The Ailing Empire: Germany from Bismarck to Hitler Creative Publishing International
In Scandinavia the whole period of Christmas, from the first Sunday in Advent to New Year's Day, is marked by festivals and celebrated in traditional but beautifully contemporary style. Hygge, the Danish word for cosiness, is about being inside with candles, great comfort food and lots of cakes and sweets. The first week of December is baking week - enough has to be made to last the whole Christmas period. Jars of decorated cookies, gingerbread houses and clogs filled with little presents rub shoulders with simple wreaths, trees and tables decorated with white candles and fresh greenery - the perfect mix of ancient and modern. Brunches, cocktail and tea parties, lunches and dinners are celebrated with a mixture of traditional goodies and delicious modern recipes. Duck and pork rule on Christmas Eve, fish, ham and seasonal vegetables on Christmas Day. Sweets, biscuits, puddings and other treats abound - all washed down with

gluwein and fruity cocktails. In this glorious book, illustrated with Lars Ranek's evocative photographs, Trine Hahnemann provides a cornucopia of 70 Christmas recipes - all featuring ingredients which are common to all northern climes - showing us how we, too, can decorate our homes and make delicious dishes to celebrate Christmas the Scandinavian way. *Vogue Sewing* Harry N. Abrams
Guide to sewing and embellishing basic wardrobe pieces including mid-length skirts, fitted dresses, and fitted tops. *Merchant & Mills Workbook* Hardie Grant Publishing
52 Weeks of Socks is a modern collection of sock patterns from Nordic knitting experts Laine. What is more special than a pair of hand-knitted socks? Perfect for curling up at home on cosy winter evenings and crisp autumn mornings, or for hiking adventures over spring afternoons and summer nights, knitted socks are the ultimate small luxury. Whether they're a treat for yourself or a heartfelt gift, there's love in every stitch. Knitting is more than just knit, knit, purl. It is a

feeling. This whimsical book contains a beautiful pair of socks for every week of the year. That's 52 sock patterns contributed by 46 leading knitwear designers from across the world, suitable for knitters of all abilities. Each uses different yarns and techniques, including projects with stunning stitch definition and classic slippers for beginners. From sole to toe, these easy-to-follow patterns will sweep you up with stunning photography and styling that evokes the inspiring Nordic landscape and slow living. *52 Weeks of Socks* is a book to treasure and return to again and again, not just for weeks but for years to come. *Gertie's Ultimate Dress Book* Harry N. Abrams

Every vintage-obsessed sewist dreams of having a closet full of gorgeous dresses. The follow-up to the popular *Gertie's New Book for Better Sewing* and *Gertie Sews Vintage Casual*, *Gertie's Ultimate Dress Book* is packed with all the information and patterns you could ever need to create a wardrobe filled with stunning vintage frocks. The book begins with all the essential techniques for dressmaking and includes instructions and patterns for 23 dresses for a variety of occasions. Elements of each pattern can be mixed and matched, allowing readers to customize the bodice, skirt, sleeves, pockets,

and details of each dress for a truly unique creation.

The Enchanted World of Sleep BoD - Books on Demand

The mid-20th century was an amazing time for American women's fashion! Following the war, women started looking to American designers rather than French couture houses for inspiration and to demand clothing they could move in, even play in. In this follow-up to *Gertie's New Book for Better Sewing*, Gretchen "Gertie" Hirsch celebrates the classic casual styles that icons like Katharine Hepburn, Audrey Hepburn, and Rosie the Riveter made famous--think wide-legged trousers, fitted capri pants, beach rompers, shorts, knit tops, jeans, and day dresses. In Part I, Hirsch introduces key techniques for sportswear construction--from working with knit fabrics to the intricacies of pant-making--and in Part II, she showcases a 30-plus-piece vintage-inspired casual wardrobe. [Stylish Dress Book](#) Cambridge University Press This anthology is dedicated to pictures of women taken by women. It begins with photographs

by the two great female photographers of the 19th century, Clementina Lady Hawarden and Julia Margaret Cameron, and covers a period of over 100 years to the present day. Some 160 images by 90 photographers present us with the entire spectrum of female self-definition both behind and in front of the camera. As such, the four major themes of social reality, the family, the female body and virtual reality come to the fore with their multifarious pictures from the worlds of art, literature, fashion, dance and show business. There are self-portraits as well as female photographers' portraits of female photographers, daughters, mothers and, of course, several important female figures including Virginia Woolf, Greta Garbo, Martha Graham, Simone de Beauvoir, Maria Callas, Madonna, Hillary Clinton, and even Her Majesty the Queen.

Using his skills as a

journalist, historian, and memoirist, Sebastian Haffner (author of *The Meaning of Hitler*) traces the development of the German Empire (1871-1945) and the central role of warfare that characterized the Reich. Haffner contends that Germany's unfavorable geographic position had much to do with the state's belligerence and that, from its inception, created the conflicts that culminated in two world wars. "The fruit of decades of study, the moving and sometimes very personal testament of an author whose works have influenced public opinion and challenged academic historians." — *Die Zeit* "A brilliant work from the top hat of a powerful historical magician." — Rudolf Augstein, *Der Spiegel* "A thoroughly successful work." — *Wiener Tagblatt* "A book with more historical insights than a whole pile of learned volumes." — *Münchener Abendzeitung* "The history of the Third Reich in just 43 pages? Impossible to do more than discuss a few features superficially. But not with Sebastian Haffner. This brilliant

thinker — a journalist turned historian — reveals the fundamental lines of development in a way that anyone can follow. The pages bristle with questions and unexpected answers. The 300 pages of 'The Ailing Empire' contain more clever and original insights into German history between 1871 and 1945 than many a weighty tome." — Dieter Wunderlich "This illuminating survey by a German journalist focuses on the continuities and discontinuities of the modern German Reich ... Haffner argues that the founding of the state was never regarded as a climactic achievement but rather as a springboard for expansion, and that Germany's unfavorable geographic position had much to do with the state's armed belligerence. The author also contends that the Reich was self-destructive almost from the beginning, creating a host of enemies who brought it to its knees in two world wars and eventually divided it. He describes how Hitler accelerated the catastrophic finish of the Reich by inopportunistically taking on both the Russians and Americans, then tried to turn military defeat into the

annihilation of the German people with his Nero Directive of March 18-19, 1945.” — Publishers Weekly “[The Ailing Empire] tells the story of yesterday’s Germans who made today. It is a story Americans must understand.” — San-Diego Union “Sebastian Haffner has written a book that traces the path of Germany’s political self-destruction, and offers a realistic account of the war’s real causes ... It is a highly readable analysis of the road from Bismarck to Hitler ... This book, based on many previously unpublished accounts, is a devastating portrait of human society.” —Chattanooga Times “This is a highly readable analysis of German history over the last century. A long-time journalist, Haffner asserts that the foundations of the German Reich were an inadequate basis for a modern nation state and contained the seeds of its own destruction. Though lacking documentation, Haffner’s first-hand recollections of the Nazi era are most interesting. Particularly noteworthy are his observations on daily life during the regime and his judgment regarding those literary

and artistic ‘antis’ who chose ‘internal emigration’ within the Hitler state.” — Library Journal
Facelifting without Surgery Penguin
 Der Einsatz von Photoshop kann für Ihre Bilder den entscheidenden Unterschied bedeuten – wenn Sie es gezielt zu nutzen wissen. Bestseller-Autor und Photoshop-Trainer Scott Kelby führt Sie praxisnah und leicht verständlich durch alle relevanten Themen der Bildbearbeitung in Photoshop CC – von der Entwicklung und ersten Bearbeitungen in Camera Raw über das Arbeiten mit Ebenen, bis hin zu Retusche, Schärfungstechniken und der Erstellung eigener Looks. Ein Schwerpunkt des Buches liegt darauf, wie Sie mit Camera Raw das Beste aus Ihren Bildern herausholen. Außerdem lernen Sie, wie Sie: Scharfzeichnungstechniken für verschiedene Zwecke einsetzen Porträts optimal retuschieren schwierige Auswahlen vornehmen schnell und einfach Objekte aus Ihren Bildern entfernen Panoramen zusammensetzen und HDR-Bilder erzeugen

typische Probleme in Bildern korrigieren Spezialeffekte anwenden Damit Sie Ihren Workflow nachhaltig verbessern können, zeigt Ihnen Scott Kelby in einem abschließenden Kapitel sein eigenes Vorgehen vom Import bis zum Export der Bilder. Darüber hinaus bietet er in jedem der zwölf Kapitel eine Auswahl an "Photoshop-Killer-Tipps", die Ihnen bei der Bearbeitung Ihrer Bilder Zeit und Nerven sparen. Um alle im Buch gezeigten Techniken im Detail nachvollziehen und selbst ausprobieren zu können, stehen Ihnen passende Beispielbilder als Download zur Verfügung.

 “Gretchen ‘Gertie’ Hirsch is a passionate home seamstress, a sought-after sewing teacher, and the creator of one of the web’s most popular sewing blogs.”
 —Creativebug Gertie

Sews Jiffy Dresses is Gretchen Hirsch's modern reinvention of this simple idea, focusing on easily mastered sewing skills, minimal pattern pieces, and fabulous designs. And the best part? Readers will end up with a sparkling wardrobe of easy-to-wear, fun-to-style dresses that will fill busy modern lives with retro charm. Chapters include: Supplies and Tools Fabrics Getting Ready to Sew Dress Construction: The Basics Dress Construction: Essential Skills Trims and Flourishes Fitting In the '50s and '60s, Simplicity released their popular line of Jiffy sewing patterns, which had minimal pattern pieces and simple constructions, yet were chic enough for fashion-conscious customers. This approach appeals now more than ever as stylish women are continuously looking for ways to fit their love of sewing into busy lives filled with family, work, school, and countless other obligations. With the lessons offered here, you can make a Popover Dress, Chemise Dress, Swirl Dress, Boatneck Dress, and Patio Dress. Everything you need is included: pattern maps, finished garment measurements, and more.

Hirsch writes in her introduction, "So why did I write this book? Because I want to show that it's possible to cultivate real sewing skills without spending days or even weeks on a project. Sewing more projects means more practice!" The vintage aesthetic of these projects will appeal to beginner and expert crafters alike. They stand on their own as great examples of retro fashion. They aren't just simple sewing projects. So, don't wait. Start sewing!

Gertie Sews Jiffy Dresses Harry N. Abrams With the publication of *Parerga and Paralipomena* in 1851, there finally came some measure of the fame that Schopenhauer thought was his due. Described by Schopenhauer himself as 'incomparably more popular than everything up till now', *Parerga* is a miscellany of essays addressing themes that complement his work *The World as Will and Representation*, along with more divergent, speculative pieces. It includes essays on method, logic, the intellect, Kant, pantheism, natural science, religion, education, and language. The present volume offers a new translation, a

substantial introduction explaining the context of the essays, and extensive editorial notes on the different published versions of the work. This readable and scholarly edition will be an essential reference for those studying Schopenhauer, the history of philosophy, and nineteenth-century German philosophy. *Westermann's Jahrbuch der illustrierten deutschen Monatshefte* Harry N. Abrams

Make six classic garments and create a stylish multi-layered wardrobe from scratch. Full-size patterns are provided for a neat vest with a boxer back detail, an elegant bias-cut long-sleeved dress, a simple long gathered skirt with a drawstring waist, a batwing wrap top, an oversized drop-shoulder jacket and a pair of classic wide leg trousers. By choosing seasonal cloth, the versatility of these projects can be enjoyed from the first hint of spring to the end of winter. The aim of this book is to move beyond simplicity and dare the maker to develop new skills. With variations for tops, dresses, shorts and a coat, our precise step-by-step instructions and inspiring photography will enable you sew with

confidence. The reward will be an all season, multi-layer wardrobe by your own hand. We hope you, the reader, are ready for this set of challenges and willing to pace yourselves through the more complicated garments. Full-size patterns for all six garments are included, ready to be traced off and put to good use immediately. Make fashion work.

From the suburbs to the subway, *Sketch and Go: 5 Minute Fashion Illustration* shows you how to capture fashion anywhere and everywhere. Fashion is fast and furious, and fashion illustrators need to work the same way to keep up with the latest trends. Part technique,

part sketchbook, *Sketch and Go: 5 Minute Fashion Illustration* is ideal for beginners looking to learn tips and tricks for sketching fashion illustrations, both quickly and on the go. First, you'll learn basic fashion illustration skills and practical techniques for inspired "live fashion sketching". Once you've conquered the basics, you can sketch your own collection on the 500 pre-printed model templates. Featuring a variety of different poses, these templates allow you to get down to business and sketch your designs right away, without worrying about drawing models. The sketchpad pages are specially designed so that they can be photocopied without the templates, leaving just the fashion sketch! In need of inspiration? Don't worry! You'll also find an inspirational gallery of four-color illustrations from fashion designer and illustrator, Emily Brickel Edelson. So what are you waiting for? Get sketching!

Grimm - 2013

Zauberfeder Verlag

Facelifting without Surgery is written by Dr. Karin Wettig about her favourite magic recipe for longlasting beauty and a young face for women and men. Since her youth, Dr. Karin Wettig liked to experiment with healthy products for beauty, but a journey to Egypt and Israel brought her a special insight about the mud of the dead sea and its special ingredients. The recommendation she gives for face care without any make up is a combination of products everybody can find in normal shops and easy to combine with the preferred personal cream. No reason to change what you like, but to combine it with Silicea and Dead Sea Mud. Even men will feel the difference with this special face treatment that takes only 5 minutes of the daily time. Apart from some very useful treatment tips, Karin Wettig offers information and photos how to decorate a face in some minutes only and how to observe the right colours for your type as she is a living proof for what she demonstrates in her books. Enjoy!
