## ANTWAN JANIAH

---

*Historia de Nuestra Señora de Lujan* Duke University Press  
What is your emotional fingerprint? Why are some people so quick to recover from setbacks? Why are some so attuned to others that they seem psychic? Why are some people always up and others always down? In his thirty-year quest to answer these questions, pioneering neuroscientist Richard J. Davidson discovered that each of us has an Emotional Style, composed of Resilience, Outlook, Social Intuition, Self-Awareness, Sensitivity to Context, and Attention. Where we fall on these six continuums determines our own "emotional fingerprint." Sharing Dr. Davidson's fascinating case histories and experiments, *The Emotional Life of Your Brain* offers a new model for treating conditions like autism and depression as it empowers us all to better understand ourselves—and live more

meaningful lives.  
**Crónicas de Bogotá**  
Pepitas ed.  
'A superb work of narrative history' Antonia Fraser On 25 September 1513, a force of weary Spanish explorers cut through the forests of Panama and were confronted with an ocean: the Mar del Sur, or the Pacific Ocean. Six years later the Spaniards had established the town of Panama as a base from which to explore and exploit this unknown sea. It was the threshold of a vast expansion. From the first small band of Spanish adventurers to enter the mighty Inca empire, to the execution of the last Inca forty years later, *The Conquest of the Incas* is a story of bloodshed, infamy, rebellion and extermination, told as convincingly as if it happened yesterday. 'It is a delight to praise a book of this quality which combines careful scholarship with sparkling narrative skill' Philip Magnus, *Sunday Times* 'A superbly vivid history' *The Times*  
*Los santuarios del abismo : crónica de la catástrofe*

*de Fukushima* Brill Archive  
Why do people work hard, and take pride in what they do? This book, a philosophically-minded enquiry into practical activity of many different kinds past and present, is about what happens when people try to do a good job. It asks us to think about the true meaning of skill in the 'skills society' and argues that pure competition is a poor way to achieve quality work. Sennett suggests, instead, that there is a craftsman in every human being, which can sometimes be enormously motivating and inspiring - and can also in other circumstances make individuals obsessive and frustrated. *The Craftsman* shows how history has drawn fault-lines between craftsman and artist, maker and user, technique and expression, practice and theory, and that individuals' pride in their work, as well as modern society in general, suffers from these historical divisions. But the past lives of crafts and craftsmen show us ways of working (using tools, acquiring skills,

thinking about materials) which provide rewarding alternative ways for people to utilise their talents. We need to recognise this if motivations are to be understood and lives made as fulfilling as possible.

#### The Rebirth of Nature

Beacon Press

Howard P. Lovecraft, August Derleth y, ahora, Brian Lumley, entre otros, han creado, fomentado y desarrollado los Mitos de Cthulhu hasta adquirir su actual y amplia popularidad. Los Antiguos existieron antes de la especie humana.

Conquistaron mundos, libraron batallas increíbles y dominaron la magia y la ciencia. Pero eran malignos. Y desde aquella época, sin poder ser eliminados, se han visto confinados en lugares ignotos: Cthulhu en la hundida R'lyeh; Hastur en el lago de Hali, en Carcosa, etc. Pero ¿qué sucede con Shudde-M'ell..., prisionero de los laberintos perdidos de la propia Tierra? ¿Cuáles son los límites, si es que existen, de los poderes de Los Antiguos y sus esbirros menores?

¿Quiénes eran los Dioses Mayores que los aprisionaron y cuál su fuente de poder? ¿Podrá

la humanidad hacer algo para salvarse de estos horrores? H. P Lovecraft creía que no..., que sólo el capricho del destino podría salvarla. Es medianoche. Antes del alba darn conmigo y me encerraran en una celda negra, donde languidecer interminablemente, mientras insaciables deseos roen mis entraas y consumen mi corazn, hasta ser al fin uno con los muertos que amo.

#### Love in the Time of Cholera (Illustrated Edition)

Ls Company "Scots Confession" from John Knox. Scottish religious reformer who played the lead part in reforming the Church in Scotland in a Presbyterian manner (1510-1572).

#### **Estampas populares de Chile**

Barnes & Noble Written in 1595, Fray Mendieta's work presents the history of the advent of Christianity in the Caribbean and Mexican regions as a consequence of the Spanish conquest. He illustrates the triumph and tragedy of the missionary effort and the difficulties in the conversion of the Indians, conflicts between spiritual ends and material interests. This edition of translated sections also presents some translated sections from Mendieta's

letters, including a letter addressed to King Philip II of Spain.

#### *Santuarios de lo íntimo*

Vintage Unfurling like a medieval book of days, each page of Eduardo Galeano's Children of the Days has an illuminating story that takes inspiration from that date of the calendar year, resurrecting the heroes and heroines who have fallen off the historical map, but whose lives remind us of our darkest hours and sweetest victories. Challenging readers to consider the human condition and our own choices, Galeano elevates the little-known heroes of our world and decries the destruction of the intellectual, linguistic, and emotional treasures that we have all but forgotten. Readers will discover many inspiring narratives in this collection of vignettes: the Brazilians who held a "smooch-in" to protest against a dictatorship for banning kisses that "undermined public morals;" the astonishing day Mexico invaded the United States; and the "sacrilegious" women who had the effrontery to marry each other in a church in the Galician city of A Coruna in 1901. Galeano also highlights

individuals such as Pedro Fernandes Sardinha, the first bishop of Brazil, who was eaten by Caete Indians off the coast of Alagoas, as well as Abdul Kassem Ismael, the grand vizier of Persia, who kept books safe from war by creating a walking library of 117,000 tomes aboard four hundred camels, forming a mile-long caravan. Beautifully translated by Galeano's longtime collaborator, Mark Fried, *Children of the Days* is a majestic humanist treasure that shows us how to live and how to remember. It awakens the best in us. *Nuevas meditaciones y viejas crónicas pulidas por el recuerdo* Getty Publications

An essential reference for all game designers, this 1938 classic is "a fascinating account of 'man the player' and the contribution of play to civilization" (Harper's). In this classic evaluation of play that has become a "must-read" for those in game design, Dutch philosopher Johan Huizinga defines play as the central activity in flourishing societies. Like civilization, play requires structure and participants willing to create within limits. Starting with Plato, Huizinga traces the

contribution of Homo Ludens, or "man the player" through Medieval Times, the Renaissance, and into our modern civilization. Huizinga defines play against a rich theoretical background, using cross-cultural examples from the humanities, business, and politics. Homo Ludens defines play for generations to come.

**Memoria ecclesiae: Peregrinación y santuarios en los archivos de la iglesia santoral hispano-mozarabe en las diocesis de España** Brill Archive

From the winner of the first Lannan Prize for Cultural Freedom, a bitingly funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire* Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about

our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." -Los Angeles Times, front page

**Scots Confession** Ballantine Books

Christ in his Sanctuary is the first book of a series called "Ellen G. White books on Salvation". This volume examine the foundation of the sanctuary and the doctrine of the 2,300 days of Daniel 8:14. Excellent

compilation and now in a BIG PRINT EDITION (A4) (15pt). \*\*Complete text, No inclusive language.

Disfruta de un viaje a través de la historia y la cultura con la única Biblia de estudio que se desarrolla en orden histórico, publicada en la traducción más literal en español, la Nueva Biblia de las Américas. La Biblia de Estudio Cronológica NBLA presenta las

Escrituras en orden cronológico, en el orden en que ocurrieron los acontecimientos, con notas, artículos y gráficos a todo color que conectan al lector con la historia y la cultura de los tiempos bíblicos. Empezando por la creación y pasando por el pueblo de Dios en el Antiguo Testamento, la vida de Jesús y el nacimiento de la iglesia, esta Biblia proporciona una imagen vívida de la obra de Dios a lo largo de la historia. Perfecta para los lectores, independientemente de dónde se encuentren en su camino de fe, la Biblia de Estudio Cronológica es un gran recurso de estudio no sólo para comprender mejor el texto, sino también para ayudarle a experimentar esos momentos de una manera nueva y fresca. El texto completo de la NBLA con notas de los traductores y ordenado cronológicamente que proporciona un estudio bíblico cautivador y eficaz. Las ilustraciones a todo color de lugares, artefactos y fenómenos culturales ofrecen al lector una experiencia dramática de sentir "estar allí". Artículos fascinantes que conectan el texto bíblico con la historia y la cultura del mundo. Las

notas de la vida cotidiana le ayudan a relacionarse con la vida de la gente en los tiempos bíblicos. Líneas cronológicas y los gráficos muestran el flujo de la historia bíblica. Los mapas en color del mundo bíblico que aparecen en el texto aportan una representación visual de Israel y otros lugares bíblicos para mejorar el contexto. Letra de fácil lectura de 9 puntos NBLA Comfort Print® NBLA, Chronological Study Bible, Hardcover, 4 Color Interior. The NBLA Chronological Study Bible presents Scripture in chronological order—the order in which the events happened—with notes, articles, and full-color graphics that connect the reader to the history and culture of biblical times. Starting with creation and moving through God's people in the Old Testament, the life of Jesus and the birth of the church, this Bible provides a vivid picture of God's work throughout history. Perfect for readers regardless of where they are in their faith journey, the Chronological Study Bible is a great study resource to not only better understand the text but to also help you experience those moments in fresh, new

ways. The entire NBLA text with translators' notes, arranged in chronological order, provides absorbing and effective Bible study Full-color illustrations of places, artifacts, and cultural phenomena give the reader a dramatic, "you are there" experience Fascinating articles connect the Bible text to world history and culture Daily Life Notes help you relate to how people lived in Bible times Time Panels and Charts show the flow of Bible history In-text and full-page color maps of the biblical world provide a visual representation of Israel and other biblical locations for better context Easy-to-read 9-point NBLA Comfort Print®

**The Vision of the Vanquished** Hachette UK Written by the Mercedarian friar Martín de Murúa, the *Historia general del Piru (1616)* is one of only three extant illustrated manuscripts on the history of Inca and early colonial Peru. This immensely important Andean manuscript is here made available in facsimile, its beautifully calligraphed text reproduced in halftone and its thirty-eight hand-colored images—mostly

portraits of Inca kings and queens—in color.

*Diarios* Penguin UK Presentamos por primera vez —ahora que se cumplen veinte años desde que Iñaki Uriarte iniciara su escritura— la edición completa y definitiva, en un solo volumen, de todos los *Diarios*, que incluye además un espléndido epílogo inédito. Celebrados desde el mismo momento de su publicación por gentes de todo género y condición, los *Diarios* de Iñaki Uriarte están escritos en un estilo admirablemente contagioso. Guiado por la claridad, la sencillez y el sosiego, el autor nos cuenta su día a día en una suerte de celebración de los pequeños e inmensos detalles de la vida, que constituye todo un placer para los sentidos. Una excepcional obra de la literatura en español de nuestro tiempo.

*Crónica de la peregrinación vascongada à Tierra Santa, Egipto y Roma en 1902* Pan Macmillan

Dazzled by the sight of the vast treasure of gold and silver being unloaded at Seville's docks in 1537, a teenaged Pedro de Cieza de León vowed to join the Spanish effort in the New World, become

an explorer, and write what would become the earliest historical account of the conquest of Peru. Available for the first time in English, this history of Peru is based largely on interviews with Cieza's conquistador compatriotes, as well as with Indian informants knowledgeable of the Incan past. Alexandra Parma Cook and Noble David Cook present this recently discovered third book of a four-part chronicle that provides the most thorough and definitive record of the birth of modern Andean America. It describes with unparalleled detail the exploration of the Pacific coast of South America led by Francisco Pizarro and Diego de Almagro, the imprisonment and death of the Inca Atahualpa, the Indian resistance, and the ultimate Spanish domination. Students and scholars of Latin American history and conquest narratives will welcome the publication of this volume.

**The Discovery and Conquest of Peru** Simon and Schuster A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by

the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

*La Ilustración española y americana* RIL Editores  
 NEW YORK TIMES  
 BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post  
 Book World Book club pick for Emma Watson’s Our Shared Shelf Within every

woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon

for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

### **Relacion de Las Fabulas Y Ritos de Los Incas** EDAF

Rupert Sheldrake, one of the world's preeminent biologists, has revolutionized scientific thinking with his vision of a living, developing universe--one with its own inherent memory. In *The Rebirth of Nature*, Sheldrake urges us to move beyond the centuries-old mechanistic view of nature, explaining why we can no longer regard the world as inanimate and purposeless. Sheldrake shows how recent developments in science itself have brought us to the threshold of a new synthesis in which traditional wisdom, intuitive experience, and scientific insight can be mutually enriching.
