Most Bible atlases only feature maps with very few explanations—which means they show where places are, but they don't explain why they matter. Enjoy having an Atlas that not only includes over 120 maps, but also key background information! Rose Then and Now Bible Map Atlas with Biblical Background and Culture is the only Bible atlas with a combination of— 120 stunning detailed Bible maps. Clear plastic overlays of modern cities and countries so you know where Bible places are today. Incredible insights into the lives of 30 important Bible characters. This Bible atlas focuses on people—not regions—and how the Middle East geography affected their lives and decisions. You take studying the Bible seriously, which means you already know that understanding the Bible's background and context is the only way to fully understand its meaning. But with dozens of cultures and cities mentioned in the Bible—what information is important to know? This is the only topical atlas available that offers all these features: Maps include lines to show the direction people traveled, along with helpful notes. Paul Wright's text gives Bible references and shows how knowing the land of the Bible uncovers new details in the most beloved stories and people. Know how David's clever understanding of geography and politics led to his marriage with Ahinoam of Jezreel. Discover why Naomi, in the Book of Ruth, couldn't just move back to Bethlehem after her husband's death and use his land again. Find out why Moses and the Children of Israel took the long southern trek from Egypt to the Promised Land, rather than the direct route. This atlas gives you incredible insights into your favorite Bible stories.

*The Annals of the World* CF4Kids

Where are the Bible lands today? Where were Iraq and Iran in Bible times? The answers to these questions and countless others are found in the bestselling pamphlet "Then & Now Bible Maps." This full-color, fold-out reference tool contains 17 Bible maps that show ancient cities and countries in black with modern-day boundaries marked in red. Fantastic for comparing places in the news with places in the Bible. "Size: 8.5"x 5.5" unfolds to 38" long. Fits inside most Bible covers."

This stunning, easy-to-understand reference book still provides the same full-color, reproducible Bible charts and overviews that made the original a favorite—but in an easier-to-use, updated format! This 10th anniversary edition of the Rose Book of Bible Charts, Maps and Time Lines features over 200 Bible Charts, Maps, and Timelines—and includes more pages, 6 extra topics, updated information, and a bonus 24" fold-out on Jesus' Family Tree. Every church library and every home should have a copy of Rose Book of Bible Charts, Maps and Time Lines. This book contains thousands of facts that will enrich your understanding and study of the Bible, and will be a great resource as you teach others about the Word of God. "If I could give only two books to a new Christian, one would be the Bible and the other would be this book." --Dr. Ed Hindson, President of World Prophetic Ministry and pastor on the The King is Coming telecast Features more than 200 reproducible Bible charts, maps, and timelines,

including: Foldout Posters: Bible Time Line and Jesus' Genealogy Overviews on Popular Old Testament Topics, including the Tabernacle, Ark of the Covenant, Names of God, Feasts & Holidays of the Bible, and much more Overviews on Popular New Testament Topics, including the 12 Disciples, Armor of God, Fruit of the Spirit, and much more Overviews of Jesus' Life and Teachings Bible Overview: Books of the Bible and Key Bible Stories Christian History, including "How We Got the Bible" and a Christian History Time Line Charts Comparing Christianity to Islam and 20 Other World Religions Overviews on Bible Prophecy, Revelation, and the End Times Bible Maps Bible Illustrations and Diagrams "It is awesome! Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible,' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews
