 THE FIRST AND ONLY
 BIOGRAPHY OF ONE OF
 MUSIC'S MOST
 INFLUENTIAL AND
 ENIGMATIC
 CHARACTERS. Dave
 Gahan's extraordinary life as the frontman of one of modern music's most successful bands is a tale unrivalled in rock and roll folklore. From a colourful childhood and youth in Essex, Gahan went on to become a huge star all over the world. For

years each Depeche Mode album was more successful than the one before but in 1995 the increasing pressures on the band and within Gahan's personal life almost killed him. From this harrowing abyss, Gahan has bounced back and forged a new acclaimed career as a solo artist. Gahan's stunning rehabilitation as a songwriter and rejuvenated frontman means he deserves his own chapter in music history - this unauthorised biography includes new and exclusive interviews with numerous people who've worked with and around Gahan. Aside from recounting his turbulent private battles, this first ever book on Gahan

examines his musical legacy and suggests he is arguably Britain's most under-rated and interesting rock vocalist. Recounted for the very first time, Gahan's tale away from his band-mates overshadows even the remarkable story of Depeche Mode - the combination of his difficult yet triumphant story plus the thrilling music he has recorded, make this a story like no other in rock and roll history.

Peter Sís's remarkable biography *The Pilot and the Little Prince* celebrates the author of *The Little Prince*, one of the most beloved books in the world.

Antoine de Saint-Exupéry was born in France in 1900, when airplanes were just being invented.

Antoine dreamed of flying and grew up to be a pilot—and that was when his adventures began. He found a job delivering mail by plane, which had never been done before. He and his fellow pilots traveled to faraway places and discovered new ways of getting from one place to the next. Antoine flew over mountains and deserts. He battled winds and storms. He tried to break aviation records, and sometimes he

even crashed. From his plane, Antoine looked down on the earth and was inspired to write about his life and his pilot-hero friends in memoirs and in fiction. A Frances Foster Book This title has Common Core connections. Accent on Accents Simon and Schuster Author of War Horse, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing down on them, Aman and his mother are barely surviving in an Afghan cave, and staying there any

longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow. Aman is heart-broken. Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your

shadow.

 “A Rule Is To Break says: Go ahead and

throw your best self a party! So glad it exists."—Kristin Hersh, Throwing Muses "After encountering the lively little anarchist in John and Jana's delightful *A Rule is To Break*, I will always remember the playful little devil with a mind of her own. A children's book on anarchy seems somehow just right: an instinctive, intuitive sense of fairness, community, and interdependence sits naturally enough with a desire for participatory democracy, self-determination, and peace and global justice."—Bill Ayers, author of *To Teach: The Journey in Comics and Fugitive Days* Simply celebrating childhood: the joy, the wonder of discovery, the spontaneity, and

strong emotions. . . . Wild Child is free to do as she pleases. *A Rule Is To Break: A Child's Guide to Anarchy* follows Wild Child as she learns about just being herself and how that translates into kid autonomy. It presents the ideas of challenging societal expectations and tradition and expressing yourself freely in kid-terms that are both funny and thought provoking—it even functions as a guidebook for adults to understand what it is to be a critically thinking, creative individual. Wild Child is the role model for disobedience that is sometimes civil. John Seven and Jana Christy's previous collaboration *The Ocean Story* won Creative Child

magazine's 2011 Creative Child Award Seal of Excellence and was shortlisted for the 2012 Green Earth Book Award.

Desert Tor Teen Private Peaceful relives the life of Private Tommo Peaceful, a young First World War soldier awaiting the firing squad at dawn. During the night he looks back at his short but joyful past growing up in rural Devon: his exciting first days at school; the accident in the forest that killed his father; his adventures with Molly, the love of his life; and the battles and injustices of war that brought him to the front line. Winner of the Blue Peter Book of the Year, *Private Peaceful* is by the third Children's Laureate, Michael Morpurgo,

award-winning author of *War Horse*. His inspiration came from a visit to Ypres where he was shocked to discover how many young soldiers were court-martialled and shot for cowardice during the First World War. This edition also includes introductory essays by Michael Morpurgo, Associate Director of *Private Peaceful* production Mark Leipacher, as well as an essay from Simon Reade, adaptor & director of this stage adaptation of *Private Peaceful*.
