraordinary but true stories behind some of the most appalling audio crimes ever committed. Extensively researched, and featuring music by major stars, 'outsider' artists and almost forgotten singers and songwriters, read about how Elvis Presley came to record a rock 'n' roll version of the nursery rhyme *Old MacDonald*; discover the truth behind actor Peter Wyngarde's one attempt at pop immortality; meet the beautifully bonkers Florence Foster Jenkins - possibly the most deluded singer in history; find out which Paul McCartney

record is most hated world over. Puzzle over why 60's flower-power icon Donovan would record a song about the toilet habits of astronauts.

Jack Clayton McFarland

In 1997, controversial TV star Paula Yates discovered that her true father was not, as she had believed, disgraced television personality Jess Yates, but the man who had destroyed his career-- Hughie Green. Devastated, she approached Green's son, Christopher, in an effort to unravel the mystery behind her two 'fathers'. Hughie Green was a huge showbiz figure and probably the first star of British TV. His show, *Opportunity Knocks*, launched the career of Les Dawson and many others. Christopher Green's investigation, which forms the heart of this extraordinary

book, uncovered many of the dark and deeply buried secrets that Paula Yates, tragically, never lived to hear.

The Cambridge History of American Literature: Volume 7, Prose Writing, 1940-1990 New York : Bowker

A diary that covers the author's four recording projects caught at different times in their evolution.

Hawkwind: Days of the Underground Eye Books (US&CA)

In this study, Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction. The result is a portrait of the evolving fictional self-consciousness of an immigrant group

over a span of 250 years. Fanning traces the roots of Irish-American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T. Farrell. Later writers treated in depth include Edwin O'Connor, Elizabeth Cullinan, Maureen Howard, and William Kennedy. Along the way he places in the historical record many all but forgotten writers, including the prolific Mary Ann Sadlier. The *Irish Voice in America* is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works. For this second edition, Fanning has added a chapter that covers the fiction of the past decade. He argues

that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience.

Anagram Solver HarperCollins UK
An account of the English rock band Hawkwind shows them to be one of the most innovative and culturally significant bands of the 1970s. Fifty years on from when it first formed, the English rock band Hawkwind continues to inspire devotion from fans around the world. Its influence reaches across the spectrum of alternative music, from psychedelia, prog, and punk, through industrial, electronica, and stoner rock. Hawkwind has been variously, if erroneously, positioned as the heir to both Pink Floyd and the Velvet Underground, and as Britain's answer to the Grateful Dead

and Krautrock. It has defined a genre—space rock—while operating on a frequency that's uniquely its own. Hawkwind offered a form of radical escapism and an alternative account of a strange new world for a generation of young people growing up on a planet that seemed to be teetering on the brink of destruction, under threat from economic meltdown, industrial unrest, and political polarization. While other commentators confidently asserted that the countercultural experiment of the 1960s was over, Hawkwind took the underground to the provinces and beyond. In *Days of the Underground*, Joe Banks repositions Hawkwind as one of the most innovative and culturally significant bands of the 1970s. It's not an easy task. As with many bands of this

era, a lazy narrative has built up around Hawkwind that doesn't do justice to the breadth of its ambition and achievements. Banks gives the lie to the

popular perception of Hawkwind as one long lysergic soap opera; with Days of the Underground, he shows us just how revolutionary Hawkwind was.
