A scientific young woman probes the mysterious death of her magically gifted sister in this quasi-Renaissance epic fantasy sequel to *The Spirit Lens*. Anne de Vernase is fighting to hold herself together as scandal and tragedy tear her family apart. Her father remains at large, convicted of treason and murder thanks to her own testimony—and his pursuit of depraved sorcery. Her mother has gone insane, and her brother is a prisoner. Her sister, a talented sixth-year student at the Collegia Magica, has recently died under mysterious circumstances. And now the man she despises, Portier de Savin-Duplais, arrives with a foreboding summons from her godfather, the king. Once in Merona, Anne finds herself in a city besieged by dark sorcery and in a royal court full of treacherous machinations. Disturbing rumors surround the queen's volatile sorcerer, while the queen's mother is waging a manipulative game. And when a killer strikes, Anne questions what really happened to her sister. With no talent for magic and few allies to protect her, Anne begins a perilous search for the truth that will shake up a kingdom . . . "A compelling and altogether admirable work." —Kirkus Reviews (starred review) "Lavish. . . . Berg's characters return to vivid life. . . . Berg refreshes and reinvigorates the familiar trappings of epic fantasy, shaping a novel that rings true both linguistically and imaginatively. This is one to savor." —Publishers Weekly (starred review) "Berg brings life and grace to a story of magic and politics that should appeal to the author's fans as well as lovers of Renaissance-style fantasy." —Library Journal "A novel that stakes an early claim to my Top 10 list of 2011. . . . Traditional fantasy does not get better than this!" —Fantasy Book Critic

A "memorable series of portraits of the working class people who defended Tiananmen Square" (The New York Review of Books) during the protests from the award-winning poet, dissident, and "one of the most original and remarkable Chinese writers of our time" (Philip Gourevitch). Much has been written about the Tiananmen Square protests, but very little exists in the words of those who were actually there. For over seven years, Liao Yiwu—a master of contemporary Chinese literature, imprisoned and persecuted as a counter-revolutionary until he fled the country in 2011—secretly interviewed survivors of the devastating 1989 Tiananmen Square massacre. Tortured, imprisoned, and forced into silence and the margins of Chinese society for thirty years, their harrowing and unforgettable stories are now finally revealed in this "indispensable historical document" (Kirkus Reviews, starred review).

In the Provincial Union of Victoriana, a steampunk America that lost the Revolutionary War, Charmian “Kit” Kittredge makes her living investigating crimes of magic. While Kit tries to avoid the nobs of high society, she follows mysteries wherever they lead. Unlike most folks, Kit doesn’t believe in magic, but she can’t refuse to help Lady Diana Walsh, who claims a curse is viciously wounding her while she sleeps. As Kit investigates the Walsh family, she becomes convinced that the attacks are part of a more ominous plot—one that may involve the lady’s obnoxious husband. Sleuthing in the city of Rumsen is difficult enough, but soon Kit must also skirt the unwanted attentions of a nefarious deathmage and the unwelcome scrutiny of the police chief inspector. Unwilling to surrender to either man’s passion for her, Kit struggles to remain independent as she draws closer to the heart of the mystery. For the truth promises to ruin her life—and turn Rumsen into a supernatural battleground from which no one will escape alive.

Rachel Gibson, who occupies a very special place in readers’ hearts alongside Lori Foster and Jennifer Crusie, delights with this funny, smart, and sexy story of an ex- starlet’s attempt to start over as the personal assistant to a cantankerous—but very hot—ex-hockey player. Nothing But Trouble is nothing but wonderful! Trouble . . . Chelsea Ross's acting career has been a total bust. The closest she ever came to stardom was her brilliant performance as "Pretty Dead Girl #1." But leaving Hollywood to become the personal assistant to a famous hockey player could be her stupidest career move ever. More trouble . . . Injured superstar Mark Bressler's glory days are over. The bad-boy ex-jock could at least be civil to the pint-sized, pink-haired bombshell who the Seattle Chinooks hired to be his P.A. If Chelsea didn't need the money, she'd be running from the world's biggest jerk as fast as her feet could carry her. Big trouble! Chelsea can deal with Mark's rotten attitude and dark moods. The problem is those biceps and that red-hot bod! And when the bad boy starts to put the moves on her, Chelsea knows it's time she banished him to the penalty box . . . if only she could resist the kind of trouble he has in mind!

In 1996 physicist Alan Sokal published an essay in *Social Text*--an influential academic journal of cultural studies--touting the deep similarities between quantum gravitational theory and postmodern philosophy. Soon thereafter, the essay was revealed as a brilliant parody, a catalog of nonsense written in the cutting-edge but impenetrable lingo of postmodern theorists. The event sparked a furious debate in academic circles and made the headlines of newspapers in the U.S. and abroad. In *Fashionable Nonsense: Postmodern Intellectuals' Abuse of Science*, Sokal and his fellow physicist Jean Bricmont expand from where the hoax left off. In a delightfully witty and clear voice, the two thoughtfully and thoroughly dismantle the pseudo-scientific writings of some of the most fashionable French and American intellectuals. More generally, they challenge the widespread notion that scientific theories are mere "narrations" or social constructions.

“[Ballingrud's] evocative and strangely beautiful.”—Publishers Weekly (starred review) “Nathan Ballingrud is one of my favorite contemporary authors and any time he’s got a new book out I run to

the front of the line. His work is elegant and troublingly, wonderfully disturbing.”—Victor LaValle, award-winning author of *The Changeling* “Nathan Ballingrud's brilliant fiction brims with imagination, integrity (I do not use that term lightly), and an authentic world-weary dread that bores directly into your heart. With *Wounds* you'll gladly follow Nathan to Hell and (maybe) back.”—Paul Tremblay, award-winning author of *The Cabin at the End of the World* and *A Head Full of Ghosts* “Nathan Ballingrud is one of my favorite short fiction writers.” —Jeff VanderMeer, *New York Times* bestselling author of *Annihilation* and *Borne* “Stretch[es] the boundaries of the genre by employing these grand, horrific worlds. “The Butcher’s Table” reminds me of the first time I read Clive Barker’s “In the Hills, the Cities.” It’s horrifying, but there’s beauty.” —The *New York Times* “In only two slender collections, Nathan Ballingrud has emerged as one of the field’s most accomplished short story writers.” —The *Washington Post* “Ballingrud’s work isn’t like any other.”—Cory Doctorow, *Boing Boing* “One of the most disquieting and memorable short story collections to come out this year.”—The *New York Review of Books* “*Wounds: Six Stories from the Border of Hell* is without a doubt one of the best, most accomplished horror collections in recent memory.”—Hellnotes “*Wounds* will no doubt be remembered as one of the most disquieting and memorable short story collections to come out this year.”—*New York Journal of Books* “There’s enough nightmare fuel here to inspire weeks of insomnia — all told with an even hand with a penchant for precise storytelling. How else do you chart the furthest reaches of the uncanny?”—Tobias Carroll, Vol. 1 *Brooklyn A* gripping collection of six stories of terror—including the novella “The Visible Filth,” the basis for the upcoming major motion picture—by Shirley Jackson Award-winning author Nathan Ballingrud, hailed as a major new voice by Jeff VanderMeer, Paul Tremblay, and Carmen Maria Machado—“one of the most heavyweight horror authors out there” (*The Verge*). In his first collection, *North American Lake Monsters*, Nathan Ballingrud carved out a distinctly singular place in American fiction with his “piercing and merciless” (*Toronto Globe and Mail*) portrayals of the monsters that haunt our lives—both real and imagined: “What Nathan Ballingrud does in *North American Lake Monsters* is to reinvigorate the horror tradition” (*Los Angeles Review of Books*). Now, in *Wounds*, Ballingrud follows up with an even more confounding, strange, and utterly entrancing collection of six stories, including one new novella. From the eerie dread descending upon a New Orleans dive bartender after a cell phone is left behind in a rollicking bar fight in “The Visible Filth” to the search for the map of hell in “The Butcher’s Table,” Ballingrud’s beautifully crafted stories are riveting in their quietly terrifying depictions of the murky line between the known and the unknown.

*Architecture and Modern Literature* explores the representation and interpretation of architectural space in modern literature from the early nineteenth century to the present, with the aim of showing how literary production and architectural construction are related as cultural forms in the historical context of modernity. In addressing this subject, it also examines the larger questions of the relation between literature and architecture and the extent to which these two arts define one another in the social and philosophical contexts of modernity. *Architecture and Modern Literature* will serve as a foundational introduction to the emerging interdisciplinary study of architecture and literature.

David Spurr addresses a broad range of material, including literary, critical, and philosophical works in English, French, and German, and proposes a new historical and theoretical overview of this area, in which modern forms of "meaning" in architecture and literature are related to the discourses of being, dwelling, and homelessness.
