Girl You Are A Boss: Perfect gift idea for your boss lady, manager, business partner or supervisor for Boss's Day, employee appreciation day. Spice up your office with this hilarious gift notebook journal with a funny saying on cover. Be inspired to write in this notebook every day and give your team workmates a laugh.SIZE: (6"x 9") inchesINTERIOR: 120 pages of lined paper for writing; Journals to Write in for Women
The Big Adventures of the Cute Vajayjay Coloring Book

When two girls—a princess and a shepherd's daughter—are captured by a mysterious woman, they must face the ugly truth about their harmful behavior. Despite drastically different backgrounds, both girls have become cruel and disobedient youths. Rosamond is a young princess who shares a birthday with Agnes, a shepherd's daughter. They grew up with contrasting lifestyles but manage to develop the same negative habits. Both girls are spoiled by their parents and become self-centered bullies who hurt everyone in their path. On different occasions, a wise woman grabs each girl and brings them to her magical cottage. She forces them to acknowledge their wrongdoing and attempts to teach them a better way of life. While one girl embraces change, the other remains stagnant forcing them to finally come to ahead. *A Double Story* uses classic fairy tale tropes in an unconventional way. Its message of empathy and hope is told through vivid storytelling and romantic images. It's a cautionary tale about the dangers of self-indulgence and the need for structure and love. With an eye-catching new cover, and professionally typeset manuscript, this edition of *A Double Story* is both modern

and readable.

The Laptop Repair Workbook

Anaesthesia for Veterinary Nurses has been written specifically for veterinary nurses by veterinary nurses and veterinary surgeons. Easy to read and understand, it provides detailed coverage of the physiological, pharmacological and physical aspects of anaesthesia. Fully updated and reflecting recent changes to veterinary nursing qualifications, this second edition is now also illustrated in colour. Sedation and anaesthesia are a crucial part of veterinary practice, and the protocols and methods involved are often complex and vary considerably from animal to animal. In addition to cats and dogs, Anaesthesia for Veterinary Nurses contains detailed sections on rabbits, rodents, birds, reptiles, and larger animals. Suitable for those with or without previous subject knowledge, this book is ideal for quick reference by veterinary nurses and technicians in practice, or for more substantial study by students. • Reflects recent changes to veterinary nursing qualifications, current terminology and drugs in use. • Includes chapters on small mammals, birds, reptiles, and large animals. • Now illustrated with colour

photographs.
