Technology has sent shockwaves of change through the world of commercial art. Digital illustration and design, online portfolio sites, and the proliferation of stock art have radically changed the way that illustrators and graphic designers work. What has not changed, however, is the wealth of illustrators and graphic

designers hoping to turn their talent into freelance success. More than ever, artists face questions such as how to get started, how to sell their work, how to promote themselves, and what to do once they are working. For those embarking on freelance careers in illustration or graphic design, the answers have arrived. A twenty-five year veteran in the field, Michael Fleishman, has detailed every business aspect of commercial art in *Starting Your Career as a Freelance Illustrator or Graphic Designer*.

Creative Truth Jill Bong
