Extracts from Adam's Diary Courier Corporation "As one critic wrote about Searching for Eden: "In the beginning--and throughout the play--here was laughter. And the audience found it good." More than a hundred years after Mark Twain wrote his own short stories about Adam and Eve, James Still combines those stories for Act One of Searching for Eden, and then imagines Adam and Eve in the present day for Act Two to create this completely original and contemporary play about the world's first love story. Act One takes place at the dawn of time in the Garden of Eden. In the imaginations of Still and Twain, the Garden of Eden is a place where the battle of the sexes begins, where language is deliciously invented, and where loneliness and heartbreak are poignantly discovered. After intermission, we jump forward to the present day--but Adam and Eve have only aged into their 40s and are dealing with middle age and the distractions of high-power careers. Adam has

surprised Eve with this trip back to Eden (a last-minute vacation package Adam found on the Internet) as an anniversary gift. The "first couple" returns to present-day Eden (now an upscale resort simply called "E") in an attempt to recapture the primal passions of their youth. While Act One is about childhood, discovery, and new love--Act Two is about middle age, rediscovery and trying to make old love new again. At its heart, Searching for Eden is about the pleasures and terrors of knowing one person--and being known by that person--for a long, long time."--Publisher's website.

The Diaries of Adam and Eve University of Georgia Press Louisa Catherine Adams was daughter-in-law and wife of presidents, assisted diplomat J. Q. Adams at three European capitals, and served as a D.C. hostess for three decades. Yet she is barely remembered today. A Traveled First Lady (with Foreword by Laura Bush) corrects this oversight, by sharing Adams's remarkable story in her own words.

This volume collects the most important writings by Mark Twain in which he used biblical settings, themes, and figures. Featuring Twain's singular portrayals of God, Adam, Eve, Satan, Methuselah, Shem, St. Peter, and

others, the writings stand among Twain's most imaginative expressions of his views on human nature and humankind's relation to the Creator and the universe.

Composed over four decades (1871-1910), the writings range from farce to fantasy to satire, each one bearing the mark of Twain's unmistakable wit and insight. Among the many delights in store for readers are Adam and Eve's divergent accounts of their domestic troubles; Methuselah's discussion of an ancient version of baseball, complete with a parody of baseball jargon; Shem's hand-wringing account of how material shortages and labor troubles were hampering the progress of the ark his father, Noah, was building; a description of the disruptive actions of the fire-and-brimstone evangelist Sam Jones upon arriving in heaven; Captain Stormfield's revelations of what heaven is really like; Satan's musings on our puerile concepts of the afterlife; and Twain's advice on how to dress and tip properly in heaven. Twain's humor, however, is never gratuitous. As readers laugh their way through this volume, they will find

ample evidence of Twain's concerns about scriptural fallacies and inconsistencies, the Bible's rather flat portrayal of important characters, and our limited notions about the nature and meaning of our own--and God's--existence. Many of the pieces in this collection, even the most lighthearted, might still be considered controversial; of some of the darker pieces, Twain himself acknowledged that they would be heretical in any age. Moreover, these writings are valuable cultural artifacts of a time when, across the Western world, fundamental religious beliefs were being called into question by the precepts of Darwinism and the rapid advances of science and technology. Several of this volume's selections are previously unpublished; others, like *Letters from the Earth*, are classics. Virtually all have been newly edited to reflect as closely as possible Twain's final intentions for their form and content. For serious Twain devotees, editors Howard G. Baetzhold and Joseph B. McCullough have supplied an abundance of background material on the writings,

including details on the history of their composition, publication, and relevance to the Twain canon.

The Diaries of Adam and Eve, Mark Twain; Includes: 100 famous quotes of Mark Twain, Complete bibliography of Mark Twain, Biography of Mark Twain, MONDAY.-This new creature with the long hair is a good deal in the way. It is always hanging around and following me about. I don't like this; I am not used to company. I wish it would stay with the other animals.... Cloudy today, wind in the east; think we shall have rain.... WE? Where did I

get that word-the new creature uses it. TUESDAY.-Been examining the great waterfall. It is the finest thing on the estate, I think. The new creature calls it Niagara Falls-why, I am sure I do not know. Says it LOOKS like Niagara Falls. That is not a reason, it is mere waywardness and imbecility. I get no chance to name anything myself. The new creature names everything that comes along, before I can get in a protest. And always that same pretext is offered-it LOOKS like the thing. There is a dodo, for instance. Says the moment one looks at it one sees at a glance that it "looks like a dodo." It will have to keep that name, no doubt. It wearies me to fret about it, and it does no good, anyway. Dodo! It looks no more like a dodo than I do.
