**Strengthening My Recovery**

Alcoholics Anonymous World Services  
 #1 NEW YORK TIMES BESTSELLER • If  
 you thought Mitch McDeere was in  
 trouble in The Firm, wait until you meet  
 Kyle McAvoy, The Associate Kyle McAvoy  
 possesses an outstanding legal mind.  
 Good-looking and affable, he has a  
 glittering future. He also has a dark  
 secret that could destroy his dreams, his  
 career, even his life. One night that  
 secret catches up with him. The men  
 who accost Kyle have a compromising  
 video they'll use to ruin him—unless he  
 does exactly what they say. What they  
 offer Kyle is something any ambitious  
 young lawyer would kill for: a job in  
 Manhattan as an associate at the world's

largest law firm. If Kyle accepts, he'll be on the fast track to partnership and a fortune. But there's a catch. Kyle won't be working for the firm but against it in a dispute between two powerful defense contractors worth billions. Now Kyle is caught between the criminal forces manipulating him, the FBI, and his own law firm—in a malignant conspiracy not even Kyle, with all his intellect, cunning, and bravery, may be able to escape alive. Don't miss John Grisham's new book, **THE EXCHANGE: AFTER THE FIRM!**

**The Little Red Book** Central Recovery Press

The first and only modernization of the "bible" of Alcoholics Anonymous, A Simple Program provides an accessible, gender-equal translation for today's readers while maintaining the book's

complete core text, which serves as the basis of all 12-step programs.

**Daily Reflections** Createspace Independent Publishing Platform

This introduction to the Twelve Steps of the Alcoholics Anonymous program is offered to all alcoholic men and women whose "lives have become unmanageable" because of their powerlessness over alcohol. The purpose of this interpretation is to help members quickly work out an acceptable 24-hour schedule of A.A. living. This subject matter is founded on basic information from the book Alcoholics Anonymous.

**Alcoholics Anonymous, Fourth Edition** Routledge

The author visited the archives of the headquarters of A.A. in New York, and discovered new communications

between Carl Jung and Bill Wilson. For the first time this correspondence shows Jung's respect for A.A. and in turn, its influence on him. In particular, this research shows how Bill Wilson was encouraged by Jung's writings to promote the spiritual aspect of recovery as opposed to the conventional medical model which has failed so abysmally. The book overturns the long-held belief that Jung distrusted groups. Indeed, influenced by A.A.'s success, Jung gave "complete and detailed instructions" on how the A.A. group format could be developed further and used by "general neurotics". Wilson was an advocate of treating some alcoholics with LSD in order to deflate the ego and induce a spiritual experience. The author explains how alcoholism can be diagnosed and

understood by professionals and the lay person; by examining the detailed case histories of Jung, the author gives graphic examples of its psychological and behavioural manifestations.

*The Book That Started It All* Hazelden Publishing

Tips on living sober.

*Alcoholics Anonymous* Simon and Schuster

It was once taken for granted that peer-assisted groups such as Alcoholics Anonymous had no "real" value in recovery from addiction. More recently, evidence-based medicine is recognizing a spiritual component in healing—especially when it comes to addiction. The newest edition of *Recent Developments in Alcoholism* reflects this change by focusing on the 12-step

model of recovery as well as mindfulness meditation and other spiritually oriented activity. More than thirty contributors bring together historical background, research findings, and clinical wisdom to analyze the compatibility of professional treatment and nonprofessional support, day-to-day concepts of relapse prevention, the value of community building in recovery, and much more. Among the topics covered: (1) How and why 12-step groups work. (2) The impact of the spiritual on mainstream treatment. (3) The impact of AA on other nonprofessional recovery programs. (4) AA outcomes for special populations. (5) Facilitating involvement in 12-step programs. (6) Methods for measuring religiousness and spirituality in alcohol research. Whether one is referring

clients to 12-step programs or seeking to better understand the process, this is a unique resource for clinicians and social workers. Developmental psychologists, too, will find Volume 18—Research on Alcoholics Anonymous and Spirituality in Addiction Recovery a worthy successor to the series.

*12-Step Workbook for Recovering Alcoholics, Including Powerful 4Th-Step Worksheets* Harper Collins

A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, Drop the Rock combines personal stories,

practical advice, and powerful insights to help readers move forward in recovery.

The second edition features additional stories and a reference section.

The Associate Hachette Books

Presents the results of a study of the Alcoholics Anonymous (AA) phenomenon in the US, Finland, Iceland, Sweden, Austria, Switzerland, Poland, and Mexico, examining AA as an international movement and detailing how AA activities are adapted to various cultures. Looks at AA as a social movement and social network, as a belief system, and as a system of interaction, outlining the history of the group and discussing its relation to professional treatment. Paper edition (unseen), \$14.95. Annotation copyright by Book News, Inc., Portland, OR

*Quit Like a Woman* Dial Press

The text of Alcoholics Anonymous with pages opposite text for notes. Includes a word index, subject index and dictionary. Complete retyped "Original Manuscript" of the text. 2 place keeping ribbons. Burgundy leather cover.

**Medical and Dental Expenses** Courier Corporation

Written by addicts, for addicts, and about addicts, this is the softcover edition of the book that sets forth the spiritual principles of Narcotics Anonymous that hundreds of thousands of addicts have used in recovery. Just as with alcoholism, there is no "cure" for narcotic addiction, but recovery is possible through a program adapted from the Twelve Steps and Twelve Traditions of Alcoholics Anonymous.

Intended as a complete textbook for every addict seeking recovery, Narcotics Anonymous describes the NA program and how it works. It includes the NA Twelve Steps and Twelve Traditions, as well as many personal stories of people who have found freedom from addiction through Narcotics Anonymous.

Twelve Steps to recovery.

Alcoholics Anonymous Big Book Workbook A. A. A. World Services, Inc.

This workbook for recovering alcoholics is a great resource for anyone who wants to quit drinking alcohol for good! It follows a 12-step program that contains actionable advice, helpful activities, and useful prayers for recovery. This quit lit book is also based on the author's experience recovering and working with Alcoholics Anonymous, an organization devoted to abstinence-based recovery from alcoholism.

**Writing the Big Book** Springer

Learn the basic facts behind cocaine and crack, including their history and changing legal status, medical uses, signs of abuse and dependence, treatment options, prevention tools for

parents, and much more. In a relatively short period, cocaine went from a low-level stimulant used by indigenous South Americans to a high-powered narcotic that's affected nearly every major city. In this Hazelden Quick Guide, expert resources and information come together in an engaging and accessible e-book short. Topics include:

- What cocaine is, where it comes from, and how crack cocaine developed
- The history of cocaine and crack's use and abuse
- Changing cultural, social, and legal factors
- Definitions of normal use, abuse, and dependence, with information on prevention and advice for parents
- How cocaine works, including its legitimate medical uses, and what makes it so prone to abuse and dependence
- Intervention and effective

treatment methods

- Relapse prevention tools for recovering dependents and addicts

#### Big Book Awakening Anchor

Alcoholics Anonymous was founded in 1935 by Bill Wilson and Dr. Bob Smith, who developed the organization's 12-step program. In 1939, they published this volume, which sets forth the cornerstone concepts of recovery and relates stories of those who have overcome alcoholism. A lifeline to millions worldwide, it is the most widely used resource for recovering alcoholics. Alcoholics Anonymous Univ of Wisconsin Press

When Bill Wilson, with his friend Dr. Bob Smith, founded Alcoholics Anonymous in 1935, his hope was that AA would become a safe haven for those who

suffered from this disease. Thirty years after his death, AA continues to help millions of alcoholics recover from what had been commonly regarded as a hopeless addiction. Still, while Wilson was a visionary for millions, he was no saint. After cofounding Alcoholics Anonymous, he stayed sober for over thirty-five years, helping countless thousands rebuild their lives. But at the same time, Wilson suffered from debilitating bouts of clinical depression, was a womanizer, and experimented with LSD. Francis Hartigan, the former secretary and confidant to Wilson's wife,

Lois, has exhaustively researched his subject, writing with a complete insider's knowledge. Drawing on extensive interviews with Lois Wilson and scores of early members of AA, he fully explores Wilson's organizational genius, his devotion to the cause, and almost martyr-like selflessness. That Wilson, like all of us, had to struggle with his own personal demons makes this biography all the more moving and inspirational. Hartigan reveals the story of Wilson's life to be as humorous, horrific, and powerful as any of the AA vignettes told daily around the world.
