HASSAN BRAYDON

Notebook Penguin

"Like so many women, Benoit spent her formative years struggling to do the 'right' thing--to make others comfortable, to take minimal and calculated risks, to live up to society's expectations--only to realize that there was so little payoff to this tiresome balancing act. Now, in [this book], she shares her journey from aspiring good girl to proud feminist, and addresses the constantly shifting goalposts of what exactly it means to be 'good' in today's world. [Includes] topics as varied and laugh-out-loud funny as how to be the life of the party (even when you have crippling anxiety), navigating the disappointments of the dating world, and why no one should judge you for having an encyclopedic knowledge of reality TV stars"--

Anthea Hamilton Red

Lightning Books

The long-awaited autobiography of Keith Richards, guitarist, songwriter, singer, and founding member of the Rolling Stones. With The Rolling Stones, Keith

Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richard brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

SORRY I M LATE(LEVEL 3-7) Simon and Schuster
In this fresh and generous collection of poems, Paul

Taylor helps us all get a few things straight: how to use a pencil, what to look for at the seaside, how to watch TV, what beer can do for you, how to look on the bright side, how to be less stupid, what use is a trombone, what to do on underground trains, how to measure wind, what spoons can do for you, how to enjoy poetry, what are those insects doing?

The #1 New York Times

bestselling (mostly true)

memoir from the hilarious

author of Furiously Happy.

"Gaspingly funny and

wonderfully

inappropriate."—O, The

Oprah Magazine When

Jenny Lawson was little,

all she ever wanted was

to fit in. That dream was

cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. NEW YORK TIMES BESTSELLER • A stunning "portrait of the enduring

grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE

A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*.

Oh no! Mr. Bungles has overslept and he's going to be late for school. Teachers aren't supposed to be late! Poor Mr. Bungles tries rushing off in his car, the train, and even a hot air balloon, but nothing works. The clock is still ticking. What will he try next?

Late for School Redriff Press

"Winning [and] intelligent. . . [An] impressive, often heartening addition to the literature of aging." — Heller McAlpin, Wall Street Journal

In this "unique blend of memoir and literary commentary" (Bookpage), acclaimed author and literary scholar Susan Gubar contemplates the beauty and strength of enduring love—both for her husband and for the literature that has shaped her life. Throughout the complications of devoted caregiving, her own ongoing cancer treatments, and a stressful move to a more manageable apartment, Gubar proves that love

and desire have no expiration date—on the page or in life. *Late-Life Love* offers a resounding retort to ageist stereotypes, appraises the obstacles unique to senior couples, and celebrates second chances.

[Sorry I'm Late. I Got Here As Soon As I Wanted To.](#) *Funny Notebook* Random House

Two best friends document their post-college lives in a hilarious, relatable, and powerfully honest epistolary memoir. Fast friends since they met at Brown University during their freshman year, Jessica Pan and Rachel Kapelke-Dale vowed to keep in touch after their senior year through in-depth—and brutally honest—weekly e-mails. After graduation, Jess packs up everything she owns and moves to Beijing on a whim, while Rachel heads to New York to work for an art gallery and to figure out her love life. Each spends the next few years tumbling through adulthood and reinventing themselves in various countries, including France, China, and Australia. Through their messages from around the world, they swap tales of teaching classes of military men, running a magazine, and

flirting in foreign languages, along with the hard stuff: from harrowing accidents to breakups and breakdowns. Reminiscent of Sloan Crosley's essays and Lena Dunham's *Girls*, *Graduates in Wonderland* is an intimate, no-holds-barred portrait of two young women as they embark upon adulthood.

Hell of a Book Ballantine Books

Address books allow easy access to your friends, family, business associates and others by maintaining their email and other contact and there's nothing quite like a traditional address book to store all those precious contacts. There's a lot you can store in this journal aside from your Contacts and Addresses. Add in their Home, Mobile, Work/Fax Numbers with Space For Notable Dates like Birthdays. Store all correspondence details of your friends and family in one secure and reliable place, and enjoy referencing them in one of our beautifully-designed address books. Get one today!

[Late, Late at Night](#) Vintage

When Rachel Bertsche first moves to Chicago, she's thrilled to finally share a zip code, let alone an apartment, with her

boyfriend. But shortly after getting married, Bertsche realizes that her new life is missing one thing: friends. Sure, she has plenty of BFFs—in New York and San Francisco and Boston and Washington, D.C. Still, in her adopted hometown, there's no one to call at the last minute for girl talk over brunch or a reality-TV marathon over a bottle of wine. Taking matters into her own hands, Bertsche develops a plan: She'll go on fifty-two friend-dates, one per week for a year, in hopes of meeting her new Best Friend Forever. In her thought-provoking, uproarious memoir, Bertsche blends the story of her girl-dates (whom she meets everywhere from improv class to friend rental websites) with the latest social research to examine how difficult—and hilariously awkward—it is to make new friends as an adult. In a time when women will happily announce they need a man but are embarrassed to admit they need a BFF, Bertsche uncovers the reality that no matter how great your love life is, you've gotta have friends.

That storyline drives *Hell of a Book* and is the scaffolding of something much larger and more

urgent: Mott's novel also tells the story of Soot, a young Black boy living in a rural town in the recent past, and *The Kid*, a possibly imaginary child who appears to the author on his tour. As these characters' stories build and converge, they astonish. For while this heartbreaking and magical book entertains and is at once about family, love of parents and children, art and money, it's also about the nation's reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is *The Kid*? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind and an electrifying plot ideal for book club discussion, *Hell of a Book* is the novel Mott has been writing in his head for the last ten years. And in its final twists, it truly becomes its title.
[Im Sorry Im Late I Didn't Want to Come: Unruled Composition Book](#) Simon and Schuster
 With a voice as disarmingly bold, funny, and unsentimental as its

author, this is a thoroughly unconventional memoir that shatters the myth of the tragic disabled life. **A Lady's Place** Penguin “Whitney Cummings has written a book about being, well, not fine—and what to do when you find yourself with brutal anxiety and a co-dependency disorder; all in her trademark wit, humor, and honesty. This book, however, is fine as hell.”—Sophia Amoruso, author of #Girlboss “The funniest cry for help you'll read this year.”—BJ Novak Well, well, well. Look at you, ogling my book page....I presume if you're reading this it means you either need more encouragement to buy it or we used to date and you're trying to figure out if you should sue me or not. Here are all the stories and mistakes I've made that were way too embarrassing to tell on stage in front of an actual audience; but thanks to not-so-modern technology, you can read about them here so I don't have to risk having your judgmental eye contact crush my self-esteem. This book contains some delicious schadenfreude in which I recall such humiliating debacles as breaking my

shoulder while trying to impress a guy, coming very close to spending my life in a Guatemalan prison, and having my lacerated ear sewn back on by a deaf guy after losing it in a torrid love affair. In addition to hoarding mortifying situations that'll make you feel way better about your choices, I've also accumulated a lot of knowledge from therapists, psychotherapists, and psychopaths, which can probably help you avoid making the same mistakes I've made. Think of this book as everything you'd want from the Internet all in one place, except without the constant distractions of ads, online shopping, and porn. I'm not sure what else to say to say, except that you should buy it if you want to laugh and learn how to stop being crazy. And if we used to date, see you in court. [If You're Reading This, It's Too Late](#) Flatiron Books An introvert guide and manifesto for all the quiet ones—and the people who love them. Is there a hidden part of you that no one else sees? Do you have a vivid inner world of thoughts and emotions that your peers and loved ones can't seem to

access? Have you ever been told you're too “quiet,” “shy,” “boring,” or “awkward”? Are your habits and comfort zones questioned by a society that doesn't seem to get the real you? If so, you might be an introvert. On behalf of those who have long been misunderstood, rejected, or ignored, fellow introvert Jenn Granneman writes a compassionate vindication—exploring, discovering, and celebrating the secret inner world of introverts that, only until recently, has begun to peek out and emerge into the larger social narrative. Drawing from scientific research, in-depth interviews with experts and other introverts, and her personal story, Granneman reveals the clockwork behind the introvert's mind—and why so many people get it wrong initially. Whether you are a bona fide introvert, an extrovert anxious to learn how we tick, or a curious ambivert, these revelations will answer the questions you've always had: What's going on when introverts go quiet? What do introvert lovers need to flourish in a relationship? How can introverts find their own

brand of fulfillment in the workplace? Do introverts really have a lot to say—and how do we draw it out? How can introverts mine their rich inner worlds of creativity and insight? Why might introverts party on a Friday night but stay home alone all Saturday? How can introverts speak out to defend their needs? With other myths debunked and truths revealed, *The Secret Lives of Introverts* is an empowering manifesto that guides you toward

owning your introversion by working with your nature, rather than against it, in a world where you deserve to be heard.

The Silent Patient Simon and Schuster

This is a monographic publication about British artist Anthea Hamilton's work. Hamilton's energetic collages explore the surreal and seductive nature of images. Her sculptures, installations and videos make reference to the history of the art, cinema and performance, playfully

inserting the viewer into a three-dimensional composition

Im Sorry Im Late I Have Kids Little, Brown Books for Young Readers

The best-selling author of *The Dance of Anger* shares insight into the role of apologies in healing broken connections and restoring trust, sharing compelling case stories and tested theories that explain how to craft a meaningful apology while avoiding choices that deepen original injuries.
