ZAYDEN JADA

[Little Buddhas](#) Atlantic Publishers & Distri

Textual study of the Buddhist canonical text.

Vinaya Texts Weatherhill, Incorporated

This is a comprehensive study of the entire field of Buddhism thought and practice, describing the development of all the major doctrines and traditions and clearly demonstrating the underlying unity of all schools of Buddhism.

[Analysis of the Bhikkhu Patimokkha](#) Princeton University Press

The most important research tool for vinaya studies. Covers both primary and secondary sources in Sanskrit, Pali, Tibetan, and Chinese as well as modern sources in English, French, German and Japanese.

Buddhist System of Education Routledge

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

[Encyclopedia of Monasticism](#) Routledge

An Analysis of the Pali Canon is a comprehensive overview of the contents of the works that make up the Tipitaka, the Canon of the Theravada school of Buddhism. It also contains an index of the suttas and sections of the Tipitaka, as well as an extensive bibliography of the translations of canonical works and secondary literature. The second part of this book, A Reference Table of Pali Literature, is an extensive list of all the works composed in the Indic language known as Pali. It lists all the works of the Tipitaka, the commentaries and subcommentaries, historical chronicles, works on medicine, cosmology, grammar, law, astrology, Bible translations, etc. It also gives data on the authors, time of composition, country of origin and includes references to secondary literature that provide more information on the works listed. This book is an essential resource for students and researchers of the Tipitaka and other Pali literature.

[Indian Buddhism](#) CreateSpace

Why did people in North India from the 5th century BC choose to leave the world and join the sect of the Buddha? This is the first book to apply the insights of social psychology in order to understand the religious motivation of the people who constituted the early Buddhist community. It also addresses the more general and theoretically controversial question of how world religions come into being, by focusing on the conversion process of the individual believer.

Buddhism in China Literary Licensing, LLC

Many forms of Buddhism, divergent in philosophy and style, emerged as Buddhism filtered out of India into other parts of Asia. Nonetheless, all of them embodied an ethical core that is remarkably consistent. Articulated by the historical Buddha in his first sermon, this moral core is founded on the concept of karma—that intentions and actions have future consequences for an individual—and is

summarized as Right Speech, Right Action, and Right Livelihood, three of the elements of the Eightfold Path. Although they were later elaborated and interpreted in a multitude of ways, none of these core principles were ever abandoned. The Oxford Handbook of Buddhist Ethics provides a comprehensive overview of the field of Buddhist ethics in the twenty-first century. The Handbook discusses the foundations of Buddhist ethics focusing on karma and the precepts looking at abstinence from harming others, stealing, and intoxication. It considers ethics in the different Buddhist traditions and the similarities they share, and compares Buddhist ethics to Western ethics and the psychology of moral judgments. The volume also investigates Buddhism and society analysing economics, environmental ethics, and Just War ethics. The final section focuses on contemporary issues surrounding Buddhist ethics, including gender, sexuality, animal rights, and euthanasia. This groundbreaking collection offers an indispensable reference work for students and scholars of Buddhist ethics and comparative moral philosophy.

Buddhist Monastic Discipline Routledge

"Since the 1960s Buddhism in America has been viewed through the lens of idealism, generally associated with the spiritual quest of baby boomers. This portrayal has been accurate only to a degree. Charles Prebish's *Luminous Passage* is the first account in a new generation of commentary to demonstrate the complexity and variety of this tradition as it establishes roots in this country. This book will surely stand as one of the most comprehensive assessments of Buddhism in the United States at the turn of the millennium."—Richard Seager, Hamilton College

Sarvāstivāda Literature Legare Street Press

This Book Is A Critical Study Of Buddhist Philosophy Of Education And Its Adaptation In Modern System Of Education In India, Tibet And Sri Lanka. It Also Shows The Recent Impact Of The Buddhist Philosophy In Western Education. There Is No Doubt That Buddhism Made Tremendous Contributions To The Philosophy Of Education. The Notion Of Education Entails Many Subsidiary Notions, Such As Notions Of Ignorance And Knowledge, And Of Teacher And Student. Here, We Shall Survey The Tradition Of Buddhist Education Both Monastic And Secular In India, Sri Lanka, And Tibet. We Would Also Show How These Forms Changed Under Specific Influences And In Differing Cultural Contexts, Including Modern Approaches Of The West.

Pāli Language and Literature Routledge

Edited by Vanessa R. Sasson, *Little Buddhas* brings together a wide range of scholarship and expertise to address the question of what role children have played in Buddhist literature, in particular historical contexts, and their role in specific Buddhist contexts today.

[Collected Wheel Publications Volume XV](#) Routledge

Buddhist Monastic Discipline contains two significant Buddhist monastic disciplinary texts for the first time, translated into English. They are printed on facing pages for ease of comparison. One of the texts is that of a very early Buddhist school fi

[Luminous Passage](#) Buddhist Publication Society

A study of the history of Buddhism in China.

[Religion, Law and Tradition](#) Global Vision Publishing Ho

Although historically marginalized, Buddhist nuns are taking their place in modern Buddhism. Like the monks, Buddhist nuns live by an ancient system of monastic law, the Vinaya. This work investigates various areas of uncertainty and controversy in how the Vinaya is to be understood and applied today.

Historical Dictionary of Buddhism Simon and Schuster

Beginning With A Description Of The Language, Its Historical Evolution, Phonology And Grammatical Categories, The Book Studies The Canonical Pali Texts (The Three Pitakas) And Surveys The Non-Canonical Pali Literature Covering Manuals And Chronicles.

[Vinaya Texts V2](#) Oxford University Press

By providing an annotated translation of, and applying the methods of literary criticism to, a first-century account of the life of the saint Purna, this study introduces the reader to the richness and complexity of an essential Buddhist genre.

Vinaya Texts: The Kullavagga, IV-XII Routledge

This book brings together two scholarly traditions: experts in Roman, Jewish and Islamic law, an area where scholars tend to be familiar with work in each area, and experts in the legal traditions of South and East Asia, which have tended to be less interdisciplinary. The resulting mix produces new ways of looking at comparative law and legal history from a global perspective, and these essays contribute both to our understanding of comparative religion as well as comparative law.

Religious Motivation and the Origins of Buddhism Cambridge University Press

A detailed exploration of the quest for liberation on the part of the early bhikkunis. Only text in the Buddhist tradition of known female authorship. Important to anyone investigating women's own perspective on their religion. Also provides a clear statement about how renunciants understand nibbana.

A Survey of Buddhism Routledge

Buddhism or Buddhisms? By the time they move on to Buddhism in Japan, many students who have studied its origins in India ask whether this is in fact the same religion, so different can they appear. In *Buddhisms: An Introduction*, Professor John S. Strong provides an overview of the Buddhist tradition in all its different forms around the world. Beginning at the modern day temples of Lumbini,

where the Buddha was born, Strong takes us through the life of the Buddha and a study of Buddhist Doctrine, revealing how Buddhism has changed just as it has stayed the same. Finally, Strong examines the nature of Buddhist community life and its development today in the very different environments of Thailand, Japan, and Tibet. Enriched by the author's own insights gathered over forty years, Buddhism never loses sight of the personal experience amidst the wide-scope of its subject. Clear in its explanations, replete with tables and suggestions for further reading, this is an essential new work that makes original contributions to the study of this 2,500 year-old religion.

VINAYA TEXTS Buddhist Publication Society

First published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Buddhist Law Bhikkhu Sujato

A prolific scholar surveys classical Buddhism's approach to sex, gender, and sexual orientation in this landmark volume. More than twenty-five years in the making, this detailed sourcebook on Buddhist understandings of sexuality, desire, ethics, and deviance in classical South Asia is filled with both engaging translations and original and provocative analysis. Jose Cabezon, the XIVth Dalai Lama Professor at the University of California Santa Barbara, marshals an incredible array of scriptures, legal and medical texts, and philosophical treatises, explaining the subtleties of this ancient literature in lucid prose. This work will be of immense interest not only to scholars of Buddhism and gender studies but also to lay readers who want to learn more about traditional Buddhist attitudes toward sex.
