This book argues that we need to focus
attention on the ways that workers
themselves have invested subjectively in
what it means to be a worker. By doing

so, we gain an explanation that moves us beyond the economic decisions made by actors, the institutional constraints faced by trade unions, or the power of the state to interpellate subjects. These more common explanations make workers and their politics visible only as a symptom of external conditions, a response to deregulated markets or a product of state recognition. Instead – through a history of retailing as a site of nation and belonging, changing legal regimes, and articulations of race, class and gender in the constitution of political subjects from the 1930s to present-day Wal-Mart – this book presents the experiences and subjectivities of workers themselves to show that the collective political subject ‘workers’ (abasebenzi) is both a durable and malleable political

category. From white to black women’s labour, the forms of precariousness have changed within retailing in South Africa. Workers’ struggles in different times have in turn resolved some dilemmas and by other turn generated new categories and conditions of precariousness, all the while explaining enduring attachments to labour politics. The beginning astronomical observer passes through a series of stages. The initial stage is hugely exciting and gives the beginner a real buzz as he discovers some of the faint fuzzy objects, markings on the planets, rings around Saturn and the craters on the Moon. But as the novice observer progresses, he or she wants to know what more there is than looking at faint fuzzy blobs or indistinct planet markings. Many jump to the conclusion – wrongly – that they need to spend lots of money on expensive equipment to progress. “From Casual Stargazer to Amateur Astronomer” has been written specifically to address this group of budding stargazers. Astronomy is much more than a quick sightseeing tour. Patient observers who can develop their skills will start to appreciate what

they are seeing, and will know exactly what to look out for on any particular night. And equally important, they will learn what not to expect to see. “From Casual Stargazer to Amateur Astronomer” is for those who want to develop observing skills beyond mere sightseeing, and learn some of the techniques used to carry out enjoyable – and scientifically useful – observations. It will also direct readers to make informed choices about what can be seen and when. This book is for anyone keen to develop their skills as an amateur astronomer.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when •

coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read,

and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop*

Scraping By and Get Your Financial Life Together

Fair Work Frequently Asked Questions

A best practice guide to terminating employment in light of the fair Work Act 2009. Terminating employment can be an emotional and legal minefield, for both the employer and the employee. This guide explains when and how an employer can justifiably terminate employment for a range of reasons, including poor performance and redundancy.

Managing Termination of Employment

These insights on the literary structure and theological argumentation of Paul's letters lead to a deeper and more unified understanding of Paul's message and spirituality. Explanations of apocalyptic

literature, eschatology, and the kenotic hymn (Phil. 2:6-11) contribute to this thorough study of Paul's mind and theology.
