MUHAMMAD CARMELO

The Story of Tony and Lindsay Wilson Texas A & M University Press

Long before "women in rock" became a media catchphrase, Rosetta Tharpe proved in spectacular fashion that women could rock. Born in Cotton Plant, Arkansas, in 1915, she was gospel's first superstar and the preeminent crossover figure of its "golden age" (1945-1965). Everyone who saw her perform said she could "make that guitar talk." Shout, Sister, Shout! is the first biography of this trailblazing performer who influenced scores of popular musicians, from Elvis Presley and Little Richard to Eric Clapton and Bonnie Raitt. An African American guitar virtuoso, Tharpe defied categorization. Blues singer, gospel singer, folk artist, and rock-and-roller, she "went electric" in the late 1930s, amazing northern and southern, U.S. and international, and white and black audiences with her charisma and skill. Ambitious and relentlessly public, Tharpe even staged her own wedding as a gospel concert-in a stadium holding 20,000 people! Wald's eye-opening biography, which draws on the memories of over 150 people who knew or worked with Tharpe, introduces us to this intriguing and forgotten musical heavyweight, forever altering our understanding of both women in rock and U.S. popular music.

Inside New Order Constable

From a beguiling voice in Mexican fiction comes an astonishing novel--her first to be translated into English--about a mysterious child with the power to change a family's history in a country on the verge of revolution. From the day that old Nana Reja found a baby abandoned under a bridge, the life of a small Mexican town forever changed. Disfigured and covered in a blanket of bees, little Simonopio is for some locals the stuff of superstition, a child kissed by the devil. But he is welcomed by landowners Francisco and Beatriz Morales, who adopt him and care for him as if he were their own. As he grows up, Simonopio becomes a cause for wonder to the Morales family, because when the uncannily gifted child closes his eyes, he can see what no one else can--visions of

all that's yet to come, both beautiful and dangerous. Followed by his protective swarm of bees and living to deliver his adoptive family from threats--both human and those of nature--Simonopio's purpose in Linares will, in time, be divined. Set against the backdrop of the Mexican Revolution and the devastating influenza of 1918, *The Murmur of Bees* captures both the fate of a country in flux and the destiny of one family that has put their love, faith, and future in the unbelievable.

Buena Vista Macmillan

'Genuinely funny: indeed, the story will... keep you entertained for a very long time' Sunday Times Joy Division changed the face of music. Godfathers of the current alternative scene, they reinvented rock in the post-punk era, creating a new sound - dark, hypnotic, intense - that would influence U2, Morrissey, R.E.M., Radiohead and many others. This is the story of Joy Division told by the band's legendary bassist, Peter Hook. 'Hook has restored a flesh-and-blood rawness to what was becoming a standard tale. Few pop music books manage that' Guardian 'An honest, enthusiastic account ... It's a window like no other into the reality of life in this most aloof of bands' METRO 'An immense account of Joy Division's rise...Having read Hook's book, you'll feel like you were the fifth member of the band' GQ 'A bittersweet, profanity filled recollection... If you like Joy Division, you really have to read it' Q Magazine 'Hook lifts the lid on the real Ian Curtis' NME 'He's frank, incredibly funny, and isn't shy' Artrock

A Novel Chronicle Books

One of the New York Times' 20 Books to Read in 2020 "A tonic . . . Splendid . . . A respite . . . A summer cocktail of a book."—Washington Post "Unforgettable . . . Behind her brilliantly witty and uplifting message is a remarkable vulnerability and candor that reminds us that we are not alone in our struggles—and that we can, against all odds, get through them."—Lori Gottlieb, New York Times best-selling author of *Maybe You Should Talk to Someone* Part memoir and part joyful romp through the fields of imagination, the story behind a beloved pseudonymous Twitter account reveals how a writer deep in grief rebuilt a life worth living. *Becoming Duchess Goldblatt* is two stories: that of the reclusive real-life writer who created a

fictional character out of loneliness and thin air, and that of the magical Duchess Goldblatt herself, a bright light in the darkness of social media. Fans around the world are drawn to Her Grace's voice, her wit, her life-affirming love for all humanity, and the fun and friendship of the community that's sprung up around her. @DuchessGoldblat (81 year-old literary icon, author of *An Axe to Grind*) brought people together in her name: in bookstores, museums, concerts, and coffee shops, and along the way, brought real friends home—foremost among them, Lyle Lovett. "The only way to be reliably sure that the hero gets the girl at the end of the story is to be both the hero and the girl yourself." — Duchess Goldblatt

The History of the Disc Jockey Duke University Press

In June 1990, Indigenous peoples shocked Ecuadorian elites with a powerful uprising that paralyzed the country for a week. Militants insisted that the government address Indigenous demands for land ownership, education, and economic development. This uprising was a milestone in the history of Ecuador's social justice movements, and it inspired popular organizing efforts across Latin America. While the insurrection seemed to come out of nowhere, Marc Becker demonstrates that it emerged out of years of organizing and developing strategies to advance Indigenous rights. In this richly documented account, he chronicles a long history of Indigenous political activism in Ecuador, from the creation of the first local agricultural syndicates in the 1920s through the galvanizing protests of 1990. In so doing, he reveals the central role of women in Indigenous movements and the history of productive collaborations between rural Indigenous activists and urban leftist intellectuals. Becker explains how rural laborers and urban activists worked together in Ecuador, merging ethnic and class-based struggles for social justice. Socialists were often the first to defend Indigenous languages, cultures, and social organizations. They introduced rural activists to new tactics, including demonstrations and strikes. Drawing on leftist influences, Indigenous peoples became adept at reacting to immediate, local forms of exploitation while at the same time addressing broader underlying structural inequities. Through an examination of strike activity in the 1930s,

the establishment of a national-level Ecuadorian Federation of Indians in 1944, and agitation for agrarian reform in the 1960s, Becker shows that the history of Indigenous mobilizations in Ecuador is longer and deeper than many contemporary observers have recognized.

How Not to Run a Club Simon and Schuster

A treasure trove of personal writings by the great post-punk singer-songwriter—with a foreword by his wife Deborah and an introduction by Jon Savage. So This Is Permanence presents the lyrics and personal notebooks of one of the most enigmatic and influential music artists of the late twentieth century, Joy Division's Ian Curtis. The fact of the band's relatively few releases belies the power and enduring fascination its music holds, especially in light of Curtis's tragic suicide in 1980 on the eve of the band's first American tour. This volume features Curtis's never-before-seen handwritten lyrics, accompanied by earlier drafts and previously unpublished pages from his notebooks that shed fascinating light on his writing and creative process. Also included are an insightful and moving foreword by Curtis's widow Deborah, a substantial introduction by writer Jon Savage, and an appendix featuring books from Curtis's library and a selection of fanzine interviews, letters, and other ephemera from his estate.

New Order, Joy Division and Me Faber & Faber

Mexico 1920. This is a strange country. Uprisings come and go like rain storms. Wealthy landowner and aristocrat Prince Antonia Pignatelli is captivated by the beautiful young American, Beatrice Molyneaux. When Beatrice marries her 'fairytale prince', she soon experiences the unpredictable and unscrupulous side of the indulgent Antonio.

Remembering the Hacienda Univ of California Press

A gorgeous, unflinching love letter to Flint, Michigan, and the resilience of its people, Kelsey Ronan's *Chevy in the Hole* follows multiple generations of two families making their homes there, with a stunning contemporary love story at its center. In the opening pages of *Chevy in the Hole*, August "Gus" Molloy has just overdosed in a bathroom stall of the Detroit farm-to-table restaurant where he works. Shortly after, he packs it in and returns home to his family in Flint. This latest slip and recommitment to sobriety doesn't feel too terribly different from the others, until Gus meets Monae, an urban farmer trying to coax a tenuous rebirth from the city's damaged land. Through her

eyes, he sees what might be possible in a city everyone else seems to have forgotten or, worse, given up on. But as they begin dreaming up an oasis together, even the most essential resources can't be counted on. Woven throughout their story are the stories of their families—Gus's white and Monae's Black—members of which have had their own triumphs and devastating setbacks trying to survive and thrive in Flint. A novel about the things that change over time and the things that don't, *Chevy in the Hole* reminds us again and again what people need from one another and from the city they call home.

Santa Lucía, 1576-1767 Lake Union Publishing

Biography of a Hacienda is a book that will last for generations. It looks at the real lives of real people pushed to the brink of revolution, and its conclusions compel us to rethink the social and economic factors involved in the Mexican Revolution.

All the Pretty Horses HarperCollins

'Beautifully judged account of the Manchester scene . . . There is something of the fairy tale about Dave Haslam's sage joyful testament to the kind of life that nobody could ever plan, a happy aligning of a cultural moment and a young man who instinctively knew that it was his once upon a time' Victoria Segal, Sunday Times 'Witty, sometimes dark, revealing, insightful, everything one could hope for from one of those folk without whom independent music simply wouldn't exist' Classic Rock Sonic Youth Slept on My Floor is writer and DJ Dave Haslam's wonderfully evocative memoir. It is a masterful insider account of the Hacienda, the rise of Madchester and birth of the rave era, and how music has sound-tracked a life and a generation. In the late 1970s Dave Haslam was a teenage John Peel listener and Joy Division fan, his face pressed against a 'window', looking in at a world of music, books and ideas. Four decades later, he finds himself in the middle of that world, collaborating with New Order on a series of five shows in Manchester. Into the story of those intervening decades, Haslam weaves a definitive portrait of Manchester as a music city and the impact of a number of life-changing events, such as the nightmare of the Yorkshire Ripper to the shock of the Manchester Arena terror attack. The cast of Haslam's life reads like a who's who of '70s, '80s and '90s popular culture: Tony Wilson, Nile Rodgers, Terry Hall, Neneh Cherry, Tracey Thorn, John Lydon, Johnny Marr, Ian Brown, Laurent Garnier and David Byrne. From having Morrissey to tea and

meeting writers such as Raymond Carver and Jonathan Franzen to discussing masturbation with Viv Albertine and ecstasy with Roisin Murphy, via having a gun pulled on him at the Hacienda and a drug dealer threatening to slit his throat, this is not your usual memoir.

The Hacienda in Mexico Kings Road Publishing

Bernard Sumner pioneered the post-punk movement when he broke onto the scene as a founding member of Joy Division, and later as the front man of New Order. Heavily influencing U2 and The Cure while paving the way for post-punk revivalists like Interpol, Sumner's has left an indelible mark on punk and rock music that endures to this day. Famously reluctant to speak out, for the first time Sumner tell his story, a vivid and illuminating account of his childhood in Manchester, the early days of Joy Division, and the bands subsequent critical and popular successes. Sumner recounts Ian Curtis' tragic death on the eve of the band's first American tour, the formation of breakout band New Order, and his own first-hand account of the ecstasy and the agony of the 1970s Manchester music scene. Witty, fascinating and surprisingly moving, *Chapter and Verse* is an account of insights and spectacular personal revelations, including an appendix containing a complete transcript of a recording made of Ian Curtis experiencing hypnotic regression under the Sumner's amateur guidance and tensions between himself and former band member Peter Hook.

Life and Work on a Puerto Rican Hacienda, 1833-1904

HarperCollins

Was John Lennon meeting Paul McCartney more significant than John Lennon meeting Yoko Ono? Rubber Soul or Revolver? Which Wings album was Paul McCartney's solo pinnacle? In 100 brief chapters, John M. Borack discusses and ranks the greatest moments in Beatles history. An avid Fab Four fan since childhood and a music journalist for more than thirty-five years, Borack has created a book to agree with and disagree with, and one that is sure to spark conversations. A love letter to the greatest rock band of all time, *The Beatles 100* is a book for Beatles buffs and casual fans alike.

The Murmur of Bees University of Arizona Press

Steeped in the chaotic swirl of the Manchester music scene, David Nolan is the critically acclaimed author of *Bernard Sumner: Confusion and I Swear I Was There: The Gig That Changed The*

World. He's also an award-winning former Granada TV producer with 150 television credits to his name including documentaries on the Sex Pistols, The Smiths and Echo and the Bunnymen.

A Jesuit Hacienda in Colonial Mexico University of Arizona Press

A classic tale of sex, drugs, and rock'n'roll, this heartfelt and searingly honest memoir details the relationship between Tony Wilson (the legendary impresario behind Factory Records, Joy Division, New Order and the Happy Mondays) and his first wife, Lindsay Reade.

What the Sleeve Notes Never Tell You Penguin

This classic history of the Mexican hacienda from the colonial period through the nineteenth century has been reissued in a silver anniversary edition complete with a substantive new introduction and foreword. Eric Van Young explores 150 years of Mexico's economic and rural development, a period when one of history's great empires was trying to extract more resources from its most important colony, and when an arguably capitalist economy was both expanding and taking deeper root. The author explains the development of a regional agrarian system, centered on the landed estates of late colonial Mexico, the central economic and social institution of an overwhelmingly rural society. With rich empirical detail, he meticulously describes the features of the rural economy, including patterns of land ownership, credit and investment, labor relations, the structure of production, and the relationship of a major colonial city to its surrounding area. The book's most interesting and innovative element is its emphasis on the way the system of rural economy shaped, and was shaped by, the internal logic of a great spatial system, the region of Guadalajara. Van Young argues that Guadalajara's population growth progressively integrated the large geographical region surrounding the city through the mechanisms of the urban market for grain and meat, which in turn put pressure on local land and labor resources. Eventually this drove white and Indian landowners into increasingly sharp conflict and led to the progressive proletarianization of the region's peasantry during the last decades of the Spanish colonial era. It is no accident, given this history, that the Guadalajara region was one of the major areas of armed insurrection for most of the decade during Mexico's struggle for independence from Spain. By highlighting the way haciendas worked and changed

over time, this indispensable study illuminates Mexico's economic and social history, the movement for independence, and the origins of the Mexican Revolution.

Becoming Duchess Goldblatt White Lion Publishing

The only in-depth biographical account of the legendary lead singer of Joy Division, written by his widow. Includes a foreword by Jon Savage and an introduction by Joy Division drummer, Steven Morris. Revered by his peers and idolized by his fans, Ian Curtis left behind a legacy rich in artistic genius. Mesmerizing on stage but introverted and prone to desperate mood swings in his private life, Curtis died by his own hand on 18 May 1980.

Touching from a Distance documents how, with a wife, child and impending international fame, Curtis was seduced by the glory of an early grave. Regarded as the essential book on the essential icon of the post-punk era, *Touching from a Distance* includes a full set of Curtis's lyrics and a discography and gig list.

The Hacienda Constable

This stunning wordless graphic novel follows a young girl in the 1960s who immigrates from Cuba to the United States and must redefine what home means to her. Marisol loves her colorful island home. Cuba is vibrant with flowers and food and people...but things are changing. The home Marisol loves is no longer safe—and then it's no longer her home at all. Her parents are sending her to the United States. Alone. Nothing about Marisol's new life in cold, gray Brooklyn feels like home—not the language, school, or even her foster parents. But Marisol starts to realize that home isn't always a place. And finding her way can be as simple as staying true to herself.

100 Pivotal Beatles Moments Open Road + Grove/Atlantic Mexican Gothic meets Rebecca in this debut supernatural suspense novel, set in the aftermath of the Mexican War of Independence, about a remote house, a sinister haunting, and the woman pulled into their clutches... During the overthrow of the Mexican government, Beatriz's father was executed and her home destroyed. When handsome Don Rodolfo Solórzano proposes, Beatriz ignores the rumors surrounding his first wife's sudden demise, choosing instead to seize the security that his estate in the countryside provides. She will have her own home again, no matter the cost. But Hacienda San Isidro is not the sanctuary she imagined. When Rodolfo returns to work in the capital, visions and voices invade Beatriz's sleep. The weight of

invisible eyes follows her every move. Rodolfo's sister, Juana, scoffs at Beatriz's fears—but why does she refuse to enter the house at night? Why does the cook burn copal incense at the edge of the kitchen and mark the doorway with strange symbols? What really happened to the first Doña Solórzano? Beatriz only knows two things for certain: Something is wrong with the hacienda. And no one there will save her. Desperate for help, she clings to the young priest, Padre Andrés, as an ally. No ordinary priest, Andrés will have to rely on his skills as a witch to fight off the malevolent presence haunting the hacienda and protect the woman for whom he feels a powerful, forbidden attraction. But even he might not be enough to battle the darkness. Far from a refuge, San Isidro may be Beatriz's doom.

Twilight at the Hacienda Cortes Pen Press

The acclaimed and wildly outlandish inside account of Britain's most notorious club, The Hacienda—a story of gangsters, drugs, violence, and great beats In the 1980s, The Hacienda was one of the most famous venues in the history of clubbing—a celebrated cultural icon alongside Studio 54, CBGB, and the Whiskey a Go Go—until its tragic demise. Founded by New Order and Factory Records, The Hacienda hosted gigs by such legendary acts as the Smiths, Bauhaus, Grandmaster Flash, Run DMC, Kurtis Blow, Happy Mondays, and Stone Roses; gave birth to the "Madchester" scene; became the cathedral for acid house; and laid the tracks for rave culture and today's electronic dance music. But over the course of its near fifteen-year run, "Madchester" descended into "Gunchester" as gangs, drugs, greed, and a hostile police force decimated the dream. New Order cofounder and bassist Peter Hook provides an up-close and visceral look at this cultural touchstone and its rise and fall. The Hacienda is a funny, horrifying, and wild story of success, idealism, naïveté, and greed—of an incredible time and place that changed the face and sound of modern music.

How Not to Run a Club Blackstone Publishing

What the plantation has been to the history and literature of the American South, the hacienda has been to Mexico and the American Southwest. In *Remembering the Hacienda*, Vincent Perez makes the case that the hacienda offers the emblem of an antebellum, agrarian social order that predates the United States. It is the site in which the Mexican American community's heroic, genteel forebears lived in dignity and pride, and it is the heritage

from which they were cast out as orphans, both in mother Mexico by the Revolution and in the American Southwest when the wars of 1836 and 1846-48 and capitalist land grabs dispossessed the Mexican hacendados. The hacienda, Perez argues, had its own orphans, too: Indians, mestizos, women, and peons. American

culture, Perez examines five novels and autobiographies: Jovita Gonzalez and Eve Raleigh's *Caballero: A Historical Novel* (written in the 1930s and 1940s and later published by Texas A&M University Press), Maria Maparo Ruiz de Burton's *The Squatter*

and the Don (1885), Mariano Guadalupe Vallejo's *Historical and Personal Memoirs Relating to Alta, California* (1874), Leo Carrillo's *The California I Love* (1961), and Francisco Robles Perez's immigrant autobiography *Memorias*. The last work is Perez's own grandfather's life narrative.
