 A few weeks ago I received an advance copy of Sara Varon's latest book Bake Sale , and while I'm generally not one to do product pitches or critiques here at Oui Chef, Muppet and I had so much fun reading this tale that I had to tell you about it. In this book, Varon, the author of the award winning "Robot Dreams", has crafted a story full of friendship, sacrifice, dreams, and determination. Bake Sale by Sara Varon - Oui, Chef
