Can Zig and his magic umbrella save the birds from the hairiest, scariest monster around? Whimsical drawings full of glorious colors accompany minimal text in this tale of bravery, creativity, and friendship. Perfect for fans of Oliver Jeffers and Peter McCarty, this book will inspire kids to tell their own stories with pictures.

Moving Target Yearling

The weather has never been worse. The man with the stormy heart is soaked and he's going to be late! His mood is as black as the sky. Outside a nearby patisserie, a little boy stands under the shelter of its awning, gazing at the beautiful treats on display. When the wind snatches the man's umbrella and drops it at the child's feet, can this hasty curmudgeon slow down long enough for an unlikely friendship to blossom? Catherine Buquet's touching debut in lyrical rhyme, accompanied by Marion Arbona's bold and stylish illustrations, celebrates intergenerational friendship and the magic of sharing. It also reminds children and adults alike that bright moments can be found on even the gloomiest of days.

Black Leopard, Red Wolf Penguin

This full color children's book completely in rhyme, appropriate for children from 5-10 years old, is about Sophia - a little girl that is constantly soaking wet. She lives in the city of Drown where the rain never stops falling. There is nothing in the town that can stop the rain, and there is no place she can go to get dry. No matter what she tries, she is always soaking wet. Then one day she meets a man standing on the street corner on a wooden box with a special gift just for her. He shows her why the rain keeps falling from the sky, and how to get out of the rain to get dry. This book is a lesson to help children understand the bible's teaching of justification, and the work that Jesus Christ accomplished on behalf of his people (in theology this is called Christ's imputation to believers). Most adults have a difficult time understanding justification and imputation. In this easy to understand story, both parents and children alike will see what it means to be justified by God through the blood of Jesus Christ

through the eyes of a little girl. "Much more than, being now justified by his blood, we shall be saved from wrath through him." (Rom. 5:9). "But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus Christ his Son cleanseth us from all sin." (1 John 1:7). It also has listed at the end of the story a study aid to help parents teach their children the major themes found in the book.

A HISTORY OF FIVE YEARS OF SECRET WARFARE AGAINST THE NAZI OCCUPATION

Students were the first to resist. Entire cities went on strike. All the Danish population worked to save their Jewish countrymen. V-2 component factories were destroyed in pitched battles. General Montgomery described the Danish Resistance as "second to none." By the end of the war, illegal newspapers had published a total of about 26 million issues; radio guides for Allied aircraft had been set up on the coasts; boats were running timetable services between Britain, Sweden and Denmark; illegal broadcasts were transmitted regularly; German ships were unable to move from Danish harbors; and vast numbers of German troops were kept from the main fighting points by Danish sabotage of the railways and airfields, and of the factories that the Nazis thought would be invulnerable sources of vital air force and military components. It is a fantastic story, full of tales of impudent, almost foolhardy heroism. With every reason to collaborate in safety, the Danes established an international news bureau that provided the Allies with a continuous service of inside information; they shipped seven thousand Jews to

safety; they organized strikes; they spirited away most of Denmark's tug fleet; they even established an office of the British Ministry of Food in Copenhagen. A quarter of a million feet of film recording their activities were shot by the Resistance under the eyes of the Gestapo, including photographs of many of their sabotage raids, which were meticulously planned. To the Danish Resistance the Nazis were not all-conquering supermen but dangerous fools to be parried at every turn. Their story is one of which any nation would be proud. Illustrated with 19 photographs.
