Light on Fire Penguin

A book of modern mysticism about rediscovering the true meaning of faith and how to reclaim our spiritual wisdom. Light on Fire is the soulful exploration of one woman's journey to awakening and becoming a modern-day Christian mystic. It's a compassionate guide that will support others on the path to awakening by offering new insights and practical guidance on how to reconnect with our innate spirituality. In her search to understand her own spontaneous awakening, Aedamar discovered that awakening is a natural life process from which we have become estranged. In beautifully poetic language, and through accessible philosophy, Aedamar shares how and why we are designed to wake up, and to experience Divine Union, in the ordinary course of life. Waking up is what is now needed to heal ourselves and the deeply rooted traumas of Western society. Light on Fire concludes with 'The

Path of Gold', Aedamar's seven-stage guide to awakening that offers a model for rediscovering Divine Love in everyday life. It helps us to reconnect with our spiritual wisdom, which is critical as we enter a new era that uniquely calls us to mysticism and to love.

When one reaches the highest degree of human maturity, one has only one question left: How can I be helpful?—TERESA OF ÁVILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow-up to the contemporary classic, *The Holy Longing*. With his trademark acuity, wit, and thoughtfulness, Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity. In this new book, Rolheiser takes us on a journey through the dark night of the senses and of the spirit. Here, we experience the full gamut of human life, pleasure and fervor, disillusionment and boredom. But, as Rolheiser explains, when we embrace the struggle

and yearning to know God we can experience too a profound re-understanding to our daily lives. "What lies beyond the essentials, the basics?" Rolheiser writes. "Where do we go once some of the basic questions in our lives have been answered, or at least brought to enough peace that our focus can shift away from ourselves to others? Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness? Who am I? Who loves me? How will my life turn out? Where do we go once the basic question in life becomes: How can I give my life away more purely, and more meaningfully? How do I live beyond my own heartaches, headaches, and obsessions so as to help make other peoples' lives more meaningful? The intent of this book is to try to address exactly those questions: How can we live less self-centered, more mature lives? What constitutes deep maturity and how do we reach that place? And, not unimportantly, what constitutes a more adult, Christian discipleship? What constitutes a truly mature following of

Jesus?" As the poet Rainer Maria Rilke suggests, "Live the questions now." In *Sacred Fire*, Rolheiser's deeply affecting prose urges us on in pursuit of the most holy of all passions—a deep and lasting intimacy with God. *Longing for the Bomb* Reaktion Books Tibetan Buddhist practices and prayers focussed on Amitabha (Limitless Light) Buddha in the Mahayana tradition developing wisdom and compassion as the means to dissolve the obscurations which limit our capacity to engage fully with life.

Fill These Hearts Hay House, Inc Longing for Intimacy is an open and honest account of the journey of a woman walking through same-sex attraction while finding freedom and healing for her heart along the way. Incorporating excerpts from her journal and reflection questions for the reader, this book serves as a practical tool to encourage, challenge, and give hope to women who are struggling with same-sex attraction. Amy's candid writing is not only helpful for women who wrestle with same-sex attraction, but also for pastors, counselors, and family

members seeking to walk alongside them. "By sharing her story, embedded in scriptural truth and humble vulnerability, this book gives not only hope, but a path to walk on for any woman seeking freedom from same-sex attraction and the temptations connected to it." - from the foreword by Ellen Dykas, author/editor of *Sexual Sanity for Women: Healing from Sexual and Relational Brokenness* *A Scatter of Light* iUniverse

There is a pathway through suffering. It's not easy, but God will use it to lead you toward healing. This path is called Lament. Lament leads us between the Already and the Not Yet. Lament minds the gap between current hopelessness and coming hope. Lament anticipates new creation but also acknowledges the painful reality of now. Lament recognizes the existence of evil and suffering-- without any sugarcoating- - while simultaneously declaring that suffering will not have the final say.

Your Longing Has a Name Princeton University Press

Neither day nor night, twilight has long exerted a fascination for Western artists, thinkers, and

writers, while haunting the Romantics and intriguing philosophers and scientists. In *The Last of the Light*, Peter Davidson takes readers through our culture's long engagement with the concept of twilight—from the melancholy of smoky English autumn evenings to the midnight sun of northern European summers and beyond. Taking in poets and painters, Victorians and Romans, city and countryside, and deftly combining memoir, literature, philosophy, and art history, Davidson shows how the atmospheric shadows and the in-between nature of twilight has fired the imagination and generated works of incredible beauty, mystery, and romance. Ambitious and brilliantly executed, this is the perfect book for the bedside table, richly rewarding and endlessly thought-provoking. *Temple Portals* Walter de Gruyter GmbH & Co KG My life as a Kane was lit in the Indigos, Aquamarines and Magentas of a home built on quiet faith and prayer. But Johnny changed all that. Where I had stood transfixed by the gloss on the surface of living, he called me

forward from the pages of the books, away from the blinders that faith can surreptitiously place upon your eyes and out into a world populated by those who live their lives in the shadow of necessary fictions.

Leonard Cohen is one of the great writers, performers, and most consistently daring artists of our time. Book of Longing is Cohen's eagerly awaited new collection of poems, following his highly acclaimed 1984 title, Book of Mercy, and his hugely successful 1993 publication, Stranger Music, a Globe and Mail national bestseller. Book of Longing contains erotic, playful, and provocative line drawings and artwork on every page, by the author, which interact in exciting and unexpected ways on the page with poetry that is timeless, meditative, and at times darkly humorous. The

book brings together all the elements that have brought Leonard Cohen's artistry with language worldwide recognition.

A major aim of Grob's study is to show Arnold as poet to be possessed of far greater philosophic depth and subtlety than his critics have usually credited him with by identifying the deep affinities and shared weltanschauung of his poetic vision with the metaphysical pessimism of Schopenhauer, the major European philosopher whose insistence on the cosmic opposition between the world as will and the world as idea provided the most important philosophic alternative in the nineteenth century to the age's otherwise dominant progressive historicism."--Jacket.

"Longing is the core of mystery. Longing itself brings the cure." Rumi In every tradition, saints and poets speak of the soul's search for the beloved, the seeker's yearning for the divine. This holy longing, a secret feeling with many disguises, leads us to pursue religious discipleship,

spiritual practice, romantic union, or an ideal community. It guides us to timeless wisdom and transcendent experience. But it also can go awry, when we misplace it onto objects, such as food, alcohol, drugs, or sex, believing that they will satisfy our craving. Or when we misplace it onto an authoritarian personality, believing that he or she will meet our unmet needs. If this teacher or priest abuses power, we encounter the shadow side of spiritual life. Whether the abuse is sexual, financial, or emotional coercion, we may feel forsaken and lose faith, even in God. The Holy Longing tells the stories of teachers in many traditions Sufi poet Rumi, Hindu master Ramakrishna, Christian saint Catherine of Siena whose lives unfolded as they followed their longing. And it tells the tales of many ordinary people Catholic believers, students of Zen and TM, followers of Trungpa Rinpoche and Rajneesh and their encounters with spiritual shadow. Finally, it offers wise counsel for rekindling the flame of faith-moving through the shadow to the light by reclaiming sacred parts of the self that were lost

along the way.

Lucia and the Light

Penguin

The epic made simple.

The miracle in the mundane. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale.

Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking, without planning, and without the ability to revise anything.

He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work—poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

twelve texts collected and translated by James Low, who copied them from the travelling libraries of yogis practicing in the Himalayas. These twelve traditional teachings show us how to recognize our own enlightened being as infinite awareness free of all effort and artifice: Freed from limiting false assumptions, human nature is revealed as a joyful process of open responsiveness.

The Desire of Ages Yale University Press

"An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press

"A true masterpiece." —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an

audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning

convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers. *A Longing Like Despair*

This monograph discusses the Zohar, the most important book of the Kabbalah, as a late strata of the Midrashic literature. The author concentrates on the 'expanded' biblical stories in the Zohar and on its relationship to the

ancient Talmudic Aggadah. The analytical and critical examination of these biblical themes reveals aspects of continuity and change in the history of the old Aggadic story and its way into the Zoharic corpus. The detailed description of this literary process also reveals the world of the authors of the Zohar, their spiritual distress, mystical orientations, and self-consciousness.

The Holy Longing Melville House

"Denis Johnson seems to be the abiding spirit of the novel, which achieves the incendiary strangeness of his prose . . . Bible offers us a remarkable vision of adolescence as not just a time of extreme exposure but one of visionary longing." — THE NEW YORK TIMES After an adolescent prank leads to a stranger's death, Alvis

Maloney rambles westward. He lands in a small North Carolina town and falls in love—in love with his neighbor Molly, with a lonesome quarterback called Miles, with a whole community of enduring misfits and losers. But at the same time, another life takes shape in Maloney's dreamlike visions: a horse named Forever, a princess with hypochondria, and an electric city that's always just out of reach. As these two promises of home fight for their hold on Maloney, the story careens toward disaster, and in the end Maloney must choose between love and redemption. From the author *Electric Literature* called "one of the most interesting and exciting new novelists in years," Michael Bible's *Empire of Light* blooms with mystical imagination and a hopeful heart.
