NATIONAL BESTSELLER • Trapped in the Mexican jungle, a group of friends stumble upon a creeping horror unlike anything they could ever imagine in "the best horror novel of the new century" (Stephen King). Also a major motion picture! Two young couples are on a lazy Mexican vacation—sun-drenched days, drunken nights, making friends with fellow tourists. When the brother of one of those friends disappears, they decide to venture into the jungle to look for him. What started out as a fun day-trip slowly spirals into a nightmare when they find an ancient ruins site ... and the terrifying presence that lurks there.

"A simmering psychological thriller, bolstered by a dynamic narrative voice and a few unexpected twists." -Kirkus Reviews Four life-long friends wake in the woods overlooking the highway, without any memory of how they got there. One has a triangle burned into his forearm. One has lost her pants. One is missing his glass eye. The last is covered in blood. As images of big, black eyes and the cries of sheep haunt their addled brains, the town fire alarm and police sirens can be heard in the distance. What is happening to them? What is happening to their pristine town? What's more, why can't they remember any of it? What . . . what did they do? Author and playwright Howard Odentz is a lifelong resident of the gray area between Western Massachusetts and North Central Connecticut. His love of the region is evident in his writing as he often incorporates the foothills of the Berkshires and the small towns of the Bay and Nutmeg states into his work.

Die Türme ragten spitz in den Nachthimmel und hoben sich gegen den Vollmond ab, dessen fahles Licht dem Schloss die Aura unvorstellbaren Alters zu verleihen schien. Schwarze Wolken zogen wie drohende Ungeheuer von Osten heran. Graue Nebel krochen wie gestaltlose böse Geister über den Boden und umlagerten die grauen Mauern wie Spinnweben. Das Licht des Mondes spiegelte sich in dem dunklen, modrigen Teich, der sich vor dem Schloss befand. Eine junge Frau stand dicht an der kniehohen Ummauerung, die den

Teich begrenzte und blickte auf die spiegelglatte Wasseroberfläche. Ihr eigenes, totenbleiches Gesicht blickte ihr entgegen. Ihre Augen vermittelten den Eindruck tiefer Melancholie. Das blonde Haar fiel ihr auf die schmalen Schultern, die von dem fließenden Stoff ihres dunkelroten Kleides bedeckt waren. Sie atmete tief durch. Ihr Blick bekam dabei etwas Schmerzvoll-Sehnsüchtiges. "Tom...", flüsterte sie. "Geliebter..."

Das Haus des Dr. Edwardes: Thriller Penguin

The sensational new thriller from the author of the Richard & Judy bestseller *Lie With Me*. He saved your son's life. Does that mean you have to give him yours? It starts with a holiday. A three-year-old boy on a beach, and the hero who saves his life. But nothing is ever that simple. Tessa and Marcus know they owe Dave Jepsom more than they can ever repay. Yet even as he is walking from the sea with their son in his arms, there is something about him that makes them uneasy. He is not like other people that they know. Being with him makes them confront truths about themselves they would rather not see. The shock of that moment will change everything. And it's not how things start that matter. But how they end . . .

An electrifying debut crime thriller. "A page-turner for sure and darn hard to put down . . . Readers of mysteries will not be disappointed."—Donald J. Porter, author of *Flight Failure* Pilot Jake Silver is haunted by a cruel irony—he secretly suspects that he's the reason Swede Bergstrom, the hero who saved his life, has fallen on hard times. Upon learning that Swede has been killed during the commission of a crime, the guilt-driven Jake too-willingly agrees to follow Swede's mysterious and beautiful sister, Christina, on a search to clear her brother's name. Their odyssey takes them from the canyons of Manhattan to the heart of darkness itself, enlisting the help of colorful characters and dodging death every step of the way. But is the alluring Christina the loving sister she appears to be, or evil incarnate? The body of a woman discovered in Jake's East Side apartment and her killer's ritualistically brutal M.O. lead NYPD homicide cop Pat Garodnik to suspect the latter. Combining his efforts with those of Jake's

mother—a former DA with enemies on both sides of the law—the pair embark on an odyssey of their own, going to any lengths necessary, legal or otherwise, to find the truth and save Jake before his time runs out. Literary and atmospheric, Dom Stasi's debut thriller will have you turning pages late into the night with its high-flying action and intriguing mystery. As answers continue to be uncovered, the final pieces of the puzzle are as shocking as they are satisfying

von Alfred Bekker, Ann Murdoch Dunkle Geheimnisse, übernatürliche Bedrohungen, mysteriöse Begebenheiten - und eine Liebe, die sich dem Grauen widersetzt. Dieses Buch enthält folgende Romane: Ann Murdoch: Vermächtnis aus dem Totenreich Alfred Bekker: Höllensumpf Alfred Bekker: Bleiche Lady Es war der Eingang in eine völlig andere Welt. Direkt am Burgtor standen zwei Wachen in Habachtstellung und Kleidung in den Burgfarben, Blau und Silber, sowie jeweils einer Hellebarde in der rechten Hand. Im Burghof selbst tummelte sich munteres Volk. Stände mit Getränken und Esswaren verbreiteten einen anregenden Duft nach frischem Brot, gebratenem Fleisch und seltenen Gewürzen. Ein Seiler und ein Korbmacher wetteiferten um Kundschaft, ein Töpfer zeigte den Interessierten an einer transportablen Drehscheibe die Herstellung von Tonwaren, und eine Frau pries Kleider und Tücher aus Seide und Samt an. Ein Täschner bot Lederwaren feil, die von hohem handwerklichen Geschick zeugten, allerdings auch nicht ganz billig waren. Eine große Bühne, grob aus Holz gezimmert, war an einer Mauer der Burgumrandung aufgebaut, dort trieben bunt gekleidete Jongleure und Artisten, wie auch Musikanten ein lustiges Programm voran, während zahlreiche Zuschauer sich auf der Wiese niedergelassen hatten und begeistert dem Programm applaudierten. Gaukler liefen durch die Menge, zeigten ihre Kunststücke, und erwarteten anschließend einen geringen, aber wohlberechtigten Obolus. Kurzum, es war ein gelungenes Fest, wie es vor dreihundert oder vierhundert Jahren auch nicht besser abgelaufen sein konnte.

The Girl Who Lived Open Road Media

A mother's death reveals a secret worth killing for in this crime thriller by the acclaimed author of *Constant Fear*. At DeRose & Associates Private Investigators in Virginia, Angie DeRose strives to find and rescue endangered runaways—work that stands in stark contrast to her own safe, idyllic childhood. But in the wake of her mother's sudden death, Angie makes a life-altering discovery. Hidden among the mementos in her parents' attic is a photograph of a little girl, with a code and a hand-written message on the back: “May God forgive me.” Angie has no idea what it means or how to explain other questionable items among her mother's possessions. Her father claims to know nothing. Could Angie have a sister or other relative she was never told about? Bryce Taggart, the US Marshal working with her agency, agrees to help Angie learn the fate of the girl in the photograph. But the lies she and Bryce unearth will bring her past and present together with terrifying force. Everything she cherishes will be threatened by the repercussions of one long-ago choice—and an enemy who will kill to keep a secret hidden forever. Praise for the novels of Daniel Palmer “An electrifying thriller with action that keeps you on the edge of your seat!” —Lisa Jackson on *Constant Fear* “A twisting, suspenseful chiller of a book.” —William Landay on *Stolen* “Warning: once you start reading this novel, you will not stop!” —Lisa Gardner on *Helpless* “Not just a great thriller debut, but a great thriller, period.” —Lee Child on *Delirious*

Two abducted girls—one who returns, one who doesn't. The night they go missing, high school seniors Nicole Cutty and Megan McDonald are at a beach party in their small town of Emerson Bay, North Carolina. Police launch a massive search, but hope is almost lost—until Megan escapes from a bunker deep in the woods...A year later, the bestselling account of her ordeal has made Megan a celebrity. It's a triumphant story, except for one inconvenient detail: Nicole is still missing. Nicole's older sister, Livia, a fellow in forensic pathology, expects that one day soon Nicole's body will be found and her sister's fate determined. Instead, the first clue comes from another body—that of a young man connected to Nicole's past. Livia reaches out to Megan to learn more about that fateful night. Other girls have disappeared, and she's increasingly sure the cases are connected. Megan knows more than she revealed in her book. Flashes of memory are pointing to something more monstrous than she described. And the deeper she and Livia dig, the more they realize that sometimes true terror lies in finding exactly what you've been looking for...

THE INSPIRATION FOR THE CBS ORIGINAL SERIES TRACKER “The master of ticking-bomb suspense” (People) returns with a devilishly good thriller, and reward seeker Colter Shaw's most personal case to date. Just hours after the harrowing events of *The Never Game* and *The Goodbye Man*, Colter Shaw finds himself in San Francisco, where he has taken on the mission his father began years ago: finding a missing courier bag containing evidence that will bring down a corporate espionage firm responsible for hundreds, perhaps thousands, of deaths. Following the enigmatic clues his father left behind, Shaw plays cat and mouse with the company's sadistic enforcers, as he speeds from one gritty neighborhood in the City by the Bay to another. Suddenly, the job takes on a frightening urgency: Only by finding the courier bag can he expose the company and stop the murder of an entire family—slated to die in forty-eight hours. With the help of an unexpected figure from his past, and with the enforcers closing the net, Shaw narrows in on the truth—and learns that the courier bag contains something unexpected: a secret that could only be described as catastrophic. Filled with dozens of twists and reversals, *The Final Twist* is a nonstop race against time to save

the family...and to keep the devastating secret Shaw has uncovered from falling into the wrong hands.

Jack Parker thought he'd already seen his fair share of tragedy. His grandmother was killed in a farm accident when he was barely five years old. His parents have just succumbed to the smallpox epidemic sweeping turn-of-the-century East Texas -- orphaning him and his younger sister, Lula. Then catastrophe strikes on the way to their uncle's farm, when a traveling group of bank-robbing bandits murder Jack's grandfather and kidnap his sister. With no elders left for miles, Jack must grow up fast and enlist a band of heroes the likes of which has never been seen if his sister stands any chance at survival. But the best he can come up with is a charismatic, bounty-hunting dwarf named Shorty, a grave-digging son of an ex-slave named Eustace, and a street-smart woman-for-hire named Jimmie Sue who's come into some very intimate knowledge about the bandits (and a few members of Jack's extended family to boot). In the throes of being civilized, East Texas is still a wild, feral place. Oil wells spurt liquid money from the ground. But as Jack's about to find out, blood and redemption rule supreme.

A follow up to his "breakneck" (Publishers Weekly, starred review) MemoRandom, this gripping new thriller from the internationally bestselling author Anders de la Motte takes you deep inside the world of police intelligence: a world of secrecy, betrayal, and

deadly competition, where one second you're on top, and the next you're fighting for your life. David Sarac of the Stockholm Police Force's Intelligence Unit, weeks after his violent encounter with the enigmatic high-level informant, Janus, is recuperating from his gunshot wounds. While the hunt for the elusive Janus has ended, the secrets and lies linger. The mysteries of that night deepen when David's nurse slips him an anonymous letter; the writer wants to swap secrets with David to bring someone

powerful to justice after a betrayal at the Janus shoot-out. David's only clues are two photos enclosed with the letter: a snapshot of a happy family and another of a dead woman sprawled over the hood of a car... In this thrilling sequel, de la Motte again crafts a breathtaking "thriller of international class" (Norra Skane).
