She's always at her husband's side. Even though she is the centre of attention. The details about her life and the position she holds are always a source of curiosity. But what does it mean to be a pastor's wife? What challenges does she have to face? How did she join this ministry and become a helper of a man of God? What does a young woman have to take into consideration when she plans to marry a pastor? In this book, Tania Rubim writes about facing the challenges of joining this ministry. "Chosen for the Altar - A Manual for the Future Pastor's Wife" clarifies misconceptions, and at the same time gives encouragement to young girls who dream of serving God on the Altar, but fear that

it is something impossible to achieve.

Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. "Many women live under a cloud of personal guilt and condemnation," says Nancy DeMoss Wolgemuth. "Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners." In best selling *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!
