I Am a Good Friend!:  
An Acorn Book  
(Princess Truly #4)  
Chronicle Books  
"The concise field  
guide to 243 common  
trees of North  
America"--Cover  
Young House Love  
Simon and Schuster  
"In 1977, the world was  
ready for something  
new," writes Savannah

College of Art and  
Design president and  
founder Paula Wallace.  
"All around us,  
dreamers were  
dreaming up new  
ideas: Star Wars, The  
Clash, Apple. I was  
nearing thirty and ...  
wondered if I could do  
more." What happened  
next would change the  
face of higher  
education. An  
engaging, moving, and  
inspiring memoir, *The  
Bee and the Acorn*  
traces the journey of

Wallace and her family to the historic Georgia coastal town of Savannah, where they set about creating a new university for the arts. The tiny college would be a radically different kind of institution, buzzing with progressive ideas about what education could be and what it should do for students. Nearly forty years later, SCAD has become one of the largest and most highly regarded arts universities in the world. Established in 1978, the Savannah College of Art and Design is a private, nonprofit, accredited university, offering more than 100 academic degree programs in 42 majors at locations in Atlanta and Savannah, Georgia; Hong Kong;

Lacoste, France; and online via SCAD eLearning. SCAD enrolls more than 12,000 undergraduate and graduate students from more than 100 countries. The university's innovative curriculum is enhanced by professional-level technology, equipment, and learning resources, as well as opportunities for internships, professional certifications, and collaborative projects with corporate partners. In 2014, the prestigious Red Dot Design Rankings placed SCAD in the top ten universities in the Americas and Europe. *I Am a Super Girl!* Dial Because of an acorn, a tree grows, a bird nests, a seed becomes a flower. Enchanting die-cuts illustrate the

vital connections between the layers of an ecosystem in this magical book. Wander down the forest path to learn how every tree, flower, plant, and animal connect to one another in spiraling circles of life. An acorn is just the beginning. Plus, this is the fixed format version, which looks almost identical to the print edition.

Acorns Everywhere!

Pan Macmillan

Explore the world with Princess Truly! Pick a book. Grow a Reader! This series is part of Scholastic's early reader line, Acorn, aimed at children who are learning to read. With easy-to-read text, a short-story format, plenty of humor, and full-color artwork on every page, these books will boost

reading confidence and fluency. Acorn books plant a love of reading and help readers grow! Princess Truly is on a great adventure! With a twinkle from her magical, sparkling curls, she can go anywhere in the world. Whether exploring with her little brother Ty, or her sidekick pug Sir Noodles, she uses her bravery and curiosity to dream BIG. Travel with Truly to swim with penguins in the South Pole, explore the wonders of the rainforest, and discover the magic of the world all around you! These rhyming, funny, and empowering stories with full-color artwork and easy-to-read text throughout are perfect for new readers! Praise from Booklist: "An excellent book for any budding reader that

encourages the use of imagination, exploration, and discovery."

*Frog Meets Dog* Lerner Publications™

If you're responsible for the growth of your organization--as a founder, C-suite executive, or a change agent--you know the landscape is changing. Mature companies invest 10x more than VCs but are growing slower than before. To create real, lasting growth, you'll need a new mindset, one that borrows from not just the startup world, but also the natural world. Similar to how oak trees regenerate by dropping acorns that become new trees, you need to grow new lines of business within your existing organization. You need to learn how to build a forest--not

just a bigger tree. Henrik Werdelin specializes in applying lessons from startups to existing businesses to get them growing again. This book shows you how to create, implement, govern, and scale new business within your organization. You'll get the step-by-step process, the philosophy behind it, as well as case studies of businesses that have grown using this method. By learning how to create "acorns" in your business, you'll create longevity and ensure that other trees don't grow quicker and steal your sunlight. [The Oak Inside the Acorn](#) Scholastic Inc. Dog would like to play with the three frogs he has met, but he is not good at their games of hopping and leaping--

but when he chases away a bear the frogs decide to welcome him into their play time.

BabyFirst: Where Is the Acorn? Igloo Books

Every person is tasked with learning why they were created and the unique gifts that make them special. Written by New York Times bestselling author Max Lucado, *The Oak Inside the Acorn* teaches about the incredible miracle inside each of us while reminding us that we were created by God for a special purpose. The story highlights the adventure of a sweet little acorn becoming a big, strong oak tree. Readers will cheer on the growing tree when he can't grow oranges like the orange tree or flowers like the rose bush. Children will read with wonder as the

tree grows empty branches, and later, a very special purpose is revealed. *The Oak Inside the Acorn* is an inspiring picture book for readers, ages 6 to 10 that shows All of God's creations have purpose and contribute to the well-being of others. Patience is a process, and it takes time to grow into all God created them to be. Life is a journey, and God has a plan for them through the ups and downs. This wonderful picture book makes an excellent Bedtime story for snuggling close with little ones. Inspirational gift for graduation, baptism, baby showers and dedications, and adoptions. Read aloud story time to help children understand all they were created to be.

A Good Team: An Acorn Book (Unicorn and Yeti #2) Scholastic Inc.

This true story of a boy who must overcome prejudice and weakness to treat a group of special needs children with the respect—and love—they deserve “will give your innards a bear hug. . . . You will read this book with a lump in your throat.” (Lincoln Journal) From Ron Jones, a teacher who started the classroom program that inspired the movie *The Wave*, comes a memoir about a life-changing summer. Ron expected that his time as a counselor at Camp Wiggin would be filled with sunny days spent hiking, swimming, and boating. But when he arrives on day one, his illusions are quickly

shattered. He knew that the kids would be “handicapped,” but he didn’t anticipate having to care for children who can barely walk or see or retain the use of their limbs. At first, the severity of the campers’ disabilities seems too much to bear. But everything changes once Ron gets to know his group—kids who call themselves “the Acorn People” because of the acorn necklaces they wear around their necks. The campers teach him that, inside, they are the same as any average kid, and with encouragement, determination, and friendship, nothing is impossible. “A fantastic and beautiful story.”—Seattle Times “Uncomfortably moving, yet told in

surprisingly  
 unsentimental terms. .  
 . . Succinct and tender,  
 it will haunt the reader  
 long after the brief  
 passages have been  
 read."—Houston  
 Chronicle "Ron Jones'  
 true story of a group of  
 handicapped children  
 at summer camp is one  
 of the most poignant,  
 beautiful and eloquent  
 tales to come this way  
 in a long time."—Flint  
 Journal

**Off I Go!: An Acorn  
 Book (Princess Truly  
 #2)** Houghton Mifflin  
 Harcourt

Have you ever  
 wondered what  
 happens when a little  
 acorn becomes a big  
 oak tree? This  
 beautifully illustrated  
 story will delight  
 children and parents  
 alike, and also offers a  
 perfect introduction to  
 the life cycle of trees.

**Squirrel's Acorn**

Farrar, Straus and  
 Giroux (BYR)  
 A delightful, best-  
 selling tale about the  
 business and pleasure  
 of wine, adapted into a  
 Ridley Scott movie  
 starring Russell Crowe  
 and Marion Cotillard.  
 Max Skinner has  
 recently lost his job at  
 a London financial firm  
 and just as recently  
 learned that he has  
 inherited his late  
 uncle's vineyard in  
 Provence. On arrival he  
 finds the climate  
 delicious, the food  
 even better, and two of  
 the locals ravishing.  
 Unfortunately, the wine  
 produced on his new  
 property is swill. Why  
 then are so many  
 people interested in it?  
 Enter a beguiling  
 Californian who knows  
 more about wine than  
 Max does—and may  
 have a better claim to  
 the estate. Fizzy with

intrigue, bursting with local color and savor, *A Good Year* is Peter Mayle, beloved author of *A Year in Provence*, at his most entertaining.

*A Good Year* Children's Press(CT)

Dragon becomes such close friends with an apple that he deeply mourns its loss and is overjoyed when more grow to take its place.

### **A Friend for Dragon**

Capstone Editions

An energetic squirrel hoards acorns but forgets where he hid them after being distracted by a berry-gathering bear.

Acorn Laurel Leaf

Thinking of starting a business? Chances are you will be excited by your ideas, but daunted by what might lie ahead. Most start-up guides make that

feeling worse, by overloading you with complex, yet missing out the essentials that you really need to focus on to succeed.

From *Acorns* is a different kind of book. Free from jargon and full of practical tips from countless entrepreneurs, it's the only guide that tells you exactly what you need to know - no frills, no complications. This bestselling book includes information not only for small start-ups, but for those with ambitious growth plans who need to plan big financial pitches, initiate and nurture large scale expansions, and, eventually, sell and move on to the next venture. From *Acorns* is the no nonsense guide to starting a business - whether your plans or

modest or on a grand scale, this book helps you get it right first time around. The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. *The Acorn People*

Tommy Nelson

Bumble and Bee have some hysterical ideas for an adventurous day on the pond, such as going on a search for treasure and a wacky new version of hide-and-seek.

Unfortunately, Froggy wants no part. Will Bumble and Bee's contagious energy be enough to tempt Froggy into joining them for a fun day?

*The Golden Acorn*

Simon and Schuster

"This enchanting and informative picture book explores the vital connections between the layers of an ecosystem, relating how every tree, flower, plant, and animal connect to one another

in spiraling circles of life."--

*The Acorn Method*

Pearson UK

Chester Raccoon's good friend Skiddel Squirrel has had an accident and will not be returning - ever. Chester is upset that he won't get to play with his friend anymore. Mrs. Raccoon suggests that Chester and his friends create some memories of Skiddel, so that they will have good memories when they miss him. Chester, his

brother Ronny, and their friends decide to gather at the pond, where they combine their memories and create a touching celebration of their friend's life. Many young children must face the loss of loved ones or the need to attend a funeral. This sweet story will help children to understand the positive purpose behind memorial services and how "making memories" can provide cheer and comfort when missing an absent loved one.
