How to Paint Water! The
secret to convincingly
painting water is
understanding why water
appears as it does--it's all
about the reflections! In

this comprehensive book showcasing water in all its natural states, you'll learn how wind affects water as it goes from a dead calm to gale force winds. As you learn to use the reflections in the water to identify the perspective of the objects, you'll be able to move away from reference images and paint the water scenes you see in your imagination. With the expert instruction of renowned watercolor artist Ron Hazell, you'll find success as you paint water in every imaginable

condition. From glittering lakes to calm harbor shores to foamy surf and turbulent waterfalls and rainy city streets to snow covered lawns and frozen ponds, you'll find the inspiration and techniques to guide you on a water-filled watercolor journey. 11 step-by-step demonstrations for painting puddles, streams, rivers, raging oceans, snow and more. 8 bonus demonstration videos to help you achieve realistic water paintings. More than 30 techniques for creating

accurate shadow and light, reflections of objects and wave types.

Welcome to your watercolor happy place!

The world of Danielle Donaldson is as wondrous as a jar full of fireflies. Her whimsical illustrations are known for their offbeat color combinations, artful arrangements and endearing quirkiness. In this book, you'll learn how to partner with the wonderfully spontaneous medium of watercolor to

create your own brand of magic. Start by creating a handmade journal, then follow exercises and start-to-finish projects to fill it with illustrations that are small in size but big on color. Along the way, Danielle shares her fresh takes on color theory, perspective, composition and more. Designed to get your brush moving, this book makes practice feel like play. It's a one-of-a-kind journey for any artist wishing to tap into the utter joy of watercolor painting and make it a cherished part of your

daily life. Inside you'll find:

- Imaginative techniques that help you override perfectionist tendencies while making the most of watercolor's unpredictable nature
- An inventive approach (using scraps of paper, ribbon and other ephemera) for more creative color choices
- A simple strategy that makes drawing new subjects less intimidating and more fun
- Sweet ways to add hand lettering to your artwork
- Inspirational exercises that make finding subjects to paint as easy as A-B-C

Publishing Secrets to Painting Beautiful Landscapes
Painting the landscape can be fun and rewarding--if you make the right decisions as you paint. After all, it is the artist's greatest challenge to somehow capture a sense of it all--the grandness, the majesty, the splendor of nature--with just a few strokes of paint on a canvas. Popular art instructor Johannes Vloothuis makes the process a whole lot easier with the essential techniques, key concepts

and expert advice he shares in this book. • Learn straightforward strategies to make your paintings more interesting and dramatic, such as simplifying the foreground, composing with abstract shapes and harmonizing colors. • Discover specific techniques for painting landscape elements including mountains, water, foliage, snow and more. • 9 step-by-step demonstrations walk you through all the techniques necessary to create successful landscape

paintings. Landscape Painting Essentials is packed with practical information. You'll make the critical shift from painting what you see to painting as an artist sees. You'll learn to strategically edit shapes, rearrange elements and enhance color. You'll gain a better understanding of what to include in your painting, what to change and what to leave out. Most importantly, you'll gain the skills necessary to turn nature's bounty of inspiration into original, stunning landscape

paintings. *The Artist's Guide to Painting Water in Watercolor* Penguin A contemporary paint-every-day watercolor guide that explores foundational strokes and patterns and then builds new skills upon the foundations over the course of 30 days to create finished pieces.
