Restroom hygiene is extremely important to any organization; it's important to keep a inspection register log

book to record and monitor who is responsible for supervising and undertaking the cleaning. The restroom log notebook can be used for producing statistical reports to monitor hygiene and cleaning activity. effectively by recording this in a log book. This restroom log book is perfect for restaurants, hotels, health clubs, gyms, sports clubs, government buildings, warehouses, schools, work place or any public restrooms where cleanliness is important. A cleaning record book is a document book to help keep track of the cleaning schedule.
