 TEEN VOGUE BOOK CLUB PICK • A Harvard freshman becomes obsessed with her schizophrenic brother's suicide. Then she starts hearing voices. "A rich, intricately plotted thriller . . . Serritella, who is a Harvard grad herself, writes about the campus with an insider's savvy."—Maureen Corrigan, *The Washington Post* "Every time I thought I knew where *Ghosts of Harvard* was heading, I turned out to be wrong. Part mystery, part ghost story, part psychological thriller, this novel is all entertainment."—#1 *New York Times* bestselling author Jodi Picoult  
*Cadence Archer* arrives on Harvard's campus desperate to understand why her brother, Eric, a genius who developed paranoid schizophrenia took his own life there the year before. Losing Eric has left a black hole in Cady's life, and while her decision to follow in her brother's footsteps threatens to break her family apart, she is haunted by questions of what she might have missed. And there's only one place to find answers. As Cady struggles under the enormous pressure at Harvard, she investigates her brother's final year, armed only with a blue notebook of Eric's cryptic scribbles. She knew he had been struggling with paranoia, delusions, and illusory enemies—but what tipped him over the edge? Voices fill her head, seemingly belonging to three ghosts who passed through the university in life, or death, and whose voices, dreams, and terrors still echo the halls. Among them is a person whose name has been buried for centuries, and another whose name mankind will never forget. Does she share Eric's illness, or is she tapping into something else? Cady doesn't know how

or why these ghosts are contacting her, but as she is drawn deeper into their worlds, she believes they're moving her closer to the truth about Eric, even as keeping them secret isolates her further. Will listening to these voices lead her to the one voice she craves—her brother's—or will she follow them down a path to her own destruction?

April 18, 1906 – A devastating earthquake rocks San Francisco and Templeton Morehouse fears her husband is lost forever. A powerful and compelling story from USA Today bestselling author Bette Lee Crosby  
 Chances were a million to one that a girl born and raised in Philadelphia would encounter a stranger from California on the trolley and fall madly in love, but that's what happened. Templeton was not only taken with John Morehouse, but also with his tales of life in San Francisco. As an aspiring fashion designer, the dazzle of a city called the Paris of the West, with its towering department stores and European couture was too much to resist. Despite her family's objections, she and John are married and, on their way back to California, before the month is out. To ease the heartbreak of such a move, Templeton promises her family that they will return for a visit every summer. She fully intends to keep that promise, but as her fashions gain popularity, the business grows increasingly more demanding. The trips back to Philadelphia become less frequent and she makes foolish choices she will come to regret. Now, when she is on the verge of having everything she's ever wanted, a devastating earthquake has torn

across San Francisco and she awakes to discover the father of her baby is missing. With the city in flames, Templeton's daddy leaves Philadelphia and sets out in search of his son-in-law. He's too old for such a trip and ill-equipped for the challenges he will encounter, but he's the only hope of saving his daughter's happiness. Lines of communication are down and the city in shambles, so the only thing Templeton can do is pray she doesn't lose both her daddy and her husband.

One woman must decide whether she can trust a complete stranger to protect her and unborn child from the threats of her past in this "touching modern romance" from the author of the #1 New York Times bestseller Beautiful Disaster (Library Journal). Named one of the "Best Romance Books of 2018" by Bookbub! As Darby Dixon sits in a tiny Texas church bathroom on her wedding day holding a positive pregnancy test, she realizes that marrying her fiance would be the worst decision of her life. She's never been very good at standing up for herself, but she'll sure as hell stand up for her baby. With very little cash and a ton of courage, she flees town to take a new name and start a new life. As a Marine, Scott "Trex" Trexler worked in the most treacherous, corrupt, war-torn places on earth. With his new top-secret security job, he finally has a chance to return to the one place he's felt at peace: Colorado Springs, Colorado. The moment Trex checks in at the hotel where she's working, Darby knows he's dangerous. He may want her to think he's another hotshot firefighter, along with all the others battling the nearby mountain blaze, but something doesn't add up. No way will she get involved

with another man she can't fully trust - and Trex clearly isn't telling her everything. As Darby's ex gets closer and closer to finding her, both she and Trex will soon find out that what you don't know really can hurt you. "This love story is raw, brilliant, and gives women hope in the impossible. Nothing is more precious than that." --Audrey Carlan, #1 New York Times bestselling author "Jamie McGuire writes with no holds barred ... real and addictive." --USA Today "Heartfelt emotions, serious social concerns and exceptional character development result in a touching modern romance with inspirational overtones; a sure winner." -Library Journal

A millennia-old prophecy was given when the Forbidden Ones were driven from Achar. And now, the Acharites witness its manifestation: Achar is under attack by an evil lord from the North, Gorgreal--his ice demons strike from the sky and kill hundreds of brave warriors in the blink of an eye. All Acharites believe the end is near. One young woman, Faraday, betrothed of Duke Borneheld, learns that all she has been told about her people's history is untrue. While fleeing to safety from the dangerous land, Faraday, rides with Axis, legendary leader of the Axe-Wielders--and hated half-brother of Borneheld--and a man Faraday secretly loves although it would be death to admit it. She embarks on a journey, which will change her life forever, in search of the true nature of her people. This grand and heroic story tells the tale of one woman's plight to

learn the truth of her people and change their hearts and their minds forever. She fights against oppressive forces to share this reality and will not desist until everyone knows. . . . The inspiration for the Netflix original series *Mismatched!* Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called “utterly charming!” *Eleanor & Park* meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she’s more than ready for a break from her family, from Mamma’s inexplicable obsession with her finding the “Ideal Indian Husband.” Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a husband right now, they wouldn’t have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he’ll have to woo her—he’s totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and

being a part of something much bigger than himself. The Shahs and Patels didn’t mean to start turning the wheels on this “suggested arrangement” so early in their children’s lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most unexpected ways.

The Fault in Our Stars is a novel by author John Green. The story follows the main character, Hazel Grace Lancaster, as she battles cancer. Not only is Hazel trying to live the normal life of a 16-year-old girl, but she is also struggling with what it will be like for her parents after she dies. While Hazel attends a church support group for cancer survivors, she meets a boy that is one year older than her, Augustus Waters. While Augustus had a type of cancer that causes him to lose his leg and wear a prosthetic, it also has a survival rate that is much higher than Hazel's death sentence. From the first day that Hazel meets Augustus, the two are practically inseparable. The basis of their relationship ends up being Hazel's favorite book, *An Imperial Affliction*. She requires Augustus to read it and in turn, he requires her to read the book that is the basis of his favorite video game. Hazel relates to the character in her favorite book, *Anna*, because *Anna* has a rare blood cancer. Augustus and Hazel bond over the book because both of them of a burning desire to find out how the story ends because the author stops the book before providing conclusion on what happens to each of the characters. Augustus joins Hazel's pursuit of the book's author, Peter Van Houten, to provide the answers that they need. Augustus even uses a wish foundation to fly him and Hazel to Amsterdam, where the author lives, to talk with him in person. While Hazel is the one that is doomed to die, Augustus ends up telling Hazel that at his recent scan, the doctors discovered that his entire body is filled with cancer. Hazel spends the last months of Augustus's life caring for him and loving him.

Perfect for fans of Morgan Matson and Ruta Sepetys, this sweet, summery romance set in Nantucket follows seventeen-year-old Abby Schoenberg as she uncovers a secret about her grandmother's life during WWII. Seventeen-year-old Abby Schoenberg isn't exactly looking forward to the summer before her senior year. She's just broken up with her first boyfriend and her friends are all off in different, exciting directions for the next three months. Abby needs a plan—an adventure of her own. Enter: the letters. They show up one rainy day along with the rest of Abby's recently deceased grandmother's possessions. And these aren't any old letters; they're love letters. Love letters from a mystery man named Edward. Love letters from a mansion on Nantucket. Abby doesn't know much about her grandmother's past. She knows she was born in Germany and moved to the US when she was five, fleeing the Holocaust. But the details are either hazy or nonexistent, and these letters depict a life that is a bit different than the quiet one Abby knows about. So Abby heads to Nantucket for the summer to learn more about her grandmother and the secrets she kept. But when she meets Edward's handsome grandson, who wants to stop her from investigating, things get complicated. As Abby and Noah grow closer, the mysteries in their families deepen, and they discover that they both have to accept the burdens of their pasts if they want the kinds of futures they've always imagined. PICK FOR AUGUST\*\* “Center gives readers a sharp and witty exploration of love and forgiveness that is at once insightful, entertaining, and thoroughly addictive.” — KIRKUS, STARRED REVIEW “An appealing heroine, a compelling love story, a tearjerking twist, and a thoroughly absorbing story. Another winner from Center.” — BOOKLIST, STARRED REVIEW “A spirited, independent heroine meets a smoking-hot fireman in Center’s smart romance... If you enjoyed ‘The Kiss Quotient,’ by Helen Hoang, read *Things You Save in a Fire*” — THE WASHINGTON POST From the New York Times bestselling author of *How to Walk Away* comes a stunning new novel about courage, hope, and learning to love against all odds. Cassie Hanwell was born for emergencies. As one of the only female firefighters in her Texas firehouse, she's seen her fair share of them, and she's a total pro at other people's tragedies. But when her estranged and ailing mother asks her to give up her whole life and move to Boston, Cassie suddenly has an emergency of her own. The tough, old-school Boston firehouse is as different from Cassie's old job as it could possibly be. Hazing, a lack of funding, and poor facilities mean that the firemen aren't exactly thrilled to have a "lady" on the crew—even one as competent and smart as Cassie. Except for the infatuation-inspiring rookie, who doesn't seem to mind having Cassie around. But she can't think about that. Because love is girly, and it's not her thing. And don't forget the advice her old captain gave her: Never date firefighters. Cassie can feel her resolve slipping...and it means risking it all—the only job she's ever loved, and the hero she's worked like hell to become. Katherine Center's *Things You Save in a Fire* is a heartfelt

and healing tour-de-force about the strength of vulnerability, the nourishing magic of forgiveness, and the life-changing power of defining courage, at last, for yourself.

“Emotional, hilarious, and thought-provoking.” —People “Witty, sexy.” —Los Angeles Times #1 Cosmopolitan Best New Books of Summer PureWow Best Reads of Summer From the author of the critically acclaimed “lively and engrossing parable for women of all generations” (*Harper's Bazaar*) *The Regulars*, comes a deeply funny and thoughtful tale of a young woman who embarks on an unforgettable bucket list adventure. Twenty-five-old Lacey Whitman is blindsided when she's diagnosed with the BRCA1 gene mutation: the “breast cancer” gene. Her high hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double mastectomy. Lacey doesn't want to lose her breasts. For one, she's juggling two career paths. Secondly, small-town Lacey's not so in touch with her sexuality: she doesn't want to sacrifice her breasts before she's had the chance to give them their hey-day. To help her make her choice, she (and her friends) creates a “boob bucket list”: everything she wants do with and for her boobs before a possible surgery. This kicks off a year of sensual exploration and sexual entertainment for the quick-witted Lacey

Whitman. The Bucket List cleverly and compassionately explores Lacey's relationship to her body and her future. Both are things Lacey thought she could control through hard work and sacrifice. But the future, it turns out, is more complicated than she could ever imagine. Featuring the pitch-perfect "compulsively delicious" (Redbook) prose of *The Regulars*, *The Bucket List* is perfect for fans of Amy Poepel and Sophie Kinsella.

The California sunshine's not quite so bright for three sisters who get dumped in the same week... Finola, a popular LA morning-show host, is famously upbeat until she's blindsided on live TV by the news that her husband is sleeping with a young pop sensation who has set their affair to music. While avoiding the tabloids and pretending she's just fine, she's crumbling inside, desperate for him to come to his senses and for life to go back to normal. Zennie's breakup is no big loss. Although the world insists she pair up, she'd rather be surfing. So agreeing to be the surrogate for her best friend is a no-brainer—after all, she has an available womb and no other attachments to worry about. Except...when everyone else, including her big sister, thinks she's making a huge mistake, being pregnant is a lot lonelier—and more complicated—than she imagined. Never the tallest, thinnest or prettiest sister, Ali is used to being overlooked, but when her fiancé sends his disapproving brother to call off the wedding, it's a new low. And yet Daniel continues to turn up "for support," making Ali wonder if maybe—for once—someone sees her in a way no one ever has. But side by side by side, these sisters will start over and rebuild their lives with all the affection, charm

and laugh-out-loud humor that is classic Susan Mallery. Don't miss *The Happiness Plan*, a new novel coming from #1 New York Times bestselling author Susan Mallery where three women experience hope, heartache, and the power of friendship as they search for true happiness!

Chicago Stars quarterback Dean Robillard is the luckiest man in the world: a bona-fide sports superstar and the pride of the NFL with a profitable side career as a buff billboard model for End Zone underwear. But life in the glory lane has started to pale, and Dean has set off on a cross-country trip to figure out what's gone wrong. When he hits a lonely stretch of Colorado highway, he spies something that will shake up his gilded life in ways he can't imagine. A young woman . . . dressed in a beaver suit. Blue Bailey is on a mission to murder her ex. Or at least inflict serious damage. As for the beaver suit she's wearing . . . Is it her fault that life keeps throwing her curveballs? Witness the expensive black sports car pulling up next to her on the highway and the Greek god stepping out of it. Blue's career as a portrait painter is the perfect job for someone who refuses to stay in one place for very long. She needs a ride, and America's most famous football player has an imposing set of wheels. Now, all she has to do is keep him entertained, off guard, and fully clothed before he figures out exactly how desperate she is. But Dean isn't the brainless jock she imagines, and Blue—despite her petite stature—is just about the toughest woman Dean has ever met. They're soon heading for his summer home where their already complicated lives and inconvenient attraction to each other will become

entangled with a charismatic but aging rock star; a beautiful fifty-two-year-old woman trying to make peace with her rock and roll past; an eleven-year-old who desperately needs a family; and a bitter old woman who hates them all. As the summer progresses, the wandering portrait artist and the charming football star play a high-stakes game, fighting

themselves and each other for a chance to have it all. *Natural Born Charmer* is for everyone who's ever thought about leaving their old life in the dust and never looking back. New York Times bestselling author Susan Elizabeth Phillips takes us home again . . . and shows us where love truly lives
