In 1905 Lawrence Peter Hollis went to Springfield, Massachusetts, before beginning his job as the secretary of the YMCA at Monaghan Mill in Greenville, South Carolina. While there, he met James Naismith, the inventor of basketball, and learned of the fledgling game. Armed with Dr. Naismith's rules of the game and a basketball he bought in New York, Hollis returned to the mill and changed the face of athletics in South Carolina. Lawrence Peter Hollis was one of the first to introduce basketball south of the Mason-Dixon line, and the game quickly gained popularity in the textile mill villages throughout

South Carolina. In 1921 Hollis and others organized a tournament to determine the best mill team, and thus the southern Textile Basketball Tournament was born. Over the years, some of the south's top cage talent played in the tourney, including Smokey Barbare, Lucille Foster Thomas, Bert Hill, Earl Wooten, Billy Cunningham. Pete Maravich, Sue Vickers and Tree Rollins. Decade-by-decade, the history of one of the longest running basketball tournaments is provided, along with profiles of many prominent participants. Full rosters for all teams in all tournaments are given in the appendices, along with all-

tournament selections
 and members of the
 Southern Textile
 Athletic Hall of Fame.

 In the early days of
 television, many of its
 actors, writers,
 producers and
 directors--came from
 radio. This crossover
 endowed the American
 Radio Archives with a
 treasure trove of

television documents. The collected scripts span more than 40 years of American television history, from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming, including comedies, soap operas, dramas, westerns, and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual scripts. Includes an index of personal names, program and episode titles and production companies, as well as a glossary of industry terms.

Preiskatalog 2006 HPH Publishing

How could the peace and quiet of Ashe County, North Carolina (in the mountains, at the Virginia-Tennessee corner), turn into a nightmare of crime and drugs, and the old copper mine itself become a dumping ground for the dead? In 1982, two bodies had been chipped from an icy grave and brought up from the 250-foot mine shaft where they had been thrown while still alive. Now, there

were rumors of 21 bodies still down there. If the mine was ever re-opened, what would they find--copper or bodies? Murder, drugs, prostitution and gangs come together in the history of the Ore Knob Mine. A small Appalachian community became the heart of a vicious drug ring ruled by the Outlaws motorcycle gang from Chicago. Ashe County made national headlines when a police informant came forward confessing that he had pushed a man alive into the Ore Knob Mine shaft. This book is the full story.

Television Series and Specials Scripts,

1946-1992 McFarland

All they wanted was to find their happy-ever-after... Instead, they met their deaths. Three

women have been killed in Liverpool. The MO points to a stranger, and now DCI Eve Clay is on the trail of a vicious man who preys on lonely women on dating sites. He signs off the same way with each message: "Kiss kiss, night night." His crimes are escalating - and Eve has to stop him before another girl dies. But first she needs to find him. And that means going undercover online, and posing as his perfect victim...

REVIEWS FOR MARK ROBERTS: 'A fast-paced, chilling novel... Short chapters, crackling dialogue and action that never lets up for a single moment... Mark Roberts is what British crime fiction has been looking for'

CRIMESQUAD.

'Intricate, fast-paced, with a sense of the macabre... A genuinely innovative crime writer' DAILY MAIL.

'Dark, gripping and believable. Roberts' intimate knowledge of Liverpool makes the city into a sinister character of itself'

GRAHAM MASTERTON.

'This is one of the most thought-provoking, powerful serial killing murders I've ever read. It's brutal, but I found that the plot was so deep, so twisted, intense and clever that there was no way I could put the book down until the final page'

BESTSELLING CRIME THRILLERS.
